NISSAN BUSINESS ADVANTAGE™

Your business & fleet is our priority

Businesses come in all shapes and sizes, so why shouldn't your work vehicle? Find your perfect vehicle for business with Nissan Business Advantage — where benefits meet your needs seamlessly.

What's the right size fleet for the job?

You could be starting a new business, expanding an existing business, or somewhere in between. Whatever the case, we can help you build a fleet to suit your business needs.

Small fleets are still a big business to you, and we know it's important to have a partner you can trust. That's why you'll find a variety of great programs, including availability for Roadside Assistance, unique sales incentives, and more.¹

Large fleets of 16 or more vehicles receive small-fleet benefits as well as enhancements, including volume-based incentives, a Regional Fleet Sales Representative to attend to your needs, and more.

OFFERS AND INCENTIVES

Financing & customization made easy

Nissan Motor Acceptance Company (NMAC) provides a line of credit (LOC) that is not only customized for your business needs but also helps streamline your lease or purchase process.

BUSINESS & FLEET INCENTIVE OFFERS

Nissan Business & Fleet customers have access to exclusive discounts and incentive programs, including vehicle incentives, financing, upfits & graphics, and service & maintenance programs, to fit your business needs. Special commercial lending is available; contact your local dealership for more information.^{2,3}

TRAC Leasing is a popular fleet financing solution for NMAC business customers. It's a Terminal Rental Adjustment Clause (TRAC) lease for vehicles used more than 50% of the time in trade or business of the lessee. A TRAC Lease is a unique version of the Fair Market Value (FMV) lease.

FRANCHISE VEHICLE SALES PROGRAM

Special incentives for franchisees

A unique part of Nissan Business & Fleet's platform is our Franchisee Program. The purpose of the Franchisee Program is to provide eligible distributors/franchisees the buying power of their collective group and, as such, make them eligible for our special franchisee incentive for individual vehicle needs.

Requirements for eligibility

A Nissan Fleet Certification Code is required. Franchisees don't need to show the number of vehicles in operation. Franchisees do have to provide documentation to the Nissan Fleet Department that they are, in fact, a distributor/franchisee of one of the accepted parent companies when applying for the cert code.

GOVERNMENT AND NONPROFIT

Special incentives for government and nonprofit organizations

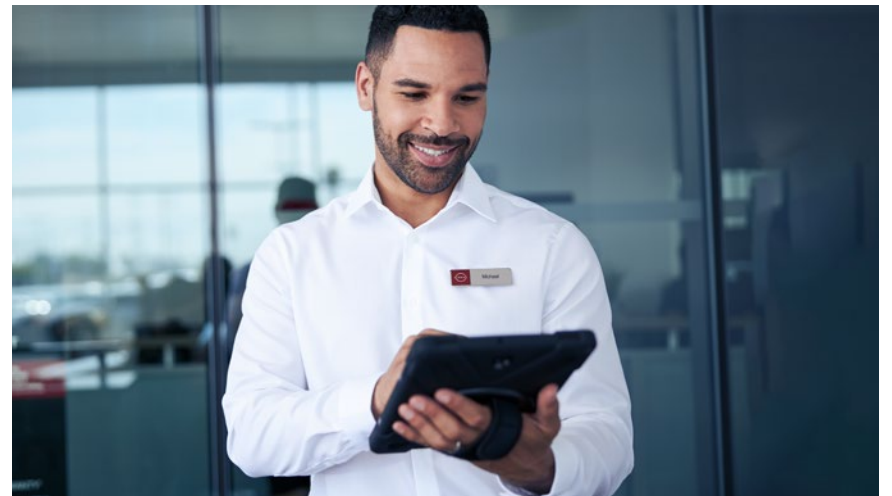

The Nissan Business & Fleet platform also offers special incentive tiers for government and nonprofit organizations. All local and state government entities qualify, without volume requirements, for these very robust incentives. The same discounts apply toward purchases made by nonprofit organizations. (You may verify your status and eligibility by utilizing the Tax Exempt Organization Search on [irs.gov](https://www.irs.gov).)³

ON-DEMAND DELIVERY

We bring your fleet to you

Your business deserves the best — that's why every one of our business and fleet vehicles is available to customize based on your needs. When it's time to get your business going, we bring your vehicle or fleet to you.

