

NISSAN STANZA

Luxury, value, versatility. Just the way you want them.

Stanza delivers everything you want in a car, and in a very big way, too. The size is bigger. The value is bigger. There's even a bigger lineup of Stanza models to choose from.

The size of Stanza has been increased dramatically thanks to a longer, wider chassis. And because there's a bigger chassis, Stanza has been able to achieve better handling and a smoother ride. Some other big features are the 14-inch wheels and a fuel tank that ensures extra cruising range.

Stanza's new styling is as big and as bold as the car itself. The lines are strongly defined. Angled headlamps have been smoothly integrated with a long, sloping hood. The two side mirrors are smooth and sporty and can fold back to reduce damage. There are also wraparound bumpers that are both stylish and impressive. It all combines beautifully to create a sharp, sporty and dynamic look. Plus, there are many thoughtful design touches that add to your convenience—such as a trunk that opens directly above the bumper to make it easy to load and unload.

The use of one-unit body and chassis construction makes Stanza a more solid car. Also, the liberal use of galvanized steel and other anti-corrosion methods will further help keep your Stanza investment strong.

Stanza's big new lineup of cars includes the top-of-the-line GXE, the well-equipped XE and the very affordable E model. There are also the Stanza 2-Wheel and 4-Wheel-Drive Wagons. With so many choices there's bound to be a Stanza that's just right for your family.

Give your family a bigger image with the all-new Nissan Stanza. The only thing that's small about it is the price.

THE STANZA GXE 4-DOOR SEDAN FEATURES EXTRA ROOMINESS ALONG WITH SMOOTH, SPORTY STYLING. SHOWN WITH OPTIONAL ALLOY WHEELS AND SUNROOF.

TRUNK OPENS DIRECTLY ABOVE BUMPER SO IT'S EASY TO LOAD AND UNLOAD.

THE E MODEL 4-DOOR SEDAN IS STANZA'S MOST AFFORDABLE VALUE.

