

2027 GENESIS GV60 MAGMA

[GENESIS.COM/GV60MAGMA](https://www.genesis.com/gv60magma)

DESIGN

Unspoken Dominance

1

Distinctive interior and exterior design centered on a wide body.

Applied Magma-exclusive design with wide-body stance to deliver high-performance differentiation.

TECHNOLOGY

Captivating Control

2

High-speed stability enabled by ample power and precise control.

Ensures long-distance stability and balance in high-performance driving through ample power and precise control.

HIGH-PERFORMANCE

Sharpened Immersion

3

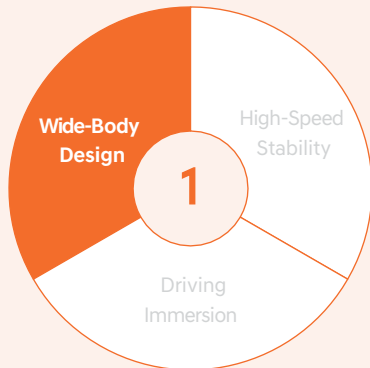

Emotional immersion that enhances the driving experience.

Maximizes driving immersion with curated interface enabled by Magma-exclusive HMI.

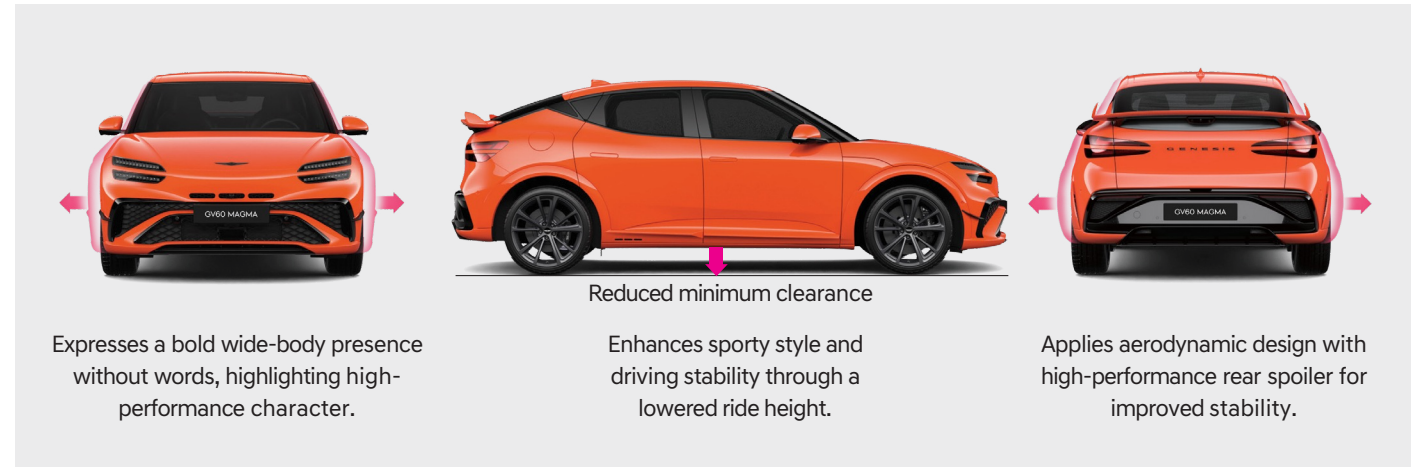

Wide-Body Design

1

GV60 Magma reveals a bold presence with a sporty wide-body design and maximizes high-performance capability. The Magma-exclusive interior delivers unique emotional appeal through a configuration optimized for extreme driving and refined details.

Exterior Design Differentiation

Interior Design Differentiation

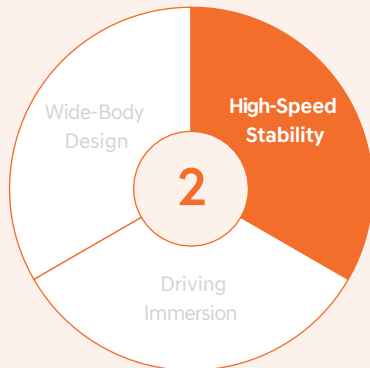

A Magma-exclusive interior with steering wheel, bucket seats, and metal pedals, creating a cabin infused with Magma spirit.
- Obsidian Black monotone interior. (Magma Orange stitching / Ash White stitching)