Get your vehicle from our stock or built-to-order

Find the perfect Nissan for your business or make a custom-fit for your line of work with available Genuine Nissan Accessories.⁴

Courtesy delivery

Let us handle the hard part. We deliver your fleet vehicles anywhere in the U.S., so you don't have to worry.

SERVICE AFTER SALE

We keep your business on the road

Your purchase is only the beginning of our commitment to your business. We can help ensure your fleet stays in good working condition for years to come.

Roadside Assistance

Our commercial vehicles come with the confidence of Roadside Assistance, offering lock-out help, towing services, emergency fluid delivery, tire changes, and dead-battery jump-start service.¹

Priority service

Get your vehicle back to work sooner with First Bay Service, which helps you skip to the front of the line when your vehicles need care.

Loaners

Get a free loaner on us while your business vehicle is undergoing maintenance under warranty or oil changes. (Check with your local dealer for availability.)⁵

Prepaid maintenance

Plan ahead with a variety of available prepaid maintenance plans with flexibility to accommodate your schedule.⁵

Extended protection plans

Add impressive long-term coverage for mechanical repairs beyond the terms of the factory warranty. Choose from a range of plan options for your needs.^{4,5}

MyNISSAN Rewards®

Get rewarded when you bring in your vehicle for service. Apply for the Nissan Visa® card and earn points on every purchase you make, redeemable toward vehicle service, purchase, or cash back. See your local dealer for details.⁶

Centralized billing

Consolidate your Nissan service invoices into one monthly bill online, and set pre-authorization limits for automatic approvals.

WARRANTIES

Our commitment to your fleet

New Vehicle Limited Warranties

Nissan vehicles are covered by a new vehicle limited warranty, and almost all come with a 3-year/36,000-mile (whichever occurs first) limited warranty and a 5-year/60,000-mile (whichever occurs first) limited warranty for powertrain components. See your dealer or warranty information booklet for relevant information.⁴

UPFIT PACKAGES

Customize your Nissan with a set of accessories to suit your business needs. Add shelving, roof units, cooling units, hangars, cargo conversions and more, all designed with efficiency and ease of use in mind. Upfit Allowances of up to \$500 apply to qualifying customers.²

Nissan LEAF® Limited Battery Warranty

Every Nissan LEAF is backed by a New Vehicle Limited Warranty providing: 3-year/36,000-mile (whichever occurs first) basic coverage; 5-year/60,000-mile (whichever occurs first) powertrain and electric vehicle system coverage; and 8-year/100,000-mile (whichever occurs first) lithium-ion battery coverage.^{4, 8}

