JOURNEY // 2016

2016 DODGE JOURNEY

CANADA'S FAVOURITE CROSSOVER!*

This is for those who count the time spent travelling as part of the fun. For those in search of a rare balance of versatility, performance and comfort. For those who require a crossover that's as equally prepared for the everyday excursions as it is for those they write home about. It's for those looking for the ultimate combination of form and function. For these people, Dodge built the 2016 Journey, offering either all-wheel-drive (AWD) or front-wheel-drive (FWD) capability. Choose between impressive I-4 or V6 engines and spacious five- or seven-passenger seating. No wonder Journey is the most versatile crossover in its class.²

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

SACRIFICE NOTHING

//// Largest touchscreen in its class.³

FORGED FOR: ADVENTURE EVERY DAY JOURNEY CROSSROAD

It's time for your next adventure. With a bold, rugged exterior, a refined interior and available all-wheel-drive (AWD) capability, Journey Crossroad is game for anything. Boasting an exterior design furnished with Platinum Chrome-accented side roof rails, lower bodyside mouldings, and front and rear fascias, Journey Crossroad stands apart from the competition. Gloss Black fog lamp surrounds, a Gloss Black grille, black-accented headlamps and unique 19-inch Hyper Black aluminum wheels complete its exterior image. Retreat inside for a refined atmosphere of soft-touch surfaces, rich seating materials and Liquid Graphite accents. Built to escape the ordinary, Journey Crossroad is ready to help you discover new horizons.

//// Journey Crossroad FWD interior shown with black leather-faced seats and Sport mesh inserts.

//// JOURNEY CROSSROAD SHOWN IN REDLINE PEARL.

GET THEM TALKING WITH JOURNEY BLACKTOP

Journey Blacktop is set apart by a bold, distinctive look, straight from the factory. Exterior accents include 19-inch Gloss Black aluminum wheels, Gloss Black front grille, lower front fascia accents and exterior mirrors, as well as black headlamp accents. Inside, you'll find a tech-savvy interior that includes the Radio 8.4 multimedia centre with an 8.4-inch touchscreen and SiriusXM satellite radio.⁴

//// JOURNEY SXT WITH BLACKTOP PACKAGE SHOWN IN GRANITE CRYSTAL METALLIC.

AWD **WINTER READY**

ALL-WHEEL-DRIVE (AWD) CAPABILITY. Journey's confident stride comes from its advanced automotive engine technology and the surefootedness of available AWD for safe and steady handling in all weather conditions. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for improved driving performance. Without having to choose between performance and efficiency, Journey makes the most out of your travels regardless of the weather.

ANY WAY YOU WANT IT

WHEN YOU JUST CAN'T LEAVE HOME WITHOUT IT: Two class-exclusive³ second-row in-floor storage bins with removable, washable liners each hold up to a dozen 355-mL cans, plus ice. Latching lids also make these bins the perfect place for stowing valuable travel items. The seat cushion of the available Flip 'n Stow[®] fold-flat, front-passenger seat flips forward to reveal a bin ideal for concealing personal items. The front door map pockets, centre console and glove box also create excellent spots for storage.

BEST-IN-CLASS⁵
**STORAGE
 SYSTEMS**

- 1 // Flip 'n Stow[®]
- 2 // Centre console storage
- 3 // Dual in-floor storage bins
- 4 // Cargo area storage
- 5 // Spacious glove box

Properly secure all cargo.

AS EFFICIENT AS:
9.1 L/100 KM HWY*

3.6-LITRE PENTASTAR™ V6 //
283 horsepower, 260 lb-ft
of torque and Variable Valve
Timing (VVT) serve up an
exceptional blend of high
torque and impressive fuel
economy (as efficient as
9.4 L/100 km highway*).

POWER THAT
MOVES YOU.

*See page 20 for full details.

2.4-LITRE I-4 WITH DUAL VVT //
This smart, highly capable
173-horsepower DOHC I-4 engine
features a strong balance
of power and fuel economy
(as efficient as 9.1 L/100 km
highway*), which lets you travel
approximately 850 highway
kilometres on one tank of gas.†