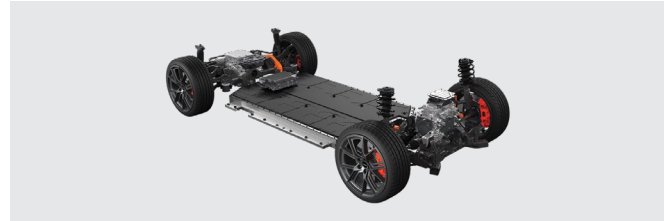

High-Speed Stability

2

GV60 Magma delivers a pure dynamic driving experience through effortless high-speed performance, predictable acceleration, agile handling, and intuitive braking. At the same time, it offers the luxury refinement unique to Genesis, combining quietness and comfort for a high-performance EV where performance and comfort achieve perfect harmony.

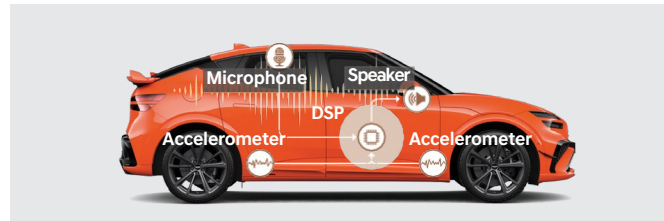

PE System

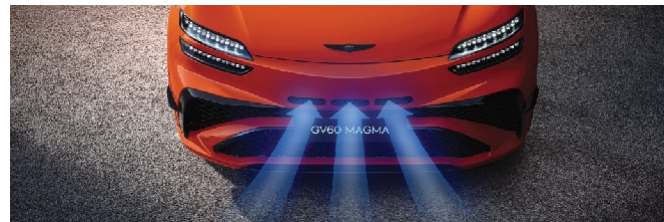

Delivers class-leading 641 hp (Boost Mode) and 164 mph top speed with effortless acceleration and predictable response.

NVH Performance

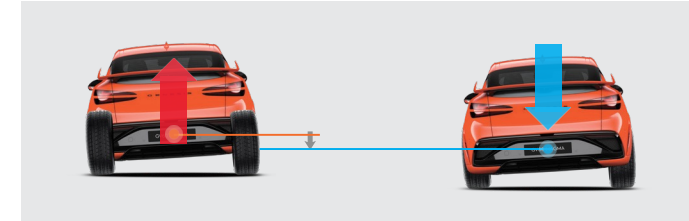

Offers premium quietness even in high-performance driving with sound-absorbing tires and noise-reducing glass.

Cooling Performance

Enhances cooling capability with integrated radiator to maximize extreme driving performance.

R&H Performance

Ensures both everyday comfort and high-speed stability through new geometry and high-performance components.

Braking Performance

Delivers braking feel and capability that satisfy both comfort in daily driving and dynamic performance.

Safety Performance

Safety is enhanced with Genesis' first bucket seat external center side airbag.

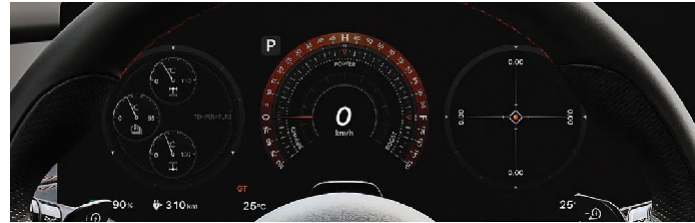

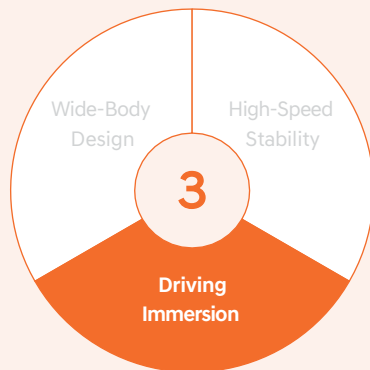

Driving Immersion

3

GV60 Magma delivers curated interfaces through Magma-exclusive HMI such as AVN, cluster, and HUD.

Provides ultimate sensory immersion with Virtual Gear Shift (VGS) and electric Active Sound Design+ (e-ASD+).