POPULAR FLEET VEHICLES

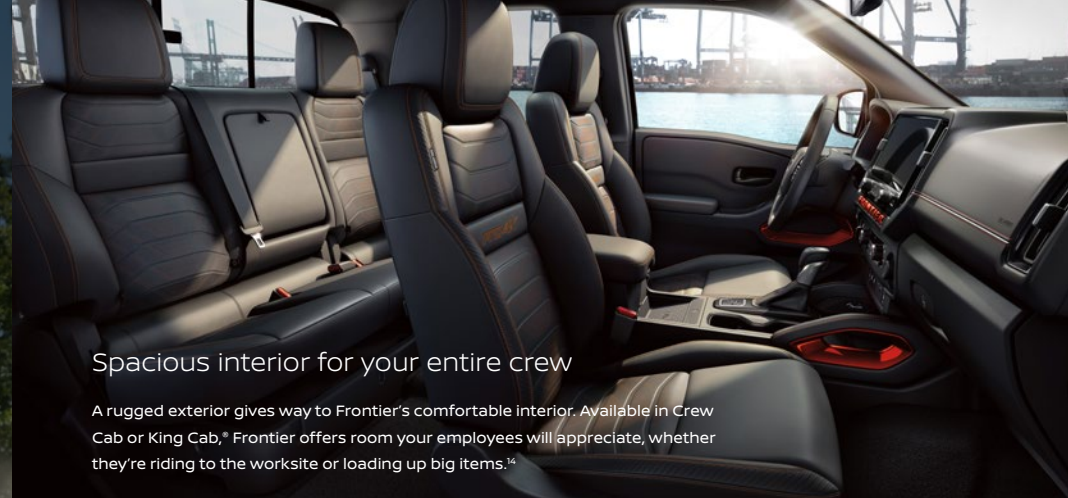

Let's take a look at some
of our top fleet vehicles

NISSAN FOR YOUR BUSINESS: **FRONTIER**®

We help you take on the big jobs

Nissan Frontier® Crew Cab PRO-4X® shown with up to 1,220 lbs. maximum payload capacity.¹⁹

Spacious interior for your entire crew

A rugged exterior gives way to Frontier's comfortable interior. Available in Crew Cab or King Cab,® Frontier offers room your employees will appreciate, whether they're riding to the worksite or loading up big items.¹⁴

Bed utility

The available Utili-track® system consists of three channels plus two heavy-duty cleats that let you position stable tie-down points practically anywhere.¹⁴

Rear under-seat storage

When you need to keep items hidden but within reach, the rear seats flip up to reveal additional cargo space.^{9, 14}

Smartphone integration

Keep up-to-date with clients, vendors, meetings, and more with a dash that comes packed with tech that connects to your compatible smartphone, like available wireless Apple CarPlay.^{16, 17}

Wireless charging

Keep your compatible smartphone charged up using the available wireless charging pad so you never miss out on important business communications.¹⁶

Advanced safety technology

Get some help with driver assist and safety technologies like standard Automatic Emergency Braking with Pedestrian Detection and Rear Automatic Braking.^{15, 23, 24}

A modern dash keeps you in touch with your clients and team

With a large touch-screen display, navigation, Bluetooth® Hands-free Phone System and USB ports, Frontier helps keep you connected to your business.^{9, 16, 17, 29}

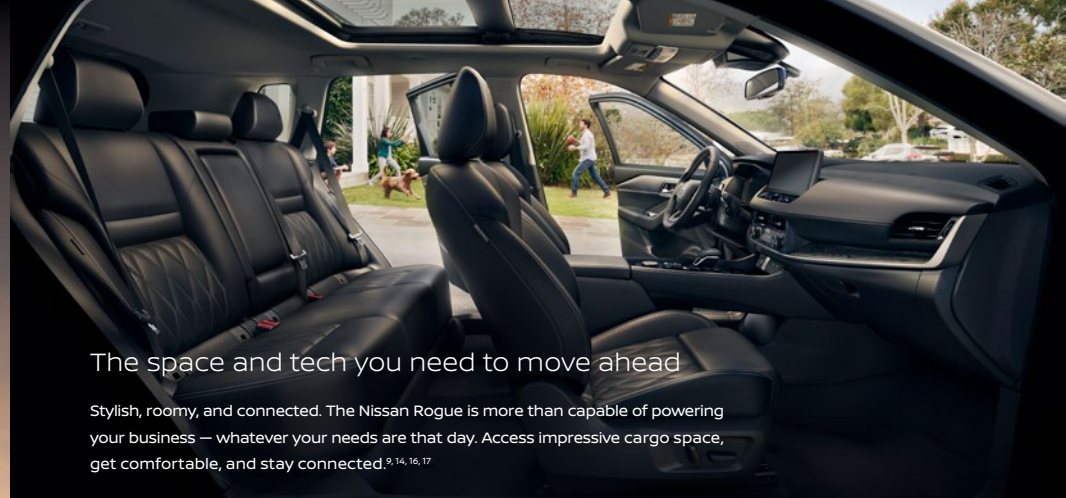

Big power for big projects

Tackle your next big project with confidence. With a standard 310-hp, 3.8L V6 and 9-speed automatic transmission, you tow with power and control.³²