THE MOST VERSATILE CROSSOVER: IN ITS CLASS²

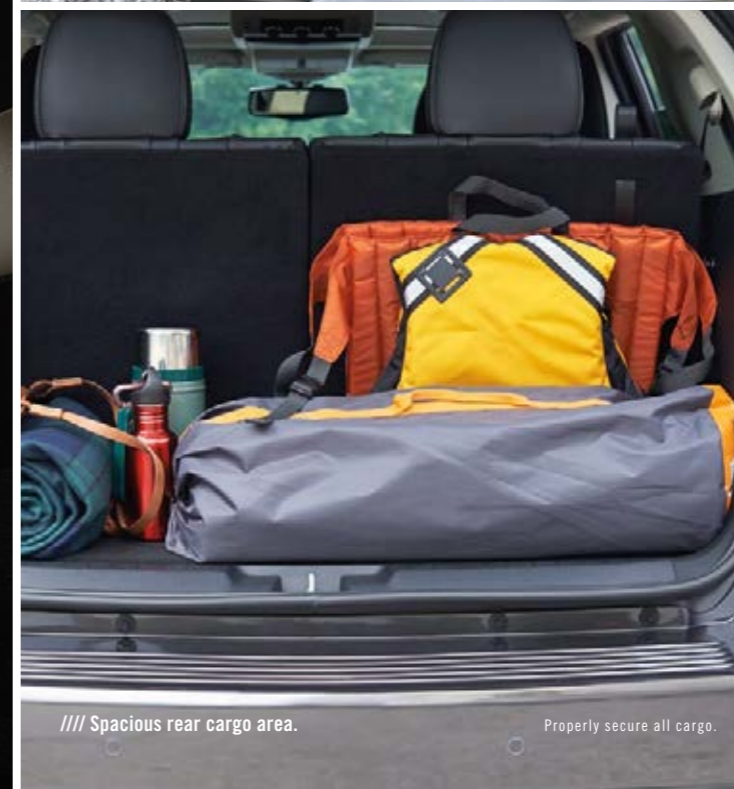

ROOM FOR EVERYTHING BUT COMPROMISE

As part of the bloodline that created Dodge Grand Caravan, Journey borrowed a few tricks to create the most versatile crossover in its class². With flexible seating available in five- or seven-passenger configurations and a myriad of storage solutions, this interior can quickly transform from people mover to cargo hauler without fuss. The standard 60/40 split-folding and reclining second-row seating offers spacious, flexible comfort. Carrying younger passengers is a breeze with the available class-exclusive³ integrated child booster seats,⁷ and they're also easily entertained with the available rear-seat video system. Your passengers will have easy access to their available 50/50 split-folding third-row seats, thanks to rear doors that open 90 degrees, and the Tilt 'n Slide[®] second-row seats.

//// JOURNEY R/T INTERIOR SHOWN IN PEARL WITH ORANGE ACCENT STITCHING.

//// As much as 1,914 L of cargo space.

//// Spacious rear cargo area.

Properly secure all cargo.

//// Class-exclusive³ second-row in-floor storage bins.

LARGEST TOUCHSCREEN IN ITS CLASS³

PREMIUM COMFORT AND STYLE

Welcome convenience begins with must-have features like steering wheel-mounted cruise and audio controls, illuminated cup holders as well as available heated front seats and steering wheel. Refinement comes from well-tailored touchpoints and premium soft-touch materials.

THE ULTIMATE MOBILE DEVICE

Uconnect[®] multimedia centres offer the largest touchscreen in its class³ — up to 8.4 inches. The intuitive, customizable systems feature icons for radio controls, personal devices like an iPod[®] or smartphone, climate controls and available navigation⁸. Bring your own tunes via remote USB port or available Bluetooth[®] streaming audio. The USB port can also charge your compatible devices. Available hands-free calling⁹ can be operated through steering wheel-mounted controls or the touchscreen. After touching the voice command⁹ button, your voice can manage your phone, messaging, radio stations and much more. It's just that simple.

ENTERTAINMENT

Make every ride more enjoyable with the available SiriusXM satellite radio,⁴ which includes a one-year subscription, for access to over 120 channels. Enjoy instant replay of your favourite tunes and get alerts when your favourite song, artist or team is playing on any SiriusXM channel. Opt for the premium six-speaker Alpine[®] sound system with subwoofer and 368-watt amplifier for your optimal audio enjoyment, while the 115-volt power outlet allows passengers to plug in portable game systems or audio devices.

50+

STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

Because Dodge knows it's the littlest things that matter most, our engineers have built every Journey with a high degree of advanced automotive technology. That's why there are more than 50 standard and available safety and security features travelling along with you to make every ride more secure.

ELECTRONIC STABILITY CONTROL (ESC)¹⁰ // When road conditions are not at their best, ESC helps the driver maintain vehicle directional stability and limits oversteer or understeer. ESC includes All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Trailer Sway Control (TSC)¹⁰

ANTILOCK BRAKE SYSTEM (ABS) // Four-wheel antilock disc brakes help prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

PARKVIEW[®] REAR BACK-UP CAMERA¹¹ // Displays an accurate visual reference of what is behind your vehicle when it is in Reverse.