Offers Genesis-exclusive high-performance driving experiences with Drive Mode, Launch Control, Boost Mode, and Drift Mode.

Maximizes immersive driving with Magma-exclusive AVN, cluster, and HUD high-performance content.

Sensory Differentiation

Enhances sensory immersion through distinctive shifting feel and virtual driving sound with Virtual Gear Shift (VGS) and electric Active Sound Design+ (e-ASD+).

Performance Differentiation

Delivers a unique Genesis high-performance EV driving experience with Drive Mode, Launch Control, Boost Mode, and Drift Mode.

GENESIS GV60 MAGMA

Built on Genesis fundamentals, GV60 Magma embodies dynamic design and distinctive high-performance driving, pursuing a balance of performance and luxury. It delivers immersive engagement and the pure joy of driving.

*MAGMA Meaning

Like magma that appears calm on the surface yet holds intense energy within, GV60 Magma reflects Genesis' luxury high-performance philosophy. Rather than ostentatious or aggressive forms, it emphasizes the presence of unseen power.

A PERFORMANCE-FOCUSED FRONT IMAGE WITH A WIDE, STABLE STANCE

Triple-Hole Design

A triple-hole structure linked with the front camera to expand cooling capacity and create a distinctive front fascia.

Front Bumper

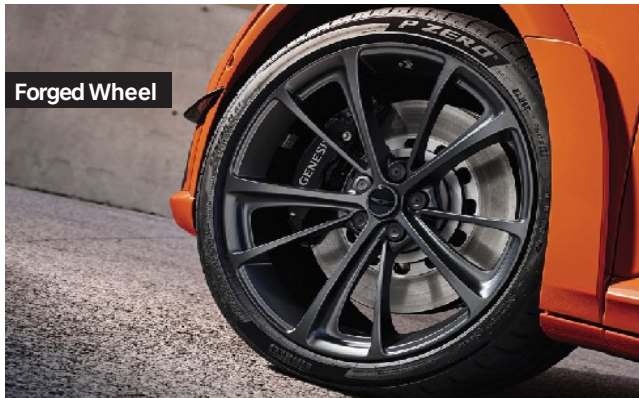

Wide & low architecture with an aerodynamic three-dimensional sporty front bumper design.

Canard Wing-Type Garnish

Sculpted canard wings (side aero fins) and bumper side holes designed to reduce front lift and enhance high-speed stability.

New 21-inch Forged Wheel

Lightweight forged wheels that improve steering response and high-speed safety, with a sharp and dimensional Magma-exclusive 21-inch performance wheel design.

Magma-Exclusive Black Emblem & Lettering

Magma-exclusive black emblem and lettering to deliver a refined and differentiated presence.

COMPLETES THE POWERFUL PRESENCE OF A HIGH-PERFORMANCE EV WITH A SCULPTED BLACK BUMPER AND WING-TYPE REAR SPOILER

Rear Bumper

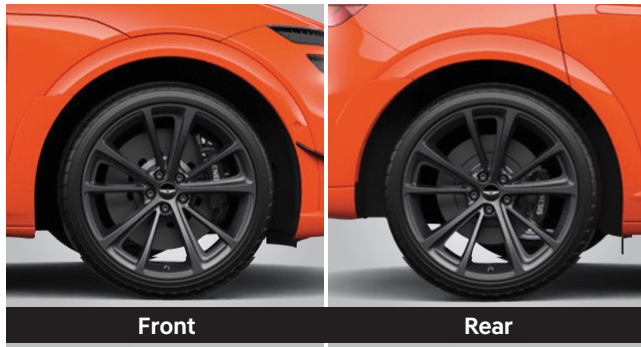

Creates a sporty yet refined rear image with a sculpted structure and black-finished bumper design, enhancing both visual dynamism and premium character.

Wing-Type Rear Spoiler

Exclusive wing-type rear spoiler with extended size and kick-up design improves both lift and drag, completing the dynamic presence of a high-performance EV.

Front & Rear Fender Garnish

Widened front & rear fender trim with integrated holes and air vents enhance airflow around the wheels, reducing drag.

Side Skirt

Side skirt design optimized for downforce and high-speed stability strengthens the sporty exterior impression.