Nissan Frontier® Crew Cab PRO-4X® shown with up to 1,220 lbs. maximum payload capacity and up to 6,680 lbs. maximum towing capacity.^{18, 19}

NISSAN FOR YOUR BUSINESS: **ROGUE**®

Make room for your next opportunity

The space and tech you need to move ahead

Stylish, roomy, and connected. The Nissan Rogue is more than capable of powering your business — whatever your needs are that day. Access impressive cargo space, get comfortable, and stay connected.^{9, 14, 16, 17}

Impressive fuel economy

Stretch your miles and improve your bottom line. With impressive fuel economy plus Eco Mode, Rogue provides you with a great mix of efficiency, space, and power.^{12, 14}

Wireless Android Auto™ compatibility

Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or long-press the voice control button on your steering wheel to get started.^{9, 16, 17, 28, 29}

Wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with available Siri® voice control, wireless Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Rogue. Simply connect your compatible iPhone® and go.^{9, 16, 17, 28, 29}

Wireless charging

Keep your compatible smartphone charged up using the available wireless charging pad so you never miss out on important business communications.¹⁶

Digital displays

Rogue's available 12.3" intuitive touch-screen display, Head-Up Display (HUD), and customizable 12.3" digital dashboard keep you in the know.^{17, 30, 31}

Cargo versatility for your next project

Configure your cargo space to match your business needs. Loading up? With all seats down, Rogue boasts up to 74.1 cu. ft. of cargo space. Need to bring long items? Fold down the second row for an impressive 72" of space. And with the innovative Divide-N-Hide® shelving system, you can store items in a number of configurations, even hiding items out of sight.^{9, 14}

Nissan Safety Shield® 360

An available suite of driver assist and safety technologies can help you drive with more confidence.¹⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

NISSAN FOR YOUR BUSINESS: **ALTIMA**®

A ride that's designed with you in mind

Give your clients a premium, high-tech welcome

Bringing clients into your Altima is like bringing them to your office. Make a great first impression with a vehicle filled with stylish touches, comfortable space to stretch out, and technology that wows. With the available NissanConnect® 12.3" color display, you'll stay seamlessly connected and in the know.¹⁷

Find the trim that best fits your needs

Want to stand out from the crowd? Altima comes in two trims, including the sporty SR trim or the popularly equipped SV trim.

Wireless Android Auto™ compatibility

Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or long-press the voice control button on your steering wheel to get started.^{9, 16, 17, 28, 29}

Wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with available Siri® voice control, wireless Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Altima. Simply connect your compatible iPhone® and go.^{9, 16, 17, 28, 29}

Cargo

Flexible cargo space lets you bring supplies, move long items with 60/40-split seats, or pack away your clients' luggage with room to spare. Enjoy up to 15.4 cu. ft. of cargo room and 58.1 cu. ft. with the rear seats folded down for additional storage.¹⁶

Wi-Fi Hotspot

Turn your Altima into a connectivity hub with an available Wi-Fi Hotspot that can allow for connections from up to seven devices.^{16, 17, 30}

Intelligent All-Wheel Drive for multiple road conditions

The Nissan Altima with available Intelligent All-Wheel Drive constantly monitors road conditions and can adapt in an instant to rain, snow, and other weather patterns.¹¹

Nissan Safety Shield® 360

A standard suite of driver assist and safety technologies can help you drive with more confidence.¹⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

NISSAN FOR YOUR BUSINESS: **PATHFINDER®**

Expand your capabilities

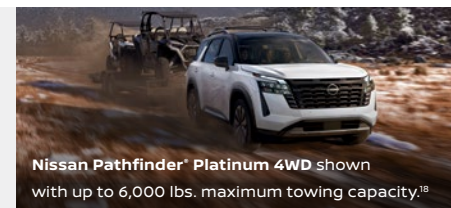

Seats up to eight

Three rows of well-appointed seating for up to eight adjust to keep team members comfortable. An available Wi-Fi Hotspot helps keep you connected.¹⁷