PARK-SENSE[®] REAR PARK ASSIST¹¹ // When the vehicle is in Reverse, the sensors can detect the presence of objects within 1.9 metres of the vehicle in the back-up pathway and provide an audible and visual warning to notify the driver.

TRAILER SWAY CONTROL (TSC)¹⁰ // TSC uses the ESC sensors to recognize sway unique to trailering. It applies brake pressure on alternating wheels and may adjust the throttle to help eliminate sway and maintain stability.

ENHANCED ACCIDENT RESPONSE SYSTEM // This system makes it easier for emergency personnel to see and reach occupants in the event of an accident by turning on interior lighting, flashing hazard lamps and unlocking doors after air bag deployment. It also shuts off the flow of fuel to the engine.

TIRE PRESSURE MONITORING SYSTEM // A warning system in the instrument cluster alerts the driver to any tire with low pressure, with displays for each tire's pressure in the Electronic Vehicle Information Centre.

SENTRY KEY[®] ANTITHEFT ENGINE IMMOBILIZER // Prevents vehicle operation when the encoded key is not present by disabling the engine. Operation is automatic, regardless of whether the vehicle is locked or unlocked.

ACTIVE FRONT HEAD RESTRAINTS¹² // The active front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping provide added neck protection for both the driver and front passenger.

MODELS

CVP

POWERTRAIN

- 2.4L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 4-speed automatic
- Front-wheel drive (FWD)

INTERIOR AMENITIES

- Air conditioning with front dual-zone temperature control and air filtering
- Cruise control
- Door sill scuff pads
- Driver and passenger lower LED lamps
- Electronic Vehicle Information Centre (EVIC)
- Illuminated front cup holders
- Media Centre:
 - Auxiliary input jack and remote USB port
 - Radio 4.3 multimedia centre with 4.3-inch touchscreen and 6 speakers
- Power locks and windows, driver one-touch down
- Seating:
 - Driver's height-adjustable seat
 - Premium cloth low-back bucket seats
 - Second-row 60/40 split-folding reclining/fold-flat seat with fore/aft adjustment
- Steering wheel-mounted audio and cruise controls
- Storage:
 - Full-length floor console with premium armrest
 - Second-row in-floor storage bins with removable, washable liners
- Three 12-volt power outlets
- Tilt/telescoping steering column
- EXTERIOR FEATURES**
 - Body-colour door handles
 - Black, power, heated mirrors, manual folding
 - Black grille with chrome crosshairs
- Lighting:
 - Incandescent taillamps
 - Liftgate floodlamp
 - Quad-halogen headlamps
- Wheels and Tires:
 - 17-inch aluminum wheels
 - Compact spare tire
 - P225/65R17 BSW all-season touring tires

SAFETY & SECURITY

- Active front head restraints¹²
- Child Seat Anchor System (LATCH)
- Electronic Stability Control (ESC)¹⁰ with All-Speed Traction Control, Electronic Roll Mitigation and Trailer Sway Control (TSC)¹⁰
- Engine block heater
- Four-wheel antilock disc brakes with Brake Assist
- Keyless Enter 'n Go™ with proximity entry and push-button start
- Sentry Key® antitheft engine immobilizer
- Seven air bags¹³
- Tire pressure monitoring display

OPTIONAL EQUIPMENT

- 17-inch Steel Wheels with Wheel Covers
- Black Side Roof Rails with Crossbars
- Flexible Seating Group (7-passenger seating)
- Front and Rear Floor Mats
- Hands-free Communication with Bluetooth® Streaming Audio⁹
- Second-row Integrated Child Booster Seats⁷

SE PLUS

POWERTRAIN

- 2.4L DOHC 16V Dual VVT I-4 with 4-speed automatic

Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1 Based on IHS Automotive: Polk Canadian Vehicles in Operation data available as of July, 2014 for Crossover Segments as defined by FCA Canada Inc. 2 Based on the latest available competitive information and *WardsAuto* Middle Cross/Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. Based on availability of I-4 and V6 powertrains, front-wheel drive and all-wheel drive. 5- and 7-passenger seating, second-row removable in-floor storage bins, integrated child booster seats, front-passenger in-seat storage and forward fold-flat front passenger seat. 3 Based on the latest available competitive information and *WardsAuto* Middle Cross/Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 4 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 5 Based on the latest available competitive information and *WardsAuto* Middle Cross/Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. Based on standard and available storage features including second-row removable in-floor storage bins, front-passenger in-seat storage and forward fold-flat front passenger seat. 6 Driving range based on 2015 *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. 7 Integrated booster seats are only for children between 120 and 145 centimetres (47 and 57 inches) in height, weighing between 22 and 38 kilograms (48 and 85 pounds). Always fasten seat belts properly. 8 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 9 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 11 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 12 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 13 The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 14 Not compatible with all garage door openers.