Black DLO Molding

Black DLO molding emphasizes wide & low architecture, delivering a premium and athletic side profile.

A SPORTY, MAGMA-EXCLUSIVE INTERIOR THAT CONVEYS HIGH-PERFORMANCE SPIRIT WITH PREMIUM SOPHISTICATION

Steering Wheel

Smaller emblem and mechanically inspired Magma button create tight proportions and a sporty racing wheel feel, reinforcing the high-performance image.

Front Bucket Seats

✓ Key Features

- Lowered seating position with enhanced thigh support to deliver an optimal high-performance driving posture.
- Reinforced side bolsters for improved support during cornering.
- Cushion soft sponge applied to create a refined and premium seating feel.
- Equipped with ventilation, heating, memory, and cushion extension functions.

Genesis' first electric 10-way bucket seats deliver the look of high-performance racing seats while providing comfort in daily driving and firm support during dynamic driving.

Magma-Exclusive Metal Pedal Pattern

Boldly designed Magma-exclusive metal pedal pattern enhances tactile control and emphasizes a sporty impression.

Magma-Exclusive Colors & Materials

✓ Key Features

- Steering Wheel :**
Magma-exclusive orange color button / black aluminum emblem
- Switches, Bezels, Door Handles, Air Vents, Doorsteps :**
Entirely color-matched in black
- Aluminum Garnish :**
Real aluminum with black brushed pattern applied
- Front and Rear Seats / Door Center Panels :**
Matched with Magma-exclusive quilting
- Armrest Center / Door Panels:** Wrapped with suede material

Magma color matched with black mono interior tones, combined with real metal and suede finishes, achieves both premium refinement and sporty character within the black interior.

High-Performance Specialized Design

Lowered Ground Clearance

Lowered ground clearance reduces the vehicle's center of gravity, enhancing driving stability.

- Ground clearance lowered by 18mm (minimum ground clearance: 160mm → 142mm).
- Wheel center hard points adjusted (front +12.5H / rear +19H).

Increased Width

Realizes the Magma wide-body concept, suppressing body sway at high speeds and improving cornering performance.

- Application of Magma-exclusive front / rear wheel garnish.
- Width increased by 50mm (1,890mm → 1,940mm).

Wide Tires

Application of wide tires suitable for high-performance driving (braking, cornering).

- Tire width increased by 20mm compared to GV60 (255mm → 275mm).
- Sound-absorbing tires with excellent ride comfort, cornering stability, and NVH performance.

Secured Visibility at High Speeds

Ensures safe forward and rearward visibility under any circumstances during high-speed driving.

Flat Blade

Application of flat blades that reduce wiping noise and improve high-speed lift performance, ensuring quietness and safe visibility during high-speed driving.

Digital Center Mirror (DCM)

Provides a wider and clearer rearward view compared to conventional optical mirrors. Ensures safe visibility even under challenging conditions such as nighttime driving, rain, or rear-view obstruction.

PERFORMANCE

Maximum Output

641_{HP}

* based on Boost Mode

Top Speed

164_{mph}

* based on Boost Mode

0-62 mph Acceleration

3.4_{sec}

* based on Boost Mode

All-electric Range (AER)

230_{mi}

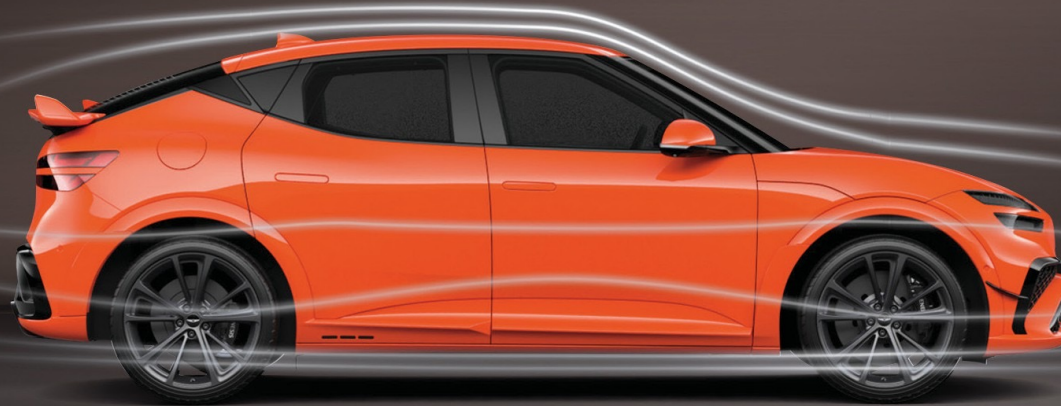

Aerodynamic performance optimization through high-performance design integration.