Bring your bigger tools

With more power comes more gear in tow, and Pathfinder not only produces 259 lb.-ft. of torque, but it also has the ability to tow up to 6,000 pounds of your work gear.¹⁸

Nissan Pathfinder® Platinum 4WD shown with up to 6,000 lbs. maximum towing capacity.¹⁸

Wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with available Siri® voice control, wireless Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Pathfinder. Simply connect your compatible iPhone® and go.^{9, 16, 17, 28, 29}

Wireless Android Auto™ compatibility

Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or long-press the voice control button on your steering wheel to get started.^{16, 17, 28, 29}

Intelligent 4WD

Keep your business on the move, even in inclement weather. The Nissan Pathfinder with available Intelligent 4WD constantly monitors road conditions and can adapt in an instant to changing weather, such as rain and snow.¹¹

HD Enhanced Intelligent Around View® Monitor

Help keep your Pathfinder safe from bumps and scratches with a 360° composite bird's-eye view of the area around your vehicle.^{9, 20, 21}

Cargo versatility: Bring more of your work equipment

Big tools need lots of room — Pathfinder handles it all with ease. Fold the second and third rows, and you've got access to a huge 80.5 cu. ft. of space. Want to keep items away from prying eyes? Use the under-floor storage to help keep valuables safe.¹⁴

Nissan Safety Shield® 360

A standard suite of driver assist and safety technologies can help you drive with more confidence.¹⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

NISSAN FOR YOUR BUSINESS: KICKS®

It's a clean sweep

UP TO
35 HWY MPG¹²

Impressive highway mpg helps keep money in your pocket

Stay on the road longer with 35 highway mpg that helps to stretch every last dollar. And with ample cargo space, Kicks lets you take more, farther.^{12, 14}

Intelligent All-Wheel Drive

The available Intelligent All-Wheel Drive system with four Drive Modes adjusts torque, shifting, and throttle response to optimize your driving experience. On snow days, use Snow Mode to help you make tracks. This advanced system helps enhance your confidence on the road.¹¹

Wireless smartphone connectivity

With wireless smartphone connectivity, stay effortlessly connected. Enjoy hands-free navigation, calling, and texting with wireless Apple CarPlay[®] and Android Auto.[™] ^{9, 16, 17, 28, 29}

Wireless charging

Place your compatible smartphone on the available wireless charging pad, and Kicks does the rest. An indicator light will let you know when your compatible smartphone is charging.¹⁶

Bose Premium Audio

The available Bose Personal[®] Plus Audio System gives you control. With Bose UltraNearfield[™] speakers in the driver's and front-passenger's headrests, it's like having headphones for your drive. Want to share? Create a soundstage that fills the whole car for a revolutionary audio experience.

Dual 12.3-inch displays

Say hello to the breathtaking, available dual 12.3" displays that are tablet-inspired but future-driven. The customizable displays operate similarly to your smart devices and flow together to give you one seamless viewing experience.^{17, 30}

Spacious cargo: Need it? Bring it!

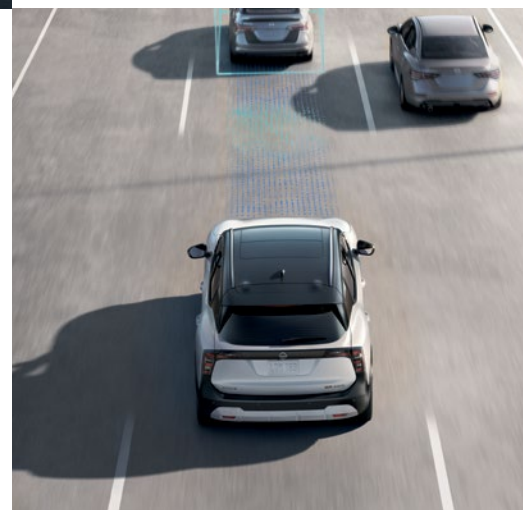

Flip and flex your cargo space in an instant. With all seats up, you have up to 30 cu. ft. of cargo volume. Need to bring longer items? Drop down the 60/40-split 2nd-row seats and make use of 55.7" of maximum length.¹⁴

