

2011 GMC TERRAIN

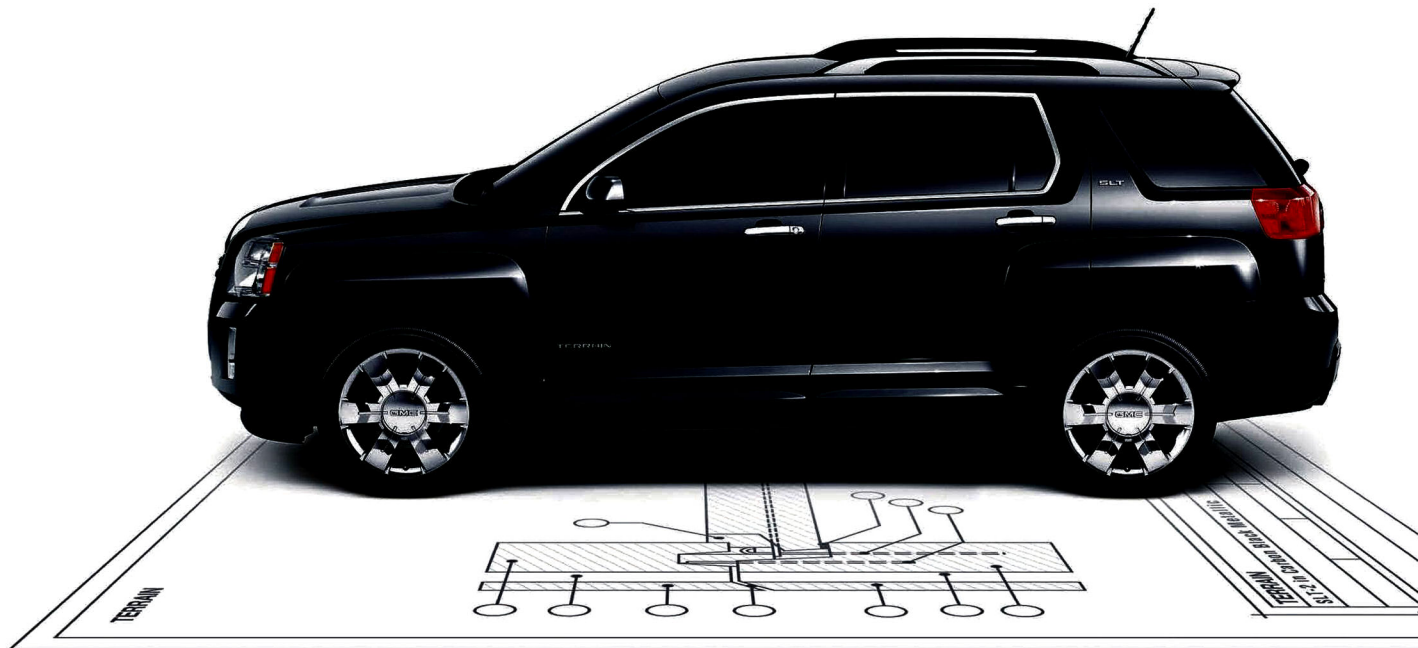

GMC
TERRAIN

YOU DESERVE MORE. THIS IS WHERE YOU'LL FIND IT.

Giving you more is what the Canadian-built GMC Terrain is all about. There's more bold contemporary style here than any competitor can muster. More advanced technology, like a choice of direct-injected four-cylinder and V6 engines, a standard gas-saving six-speed automatic transmission and four-cylinder fuel efficiency that RAV4 and CR-V can't match.* More thoughtful design in the cabin, including a sliding and reclining Multi-Flex® rear seat. More intelligent amenities, like a standard rearview camera system that takes the stress out of parking. More owner protection, with the best coverage in Canada, including a five-year/160,000 kilometre powertrain limited warranty.** Terrain even offers more accolades. Consumers Digest selected the 2010 Terrain as a Best Buy. And Ward's named the standard ECOTEC 2.4L 4-cylinder one of their 10 best engines for 2010. Want more? You've come to the right place.

* 2011 GMC Terrain FWD equipped with standard 2.4L ECOTEC 1-4 engine fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2010 Fuel Consumption guide. Your actual fuel consumption may vary.

** Whichever comes first.

TERRAIN SLT-2, shown in Carbon Black Metallic with available equipment.

COOL, CLEAN, CONTEMPORARY.

In the cabin, Terrain takes its cues from the best in modern interior design. The lines are sweeping. The shapes, harmonious. Ambient lighting provides a cool, contemporary look. And the materials have all been carefully selected to feel as satisfying to the touch as they look to the eye. Equally important, the Terrain cabin has been equipped for the way you really live. Every model comes with standard air conditioning, a USB port, a generous assortment of cup- and bottle-holders and no fewer than four auxiliary power outlets for charging mobile phones, laptops and all the other electronic necessities of modern life.