Coefficient of drag (C_d)

0.31

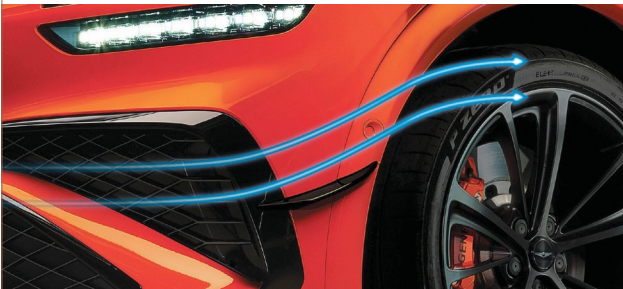

* The lower C_d , the better aerodynamic.

Aerodynamic Performance Design Improvement

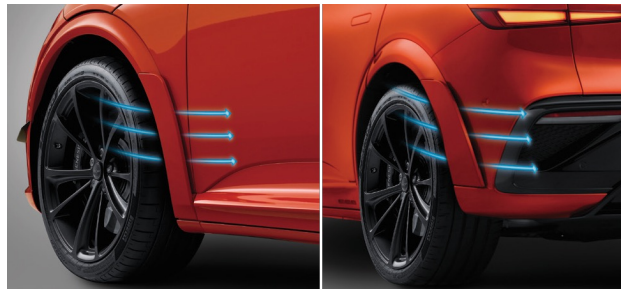

① Canard Wing-Type Garnish (Front Wheels)

Application of a canard wing-type garnish with an inclined angle on the sides of the front bumper to reduce front-wheel lift.

② Fender Air Vents (Front / Rear Wheels)

Optimization of the fender air vents and a boat-tail design to improve airflow around the wheels.

③ High-Performance Rear Spoiler

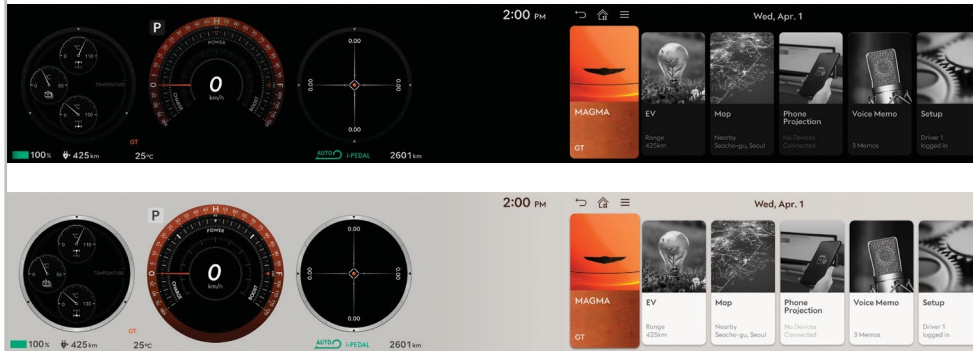

Application of an optimized high-performance rear spoiler design with expanded size and a kick-up at the end, improving both lift and drag characteristics.

Curated interface implementation through magma-exclusive HMI to maximize driving immersion.

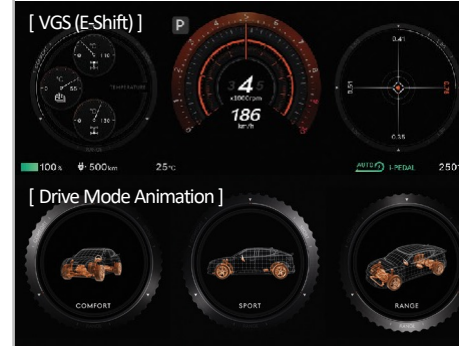

Magma-Exclusive White / Black GUI Theme

Integrated application of Magma-exclusive white and black themes, featuring Magma key colors, across the cluster and navigation.