Nissan Safety Shield[®] 360

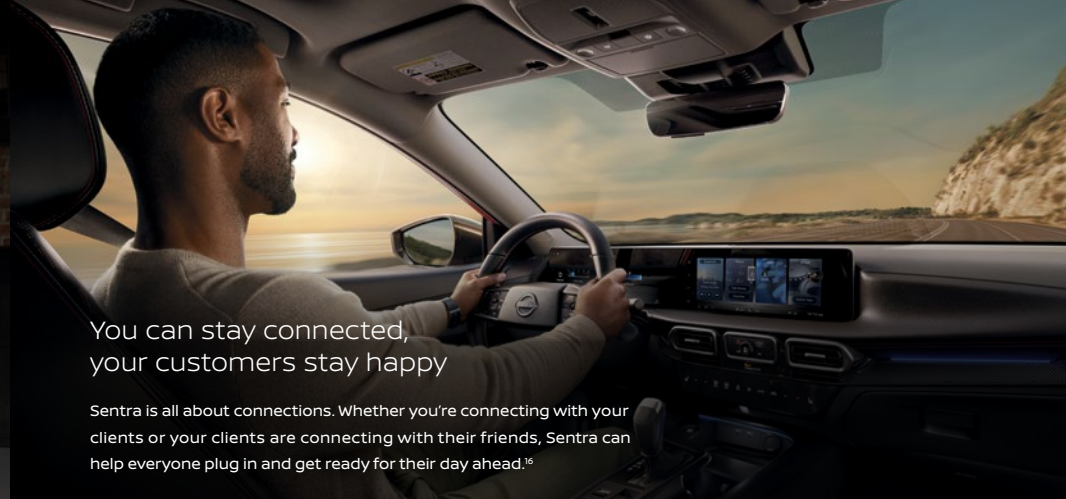

A standard suite of driver assist and safety technologies can help you drive with more confidence.¹⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

NISSAN FOR YOUR BUSINESS: **SENTRA**®

Deliveries or drop-offs,
we've got you covered

You can stay connected,
your customers stay happy

Sentra is all about connections. Whether you're connecting with your clients or your clients are connecting with their friends, Sentra can help everyone plug in and get ready for their day ahead.¹⁶

Intelligent Around View® Monitor

Help keep your Sentra safe from bumps and scratches with a 360° virtual composite bird's-eye view of the area around your vehicle.^{9, 20, 21}

USB-C ports

Keep yourself and your customers charged up with convenient USB-C ports throughout the cabin.^{5, 16}

Remote Engine Start System

Your Nissan Intelligent Key® can start your Sentra remotely, getting it ready for you before you even step out the door.^{5, 22}

Seating

Everyone rides in comfort in a spacious interior that seats up to five.

Cargo

Load up clients and their luggage seamlessly and comfortably. With 14.3 cu. ft. of trunk space and a 60/40-split folding rear seat, you can also bring larger items with ease.¹⁴

UP TO **38** HWY MPG¹²

Stretch your miles

Sentra's impressive fuel economy means you get more miles between fuel ups.¹²

Nissan Safety Shield® 360

An available suite of driver assist and safety technologies can help you drive with more confidence.¹⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

NISSAN FOR YOUR BUSINESS: **LEAF**

Go fully electric & save

EPA-estimated range up to

303

miles
on LEAF S+¹²

Take command of Nissan's most advanced model

Introducing the third-generation Nissan LEAF. Built on time-tested EV technology with over 18 billion miles driven worldwide, the new LEAF raises the bar for electric vehicles with a striking new crossover design, advanced connected features, and access to a fast-growing charging network you can trust.^{17, 33}

Wireless smartphone connectivity

With wireless smartphone connectivity, stay effortlessly connected. Enjoy hands-free navigation, calling, and texting with wireless Apple CarPlay[®] and Android Auto.[™] 9, 16, 17, 28, 29

Drive Modes

Simply select between four Drive Modes, including Standard, Eco, Sport, and Personal, to adjust your LEAF's performance to match your driving preference.