One of the first things you'll notice

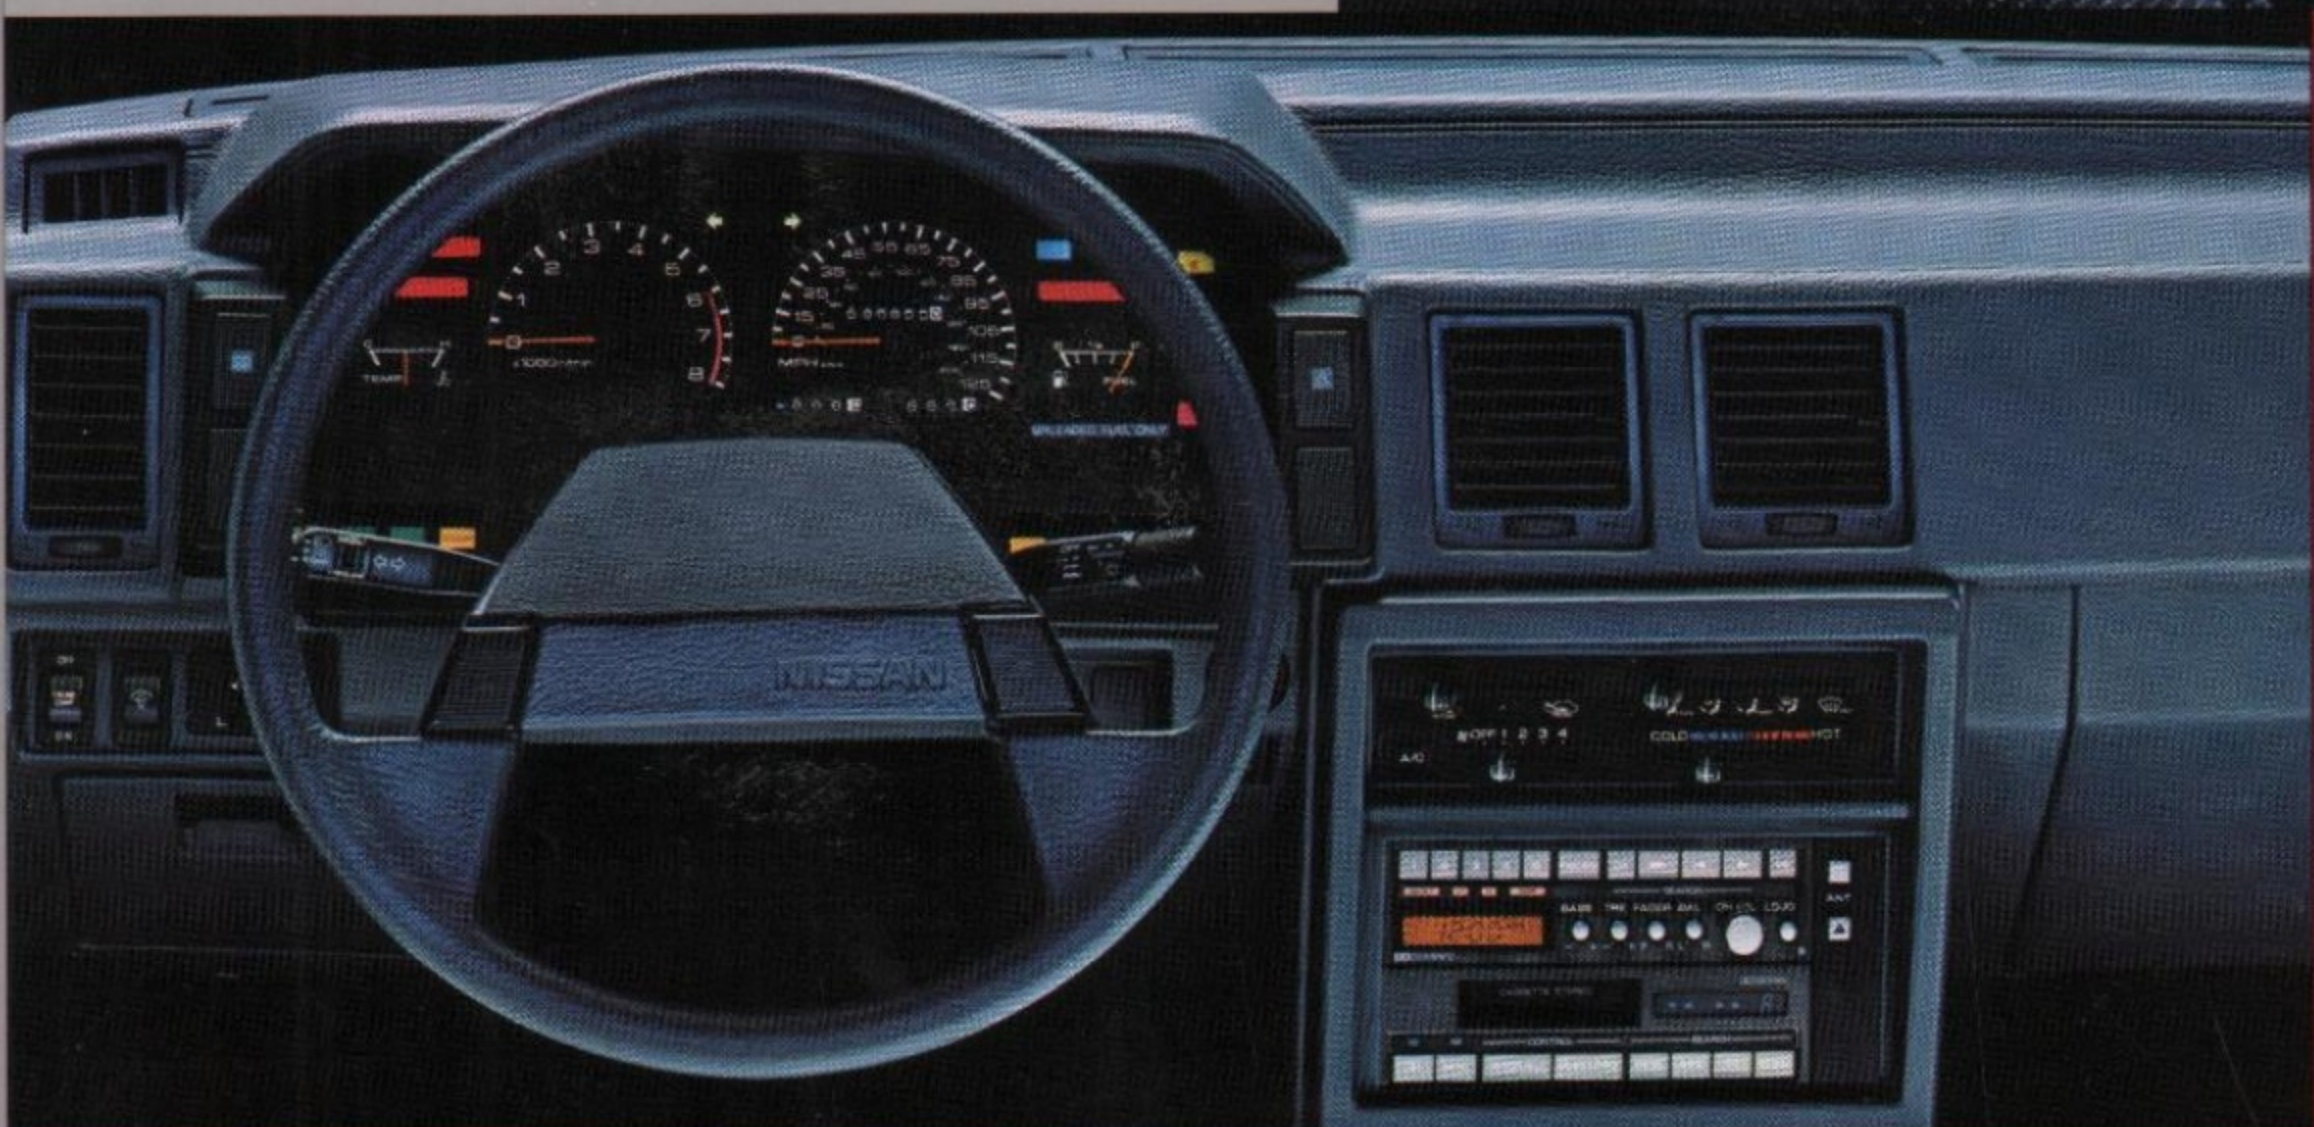

about the instrumentation inside the Nissan Stanza GXE is the clean, sensible way everything has been laid out. The individual controls have been grouped according to their functions to create an environment that's as convenient as it is fun.

The Nissan Stanza GXE is a comfortable, roomy car that lets a family of five settle into luxurious surroundings. The big, contoured front seats feature body-hugging side supports along with a plush velour fabric. The front seat head restraints will adjust forward-and-backward as well as up-and-down.

Other standard features that will add to the enjoyment of your GXE include a tilt steering column, dual power side mirrors, built-in power window and power door lock controls. An AM/FM electronically tuned stereo and cassette tape deck with Dolby® noise reduction. Convenient pass-through to the trunk. Plus, for added driving comfort, cruise control.

The Nissan Stanza GXE—superb styling, comfort and luxury at a price that many can easily afford.

THE FRONT SEATS ON THE STANZA GXE ARE LARGE AND COMFORTABLE AND FEATURE 2-WAY ADJUSTABLE HEAD RESTRAINTS AND SPECIAL THIGH AND LUMBAR SUPPORTS FOR THE DRIVER'S SEAT.

INSTRUMENTS ON STANZA GXE ARE WITHIN EASY REACH AND HAVE BEEN GROUPED ACCORDING TO THEIR FUNCTION.

AM/FM ELECTRONICALLY TUNED STEREO AND CASSETTE TAPE DECK WITH DOLBY® NOISE REDUCTION.

Many cars try to give the impression that they have

the lowest price on the market, but those prices can easily grow by hundreds or even thousands of dollars once you start adding optional equipment. Yet even at its base price, the Stanza XE Hatchback comes equipped with a wide range of standard features.