Magma-Exclusive Cluster High-performance Content

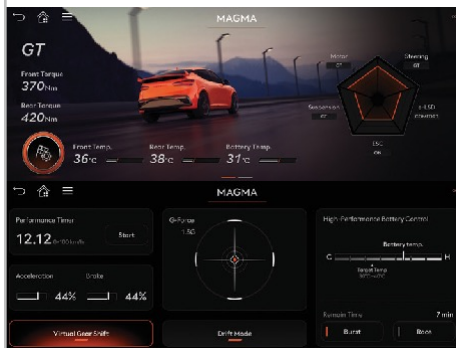

Display of Magma-exclusive cluster high-performance content when entering Magma drive modes (SPRINT, GT, MY).

- VGS On : shift timing guidance and shift light display.
- High-performance gauges (battery, front & rear motor temperature).
- Drive mode popup animation (RANGE ↔ COMFORT ↔ SPORT).
- Widgets such as G-Force and Performance Timer.

Magma-Exclusive AVN High-performance Content

Displayed in app form to maximize driving enjoyment and provide easy access to high-performance features.

[1 page]

Status information by drive mode (drive mode-specific animation / spider map).

[2 page]

Functions for using high-performance features (G-Force / HPBC / VGS, etc.).

Magma-Exclusive Head-up Display High-performance Content

When entering SPRINT mode or MY mode, the HUD switches to a high-performance Magma theme designed to help focus on limit driving.

Default / GT Mode

Driving information including speed, ADAS, & TBT navigation.

Magma Theme

Charge, power, boost gauges, & regenerative braking.

Magma Theme + VGS ON

RPM, shift lights, & gear position.

Sensory differentiation for High-Performance driving immersion.

Virtual Gear Shift (VGS)

Enhances luxury driving feel by using virtual RPM to extend maximum RPM, deliver visual changes, and provide refined torque control.

Active Sound Design+ (e-ASD+)

Provides virtual driving sounds inside and outside the vehicle, linked with Virtual Gear Shift (VGS).

- Compared to standard e-ASD, adds front and rear external speakers for sound output.
- Exclusive new driving sounds developed for GV60 Magma.

New Driving Sound Themes	
VGS ON	• Powerful sound emulating a high-displacement, high-revving engine. • Simulates the feel of high-performance vehicles beyond ordinary passenger cars. • Works seamlessly with the virtual gearbox, giving feedback aligned with vehicle dynamics.
VGS OFF	• Inspired by Goodwood Festival audio, adding EV-specific character. • Includes braking feedback sounds designed for circuit driving. • Easter egg sounds triggered in specific situations.

Genesis brand-inspired High-Performance EV driving experience.

Drive Modes

Six curated Genesis high-performance drive modes designed to embody the brand's Effortless philosophy, delivering optimal performance and emotion tailored to different driving situations.

Magma-Exclusive Drive Modes

SPRINT Mode

GT Mode

MY Mode

SPRINT Mode

Maximizes handling and power performance, offering agile yet predictable driving pleasure during limit driving.

GT Mode

Balances high-speed cruising comfort, generous power output, and efficiency optimization, creating a refined high-performance driving character.

MY Mode

Fully personalized mode allowing drivers to configure e-LSD, steering, motor, suspension, and ESC settings to match individual preferences.

Powertrain Technology

- 166kW Front Electric Motor / 282kW Motor Rear Electric Motor
- 84 kWh Battery
- Heat Pump & Battery Heater
- Paddle-Shifter Controlled Brake Regen System
- Electronic Parking Brake w/ Auto Hold
- Ventilated Front & Rear Disc Brakes
- Drive Mode Select
- R-MDPS w/Variable Gear Ratio Steering
- Electronic Limited Slip Differential(Rear)
- Magma Suspension
- Magma Brakes w/orange caliper
- Launch Control (Hidden Launch Control C/O)

Advanced Safety Technology

- Forward Collision Avoidance-Assist 1.5
- Lane Keeping Assist
- Lane Following Assist 2
- Driver Attention Warning
- Forward Attention Warning
- Blind-Spot Collision-Avoidance Assist
- Rear Cross-Traffic Collision-Avoidance Assist
- Parking Collision Avoidance Assist – Front/Side/Rear
- Safe Exit Assist
- Rear Occupant Alert
- 10 Airbags
- Tire Pressure Monitoring System
- Tire Mobility Kit