ProPILOT Assist

Available ProPILOT Assist can help maintain a preset distance between you and the car ahead, keep you centered in your lane, and help ease the burden of stop-and-go driving so you can drive through traffic with more confidence.³⁴

Regen Breaking

The e-Step technology allows you to use the motor to slow vehicle speed by simply letting off the pedal while helping to improve range by recapturing energy as well.³⁵

Connected technology

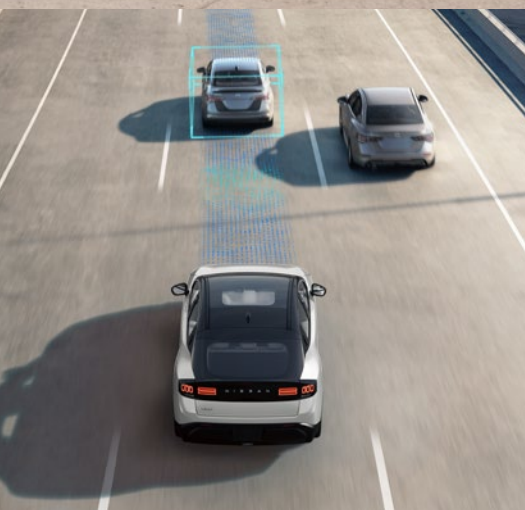

Choose how you control your drive. Tap the stunning 28-inch monolith display to command digital gauges, infotainment, and apps with precision. Or, use your voice to manage navigation, climate, and more with Google built-in.^{17, 29, 30, 36}

Nissan Safety Shield[®] 360

A standard suite of driver assist and safety technologies can help you drive with more confidence.³⁵

- Automatic Emergency Braking with Pedestrian Detection²³
- Rear Automatic Braking²⁴
- Rear Cross Traffic Alert²⁵
- Blind Spot Warning²⁶
- Lane Departure Warning²⁷
- High Beam Assist

Flex your cargo space in a snap

With both rear seats up, you have plenty of room to bring the tools of your trade. Drop them down, and you'll find 55.5 cu. ft. of cargo space for when you need to bring more. The available Motion Activated Liftgate and available Divide-N-Hide[™] Cargo System add even more convenience and versatility to manage your cargo effortlessly.³⁴

Additional Claims & Offers Information

1 Roadside assistance coverage period varies by model year and model. Includes Trip Interruption benefits. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet.

2 Upfit solutions (i.e., upfit parts, upfit services, vehicle graphics and pre-paid maintenance plans) are sold separately. Commercial Upfit Allowance Program ("Truck Upfit Program") available only on 2026 Frontier models when purchased from new Nissan dealer stock for fleet business purposes by a business entity/owner during the Truck Upfit Program period. Truck Upfit Program not available to rental car companies or retail customers. Proof of eligibility required and other restrictions/exclusions apply — contact your fleet or Dealer representative for full Truck Upfit Program details. Upfit solutions that are not Genuine Nissan Accessories ("Third-Party Upfit Solutions") are not designed, manufactured, tested, or warranted by Nissan. Some Third-Party Upfit Solutions may not be compatible with your vehicle. Contact Third-Party Upfit Solutions product manufacturer before purchase for information on compatibility and warranty. Nissan does not warrant and is not responsible for the safety or quality of any Third-Party Upfit Solutions, modifications made by a thirdparty manufacturer or installer, or for loss (including consequential, incidental, or other damages) caused by Third-Party Upfit Solutions' defects, incompatibility, or installation services. Contact your Dealer or read your vehicle's Warranty Information Booklet. Truck Upfit Program is subject to change at any time and/or is subject to termination without notice.