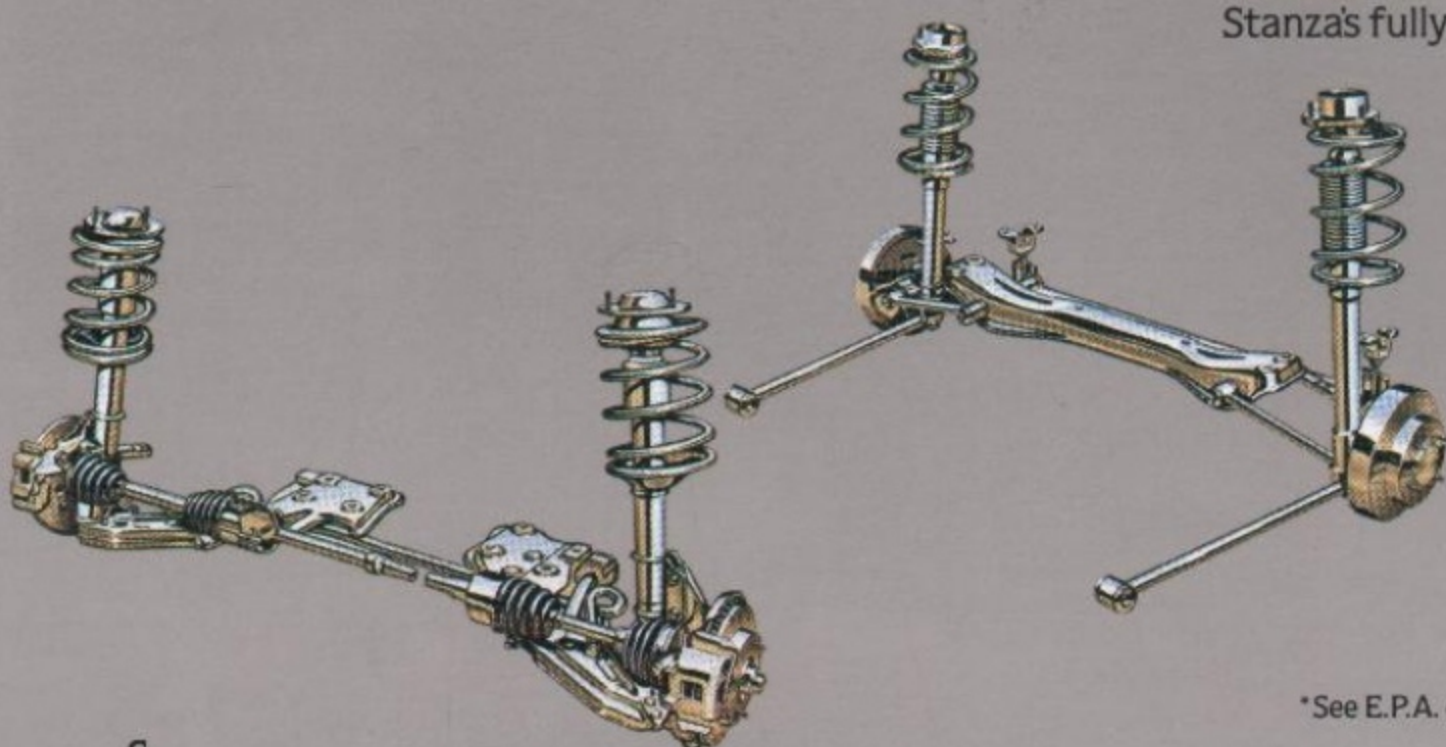

There's an outstanding functional package that includes front-wheel drive for added traction, power rack-and-pinion steering, 4-wheel independent suspension, power front disc brakes and big 185/70R14 steel-belted radial tires. It all adds up to smooth, comfortable handling.

Still another standard feature is the amazing fuel-injected, 2-liter, NAPS-X engine. It's teamed with a smooth-driving 5-speed manual overdrive transmission to deliver power, efficiency and great fuel economy.*

Other standard features include large, contoured seats, an AM/FM electronically tuned 4-speaker stereo, digital clock, 2-speed wiper with a variable intermittent function, dual power side mirrors and a rear window defroster.

Even interior noise has been reduced with design features such as flush body surfaces, more insulation and more rigid engine mountings, along with increased muffler capacity.

With the Nissan Stanza XE Hatchback, you can invest in a car that makes driving a pleasure—without driving up its price.

IMPROVED SUSPENSION FROM FRONT TO REAR. Stanza's fully independent suspension has been designed and tested for improved handling and comfort. In front, Stanza uses MacPherson struts and L-type transverse links. With a wide track, Stanza provides improved high speed and crosswind stability along with reduced dive during braking. In the rear, trailing arms and a cross member with coil springs and shock absorbers on each corner add up to a smoother ride. And the lowered roll center and induced roll understeer add better handling.

*See E.P.A. estimates, page 14.

STANZA 5-DOOR HATCHBACK IS AS VERSATILE AS IT IS PRACTICAL.

REAR CARGO COVER HELPS KEEP YOUR VALUABLES HIDDEN.

REAR SEATS FOLD FORWARD FOR EXTRA CARGO AREA.

THE CONTOURED SEATS BOAST A HIGH-QUALITY CLOTH UPHOLSTERY.

Add extra value to your Stanza with Genuine Nissan Accessories. With Genuine Nissan Accessories you can be certain that every item you select is specifically designed to be compatible with your new Nissan Stanza and to add to its appeal and value.

Take a look at just a few of the fine, high-quality items available. They give you a lot of ways to get the most out of your Stanza.