Exterior

- 21-inch Alloy Wheels(JW Magma Exclusive Forged Wheel) w/Summer Tires
- Magma Design Changes (Fascia, Spoiler, Black Aluminum trim)
- Power Hands-Free Smart Liftgate w/ Auto Open
- High Beam Assist
- MLA (Micro Lens Array) Headlamp w/ LED Matrix Capability
- Power Folding EC Mirrors w/ Genesis Logo Lamp
- Power Retractable Door Handles
- Roof Rails
- Rain-Sensing Wipers

Comfort & Convenience

- Suede Seating Surfaces
- 10-Way Power Driver Bucket Seat
- 8-way Power Passenger Bucket Seat
- Heated/Ventilated Front Seats
- Smart Cruise Control
- Intelligent Speed Limit Assist
- Highway Driving Assist
- Dual Zone Climate Control
- Walk Away Lock (WAL)
- Remote Smart Parking Assist 2
- Digital Center Mirror
- Alloy Pedals
- Rear Side Window Shades
- Adjustable Interior Ambient Lighting
- Acoustic Laminated Windshield & Front Side Windows
- Passenger Walk-in Device
- Proximity Key w/ Push Button Start
- 4 USB-C Ports (1st & 2nd Row) / 12V Port (Front & Cargo)
- Black Aluminum Trim

Multimedia & Connectivity

- 27-inch OLED Instrument Cluster & Navigation System w/ AM/FM/HD Radio™
- SiriusXM® Radio w/ 90-day trial subscription; Not Available in AK & HI
- Wireless Android Auto™ & Apple CarPlay®
- Genesis Connected Services
- Wireless Phone Charger
- Fingerprint Authentication
- Genesis Digital Key 2 - Premium
- Bang & Olufsen® Premium Audio
- Unique Graphics for 27" OLED infotainment
- Bluetooth® Hands-free Phone & Audio Streaming System
- Premium Audio w/ 8 Speakers
- Wi-Fi Hotspot
- Over-the-Air w/ ECU Update Capability
- Head-Up Display

2027 GENESIS GV60 MAGMA – EXTERIOR COLORS

2027 GENESIS GV60 MAGMA – FEATURES & SPECIFICATIONS

MECHANICAL

Electric Motor		Magma AWD
Power		448 kW / ~600 HP (Front: 166 kW / Rear: 282 kW) Note: 10-sec “Boost Mode” allows for 478 kW / ~641HP
Torque (Boost On)		740 Nm / 546 lb.-ft 790 Nm / 583 lb.-ft
All Electric Range (AER)		~230
Battery		Magma AWD
Battery Type		Lithium-ion
Voltage		697V
Battery System Capacity		84.0 kWh
Charge Time	AC Standard 120V / 12A	About 68 hours
	AC Level II, Standard 240V / 48A w/ EVSE (from 10% → 100% charge)	About 7 hours
	Rapid Charging: 50kW (from 10% → 80% charge)	73 minutes
	Rapid Charging: >250kW (800V) (from 10% → 80% charge)	18 minutes
Charge Port		Rear Quarter / Passenger Side
Battery Heating System		S
V2L Charging Capability		1.9kW max power @ 16A

MECHANICAL (cont'd)

Battery	Magma AWD
Power Output(kW)	535
Energy Density (Wh /L)	670 (Cell-Level) / 258 (Pack-Level)
Weight (lbs.)	1,061.5
On-Board Charger (OBC)	Magma AWD
Ultra-Fast Charger (up to 800V / 350 kW)	S
Max Capacity (kW)	10.9

MECHANICAL (cont'd)

Electrical System	Magma
Non-Traction Electrical System	12 Volt
Drive System	Magma
Drive Configuration	AWD
Gear Ratio / Final Gear Ratio	—
	—
	10.65 (Front & Rear)
Drive Mode Select (Steering Wheel Button)	S
Steering	Magma
Rack and pinion type steering gear	S
Motor Driven Power Steering (R-MDPS) - Power assisted, rack-mounted	S
Overall Ratio	12.57:1
Turns (lock to lock)	2.3
Turning Diameter (curb to curb, ft.)	39.2