FUNCTIONAL STORAGE

You'll find an ideal storage spot for virtually all your gear in your 2011 Terrain. There's an oversized glovebox, a closed compartment above the audio system controls, a laptop-sized bin in the centre console and 2-tiered compartments in every door.

TERRAIN SLT-2 interior, shown with Light Titanium leather-appointed seating.

DID WE SAY MORE FUN?

Ease into Terrain's supportive driver's seat and you'll find yourself in a cockpit designed with the focus firmly on driver involvement. The gauges are cleanly styled and ideally positioned for easy, immediate reading. They're supplemented by a multi-function electronic Driver Information Centre that delivers alerts about a host of different conditions, including the amount of oil life you have remaining. Terrain's controls are all ideally positioned and designed to deliver positive feedback to your touch. The steering column includes both tilt and telescopic adjustments to make it easy for you to find just the right driving position. On the road, you'll find that visibility is excellent in all directions. And when it's time to park, Terrain's standard rearview camera system helps you back up with confidence.

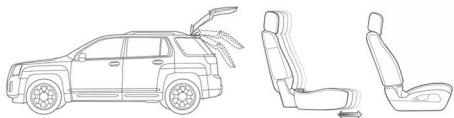

TERRAIN SLT-2 interior, shown in Light Titanium with available equipment.

YOUR OWN PERSONAL EXPANDING UNIVERSE.

One day it's you and four friends heading out for dinner. The next you're bringing home a full load of assemble-it-yourself furniture. Terrain is designed to do both extraordinarily well, thanks in part to a standard class-exclusive Multi-Flex rear seat* that adjusts forward and back as much as 200 mm (7.9 in.). With the seat in its rearmost position, second-row passengers enjoy a limousine-like 1013 mm (39.9 in.) of legroom. Or you can slide the seat forward, fold down the 60/40 split seatbacks and load in up to 1809 litres (63.9 cu. ft.) of cargo. Bottom line: with Terrain, you're the master of inner space.

* Excludes other GM models.

POWER REAR LIFTGATE

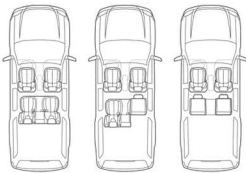

Terrain offers an available power liftgate that can be programmed to open to a pre-set height, depending on your height and the ceiling restrictions where you park.

MULTI-FLEX SEATING

With the Multi-Flex rear seat adjusted forward, there's almost 900 litres (over 31 cu. ft.) of space in Terrain's cargo bay.

60/40 REAR SEAT

Terrain's 60/40 split-folding rear seatbacks allow you to carry long or bulky cargo items and still accommodate one or two rear passengers.

TERRAIN SLT-2, shown in Quicksilver Metallic with available equipment.

IT'S STRONG ON DEFENSE.

In a fast-moving world, it's good to have Terrain on your side. Terrain is designed to help keep accidents from happening, with features like four-wheel anti-lock disc brakes and a StabiliTrak® electronic stability control system that can cut your risk of a fatal single-vehicle crash by a remarkable 63 percent.* If a crash does take place, Terrain shields you and your companions with six standard air bags,† an advanced steel safety cage and many other protective features. Another line of defense is a Terrain exclusive in the segment: OnStar®,** which can dispatch emergency services to your precise location after a crash, even if you're unable to respond to their call.

* According to information published by the US Department of Transportation's National Highway Traffic Safety Administration, July 2007.

** Excludes other GM vehicles. Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency providers.

† A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

POWER AND HANDLING.

Finally there's a compact crossover for people who think the commute to the office should be a pleasure, not a grind.

Terrain's standard 182-horsepower direct-injected 2.4-litre engine and six-speed automatic transmission deliver responsive performance without punishing you at the pump. If you like a little extra punch when you squeeze the throttle, there's an available 264-horsepower 3.0-litre V6 that allows Terrain to tow trailers weighing as much as 1588 kg (3500 lb.). With either engine, you can choose either front-wheel drive (FWD) or an intelligent all-wheel-drive (AWD) system that helps to optimize traction, even in challenging conditions. Terrain's suspension and steering systems contribute another measure of surefootedness with their excellent balance of stability and responsiveness.

ENGINEERING ON THE LEADING EDGE.

Everywhere you look, Terrain's advanced technologies improve your personal driving experience. Under the hood, direct fuel injection helps maximize power and efficiency at the same time. In the cabin, active noise cancellation* contributes to a hushed, relaxing ride on all road surfaces. Integrated into the six-speed automatic transmission, there's an eco mode* that can help boost fuel efficiency when it's selected by the driver. In fact, there's no aspect of your comfort, control, entertainment, convenience and safety that doesn't benefit from the GMC engineering team's technical expertise.