3 Any incentives referenced are for informational purposes only. This information does not constitute tax or legal advice. All persons considering use of available incentives should consult with their own tax or legal advisor to determine eligibility, specific amount of incentives available, if any, and further details. Interested parties should confirm the accuracy of the information before relying on it to make a purchase. Residency restrictions may apply.

4 For complete limited warranty details, see your Nissan dealer and read the vehicle's Warranty Information Booklet.

5 **Read a sample Security+Plus contract at your dealer, and read your actual service contract because its terms, conditions, exclusions, and limitations control.** In Florida, Security+Plus is backed by Nissan Extended Services North America, Inc., P.O. Box 685004, Franklin, TN 37068-5004. License #60128. Security+Plus® is a trademark of Nissan North America, Inc.

6 Dealer participation may vary. See your dealer for restrictions on eligible services. Sales Dollars not valid in all states. Reward Points have no independent monetary value and may not be otherwise redeemed for cash, merchandise, or any other benefit outside of those specified under the MyNISSAN Rewards program. Reward Points can only be used at the dealership at which they were rewarded.

8 The Nissan lithium-ion battery and battery capacity limited warranty includes coverage for defects in materials or workmanship for 96 months/100,000 miles (whichever occurs first) as well as protection against capacity loss below 9 segments of capacity (out of 12) as shown on the vehicle's capacity gauge for a period of 96 months/100,000 miles (whichever occurs first). For complete information concerning coverage, conditions, limitations, and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet.

9 Feature availability varies by vehicle model year, model, trim level, packaging and options.

10 Horsepower varies by trim level and use of fuel grade. Contact dealer for details.

11 Intelligent All-Wheel Drive and Intelligent Four-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions.

Actual mileage may vary with driving conditions. Use for comparison only. 30 City MPG / 38 Highway MPG / and 33 Combined MPG for Sentra® S, SV. 29 City MPG / 36 Highway MPG / and 32 Combined MPG for Sentra SR and SL.

13 Depending on vehicle configuration.

14 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

15 Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information.

16 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included.

17 See **NissanUSA.com/connect/legal** for more NissanConnect features/services information.

18 Up to 8,500 lbs. maximum towing for 2026 Armada. Up to 7,150 lbs. maximum towing for 2026 Frontier King Cab® 4x2; 7,000 lbs. for Frontier King Cab® 4x4; 7,070 lbs. for Frontier Crew Cab 4x2; 6,960 lbs. for Frontier Crew Cab 4x4; 6,920 lbs. for Frontier Crew Cab Long Bed 4x2; and 6,760 lbs. for Frontier Crew Cab Long Bed 4x4. Up to 1,500 lbs. maximum towing for 2026 Murano. Up to 6,000 lbs. maximum towing for 2026 Pathfinder. Up to 1,500 lbs. maximum towing for 2026 Rogue. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Always secure cargo.

19 Up to 1,590 lbs. maximum payload for 2026 Frontier King Cab® 4x2; 1,430 lbs. for Frontier King Cab® 4x4; 1,490 lbs. for Frontier Crew Cab 4x2; 1,330 lbs. for Frontier Crew Cab 4x4; 1,400 lbs. for Frontier Crew Cab Long Bed 4x2; and 1,200 for Frontier Crew Cab Long Bed 4x4. Payload varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo.

20 Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information.

21 Virtual composite 360° view.

22 Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location.

23 Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

24 Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information.

25 Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety

information.

26 Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information.

27 Lane Departure Warning only operates when lane markings or road edge (if equipped) are able to be detected. See Owner's Manual for safety information.

28 Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply.

29 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

30 Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

31 Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information.

32 Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Always secure cargo.

33 Estimated miles driven by Nissan LEAF owners globally since 2010.

34 ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.

35 e-Step does not bring the vehicle to a complete stop. Monitor traffic conditions and use conventional brake as needed. See Owner's Manual for safety information.

36 Feature availability varies by vehicle model year, model, trim level, packaging and options. **Consumer activation of NissanConnect® Services PREMIUM package ("Package") required.** Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or

restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.