* With standard 2.4L ECOTEC I-4 engine.

NAVIGATION MAP

Terrain's available DVD Navigation System can guide you to destinations throughout Canada and the United States via its 178 mm (7.0 in.) touch screen display and voice commands. A 40GB hard drive is also included.

STANDARD REARVIEW CAMERA SYSTEM

Shift into 'Reverse' and the scene behind your Terrain automatically appears in the interior rear-view mirror or, if your vehicle is so equipped, on the Navigation System screen.

REAR DVD

The available Rear Seat Entertainment System includes dual 203 mm (8.0 in.) flip-up screens integrated with the front seatbacks. These screens can display multiple inputs, such as DVD movies and video games.

ONSTAR: INDISPENSABLE FOR SO MANY REASONS

For millions of people across North America, OnStar® is making driving safer, more convenient and more enjoyable. It's a revolution in driving, and it's standard on every Terrain along with six months of the Directions & Connections Plan with Turn-by-Turn Navigation. Check out some of the remarkable services OnStar can perform for you.

STOLEN VEHICLE ASSISTANCE

OnStar can help recover your Terrain if it's stolen. OnStar can use GPS technology to locate your Terrain and track its movements. That information is relayed to authorities who can use it to recover your Terrain quickly and safely.

REMOTE VEHICLE DIAGNOSTICS

To help you keep your new Terrain in peak condition, OnStar can automatically run hundreds of diagnostic and maintenance checks every month. You receive a finished report promptly via email.

TURN-BY-TURN NAVIGATION

OnStar's Turn-by-Turn Navigation is the most user-friendly navigation system available. You simply tell an OnStar advisor where you want to go. Clear, audible directions to your destination are then downloaded to your Terrain. Turn-by-Turn Navigation will even help get you back on track automatically if you take a wrong turn.

AUTOMATIC CRASH RESPONSE

Should your Terrain's crash sensors detect a collision, the vehicle immediately notifies the OnStar Centre. An OnStar advisor will attempt to connect with you to see if you need help. Even if you don't respond, the advisor can determine your exact location via GPS and dispatch emergency services.

EMERGENCY SERVICES

A priority connection to get help sent to your exact location.

HANDS-FREE CALLING

In more and more jurisdictions, hands-free calling is the law. OnStar's built-in wireless calling feature makes it easy to make mobile calls the safe way. It also provides a convenient and reliable connection, even in areas where cellular reception is limited.

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers.

XM SATELLITE RADIO

Your listening preferences are very personal. XM Satellite Radio gives you access to the largest playlist on the planet and the most commercial-free music in digital-quality sound. That's on top of news, talk, comedy and sports channels – including more than 1000 NHL games. It all adds up to 130 channels to choose from, coast to coast. Why offer so much choice? XM Satellite Radio has to appeal to a wide range of tastes, with more than 9 million subscribers. And it's standard on Terrain SLE-2, SLT-1 and SLT-2 models. Ask your dealer for more information.

† Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for details.

TERRAIN MODEL OVERVIEW

Terrain is offered in a selection of four attractive models, all available with your choice of front-wheel or all-wheel drive. To help you find the one that's just right for you, some of the major features that differentiate one Terrain model from the other are listed below.

TERRAIN SLE-1

The following features are included:

- 182-hp ECOTEC 2.4L I-4 engine with Direct Injection and Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- Engine block heater
- 6-speed automatic transmission
- 4-wheel disc brakes with ABS, Panic Brake Assist and Hill Start Assist
- StabiliTrak electronic stability control system
- Traction control
- 4-wheel independent suspension
- Fog lights
- Projector style headlights
- 17" painted aluminum wheels
- Deep-tinted glass on all windows behind front doors
- Heated, power exterior mirrors, manual folding
- Rearview camera system
- Remote keyless entry system
- Content theft alarm
- 6 air bags
- Driver Information Centre
- Compass
- Ambient lighting on centre stack surround, centre console and cupholders
- Auto-dimming interior rear-view mirror
- Air conditioning with air filtration system
- Power windows and door locks
- Tilt and telescoping steering column
- Cruise control
- 4-way driver seat with manual fore/aft, power up/down and power lumbar
- 60/40 split-folding Multi-Flex rear seats with the ability to slide 200 mm (7.9-in.) fore/aft and 3-position recline

- 6 speaker 80-watt sound system with CD player, MP3 playback, auxiliary audio input jack and USB port in centre stack
- OnStar® with 6 months of the Directions & Connections Plan with Turn-by-Turn Navigation.

TERRAIN SLE-2

Terrain SLE-2 models include the equipment of Terrain SLE-1 plus the following features and upgrades:

- Charcoal roof rack side rails
- Automatic climate control with air filtration system
- Leather-wrapped steering wheel with sound system controls
- Ambient lighting on instrument panel
- Premium cloth seating
- Power 8-way driver seat adjuster
- XM Satellite Radio**

- Bluetooth® connectivity
- Pioneer® premium 250-watt 8-speaker sound system.

TERRAIN SLT-1

Terrain SLT-1 models include the equipment of Terrain SLE-2 plus the following features and upgrades:

- Remote vehicle starter system
- Tire pressure monitoring system
- Perforated leather-appointed seating surfaces
- Heated front bucket seats.

TERRAIN SLT-2

Terrain SLT-2 models include the equipment of Terrain SLT-1 plus the following features and upgrades:

- Ultrasonic rear parking assist
- Chrome door handles
- Chrome exterior mirror caps
- Chrome rear skid plate
- Chrome roof rack side rails
- Power sunroof
- Programmable power rear liftgate
- Ambient lighting on inside door handles and door storage pockets
- Memory settings for driver seat and exterior rear-view mirrors.

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers.

** Available in all 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for more details.

UNMISTAKABLY YOURS.

Genuine GMC Accessories are the best way to take your new Terrain's exceptional style, performance and versatility to an even higher level. To ensure outstanding fit, finish and performance, all GMC Accessories are engineered to the same high standards as your Terrain. That's why they can be covered under the 3-year/60,000 km New Vehicle Limited Warranty.* Ask your dealer for a complete listing of the GMC Accessories to help you make your Terrain unmistakably yours. Or visit gm.ca

* Whichever comes first, when permanently installed by the dealer at the time you purchased your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of your vehicle purchase, but no less than 12 months.

SOME AVAILABLE GMC ACCESSORIES FOR TERRAIN INCLUDE:

- Premium all-weather floor mats
- Chrome door handles
- Moulded splash guards
- Chrome fuel door
- 19" chrome wheels
- Cargo area organizer
- Rear fascia protector
- Roof rack cross bars
- Trailer hitch
- Side-window weather deflectors.

S – Standard

O – Optional individually or in combination with other optional equipment.

1 – Includes dual chrome-tipped exhaust, 18" x 7" machined aluminum wheels, P235/55R18 tires, hydraulic power steering, 1588 kg (3500 lb.) towing capacity and 79 L (17.4 imp. gal.) fuel tank.

2 – Included with available Convenience Package.

3 – Included with available Cargo Management Package.

4 – Included with available 18" x 7" machined aluminum wheels.

5 – Included with available 18" x 7" chrome-clad aluminum wheels.

6 – Includes P235/55R18 all-season** tires. Also included with available 3.0L DOHC V6 engine.

7 – Includes P235/55R18 all-season** tires. Requires available 3.0L DOHC V6 engine.

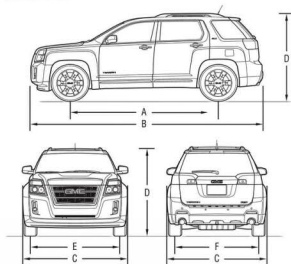

8 – At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.

† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

‡ Available in 10 Canadian provinces and 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for more details.

TOWING

2.4L ECOTEC I-4 V-T with Direct Injection and 3.23 (FWD) or 3.53 (AWD) final drive ratio: 680 kg (1500 lb.) maximum gross trailer weight†
3.0L DOHC V6 V-T with Direct Injection and 2.77 final drive ratio: 1588 kg (3500 lb.) maximum gross trailer weight†

Every Terrain model is flat towable.

† When properly equipped, includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination. See your dealer or refer to the Terrain Owner's Manual for details.

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge**
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs)*

*Whichever comes first. Conditions and limitations apply, see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS**

- **GM Protection Plan (GPP)** – The only extended service plan backed by the resources and commitment of General Motors. GPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

**Conditions and limitations apply.

TO HELP YOU PURCHASE A NEW VEHICLE:

- **Purchase Financing** – on the spot financing at your GM dealership*
- **GM Student Bonus Program** – students or recent graduates of high school, college or university** may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750† (tax inclusive) (purchased vehicle dependent) to use towards the purchase, lease or finance of one eligible new GMC vehicle.
- **The GM Card** – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles††. For full program details please visit thegmcard.ca

† Subject to eligibility. †† Program subject to change. **Conditions and limitations apply.

- The GM website at gm.ca
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, GMC, Terrain and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as ECOTEC, Multi-Flex and StabiliTrak are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.
