INTRODUCING THE 1988 CHRYSLERS...DRIVING TO BE THE BEST.

TABLE OF CONTENTS

NEW YORKER LANDAU
The all-new Chrysler that now gives you the one thing you always wanted in a luxury car: everything.
Page 6

NEW YORKER
All-new companion sedan to Landau—with advanced front-wheel drive performance, remarkable roadability, and luxury that surrounds you with comfort, elegance and quiet.
Page 14

NEW YORKER TURBO
Puts you in the lap of luxury... with turbocharged power. A car whose luxury has kept pace with the advanced technology of driving.
Page 20

FIFTH AVENUE
While other luxury cars become more common, Fifth Avenue stands out as a rare value. It just may be the best luxury car value in America today!
Page 24

LEBARON CONVERTIBLE
Designed and built as a true convertible...right from start to finish. Its power will move you. Its beauty will stop you.
Page 30

LEBARON COUPE
Shaped by the wind, reason, and unique artistry, LeBaron Coupe is an image of arresting beauty... with a passion for driving.
Page 34

LEBARON GTS
America's luxury performance sedan. Without the luxury price. Ready to take on new challenges with every turn of the key.
Page 40

LEBARON FOUR-DOOR SEDAN
Refined taste...refined comfort...refined technology. The definitive, traditionally styled, family sedan.
Page 48

TOWN & COUNTRY WAGON
For those who appreciate gracious wagon living—and who want the room, the ride, and formal look of a fine luxury sedan.
Page 52

CHRYSLER'S TC BY MASERATI*
Exciting new limited-edition luxury convertible built and handcrafted in Italy by Maserati, the world's master coachbuilder.

*Ask your franchised Chrysler TC dealer for a detailed full-color brochure.

About this catalog: We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

In my 40 years in the business, I've run into some pretty tough customers. The toughest? People who buy luxury cars. They want everything!

At Chrysler, we made a commitment to be the best. That means giving even the toughest customers what they want. You can't do it with one car, so we're bringing out more new luxury models than anyone.

Recently, for example, we introduced our highly acclaimed new LeBaron Coupe and Convertible. You truly have to drive these sporty new luxury cars to fully understand what we mean when we say they

have "beauty...with a passion for driving."

And then there's Chrysler's TC by Maserati—a sweet blend of Italian coachbuilding craftsmanship and American engineering technology. Next year we'll be bringing out yet another new luxury car. And following that, you can look for the return of the legendary Chrysler Imperial.

But now, for 1988, the spotlight is on our all-new Chrysler New Yorker and New Yorker Landau. These aren't cars with just a lot of plush appointments and soft leather cushions to sit on. They're

great driving cars with a responsive V-6, advanced front-wheel drive, and outstanding handling. And we back them with our unique Chrysler New Yorker Crystal Key Owner Care, detailed on page 17.

To be the best. It's a tough order from some very tough customers, but we're filling it with the broad array of luxurious and great handling automobiles displayed throughout this catalog. Built to give today's luxury car buyers what they want. Everything! I'm proud to present our remarkable new 1988 Chryslers. At Chrysler, we're driving to be the best.

Lee A. Iacocca

CHRYSLER NEW YORKER LANDAU

Luxury abounds. Prestigious, comfortably quiet, smoothly maneuverable luxury...in Chrysler's all-new sedans, New Yorker and New Yorker Landau. Distinctively styled in the traditional big-car manner. Accented with such elegant touches as a classically graceful grille and concealed headlights. Engineered for stability

New Yorker Landau, shown in Charcoal Pearl Coat.

with front-wheel drive; for performance with V-6 power*; for comfort and quiet with road-smoothing suspension. And for the most discriminating and demanding drivers, a most extensive list of standard features. Designed for luxury and backed by Chrysler's exclusive Crystal Key owner care program (see page 17).

*See Power Train chart, page 19.

THE ONE THING YOU'VE ALWAYS WANTED IN A LUXURY CAR...EVERYTHING.

New Yorker Landau, shown in Charcoal Pearl Coat.

CHRYSLER
NEW YORKER LANDAU

Comfort. Enough of it for six. With seats that are luxury-car soft and big-car roomy. With rear seat center armrests and reading lamps. With soft-touch door trim panels. With automatic temperature control air conditioning. All standard. In a luxury car designed for comfort, there is no room for noise. A program designed to eliminate wind, road

Interior shown with available Mark Cross leather in Charcoal.

and engine noise is the most extensive ever undertaken for any Chrysler automobile. To reduce wind noise, the windshield and rear window are mounted flush to the body. Silencers, seals, pads—37 separate treatments—are strategically placed to acoustically seal the passenger compartment from the intrusions of the outside world.

TAKE COMFORT IN A QUIET DRIVE.

Interior shown with available Mark Cross leather in Charcoal.

CHRYSLER
NEW YORKER LANDAU

Dependably responsive power. It is supplied by a state-of-the-art 3.0-liter V-6 multipoint electronically fuel-injected engine,* with advanced single overhead cam design and tuned induction system. New Yorker's calibrated suspension and 18:1 ratio power-assisted steering respond to your performance demands—on the

New Yorker Landau, shown in Claret Red Pearl Coat.

curves and contours of a country road as well as in the passing lane. Stability is enhanced by front-wheel drive and load-leveling suspension. The added security of an optional antilock, four-wheel disc brake system provides braking stability on slippery surfaces and permits the driver to maintain steering control.

*See Power Train chart, page 19.

EVERY DRIVE IS A LUXURIOUS DRIVING EXPERIENCE.

New Yorker Landau, shown in Claret Red Pearl Coat.

CHRYSLER NEW YORKER LANDAU

The luxury of up-to-the-minute information. Chrysler technology makes it instantly available with EVIC, the electronic vehicle information center.* Buttons in the overhead console bring up instant reports on everything from compass headings and outside temperatures to average fuel economy and critical service reminders. EVIC monitors and displays facts on a total of 24 func-

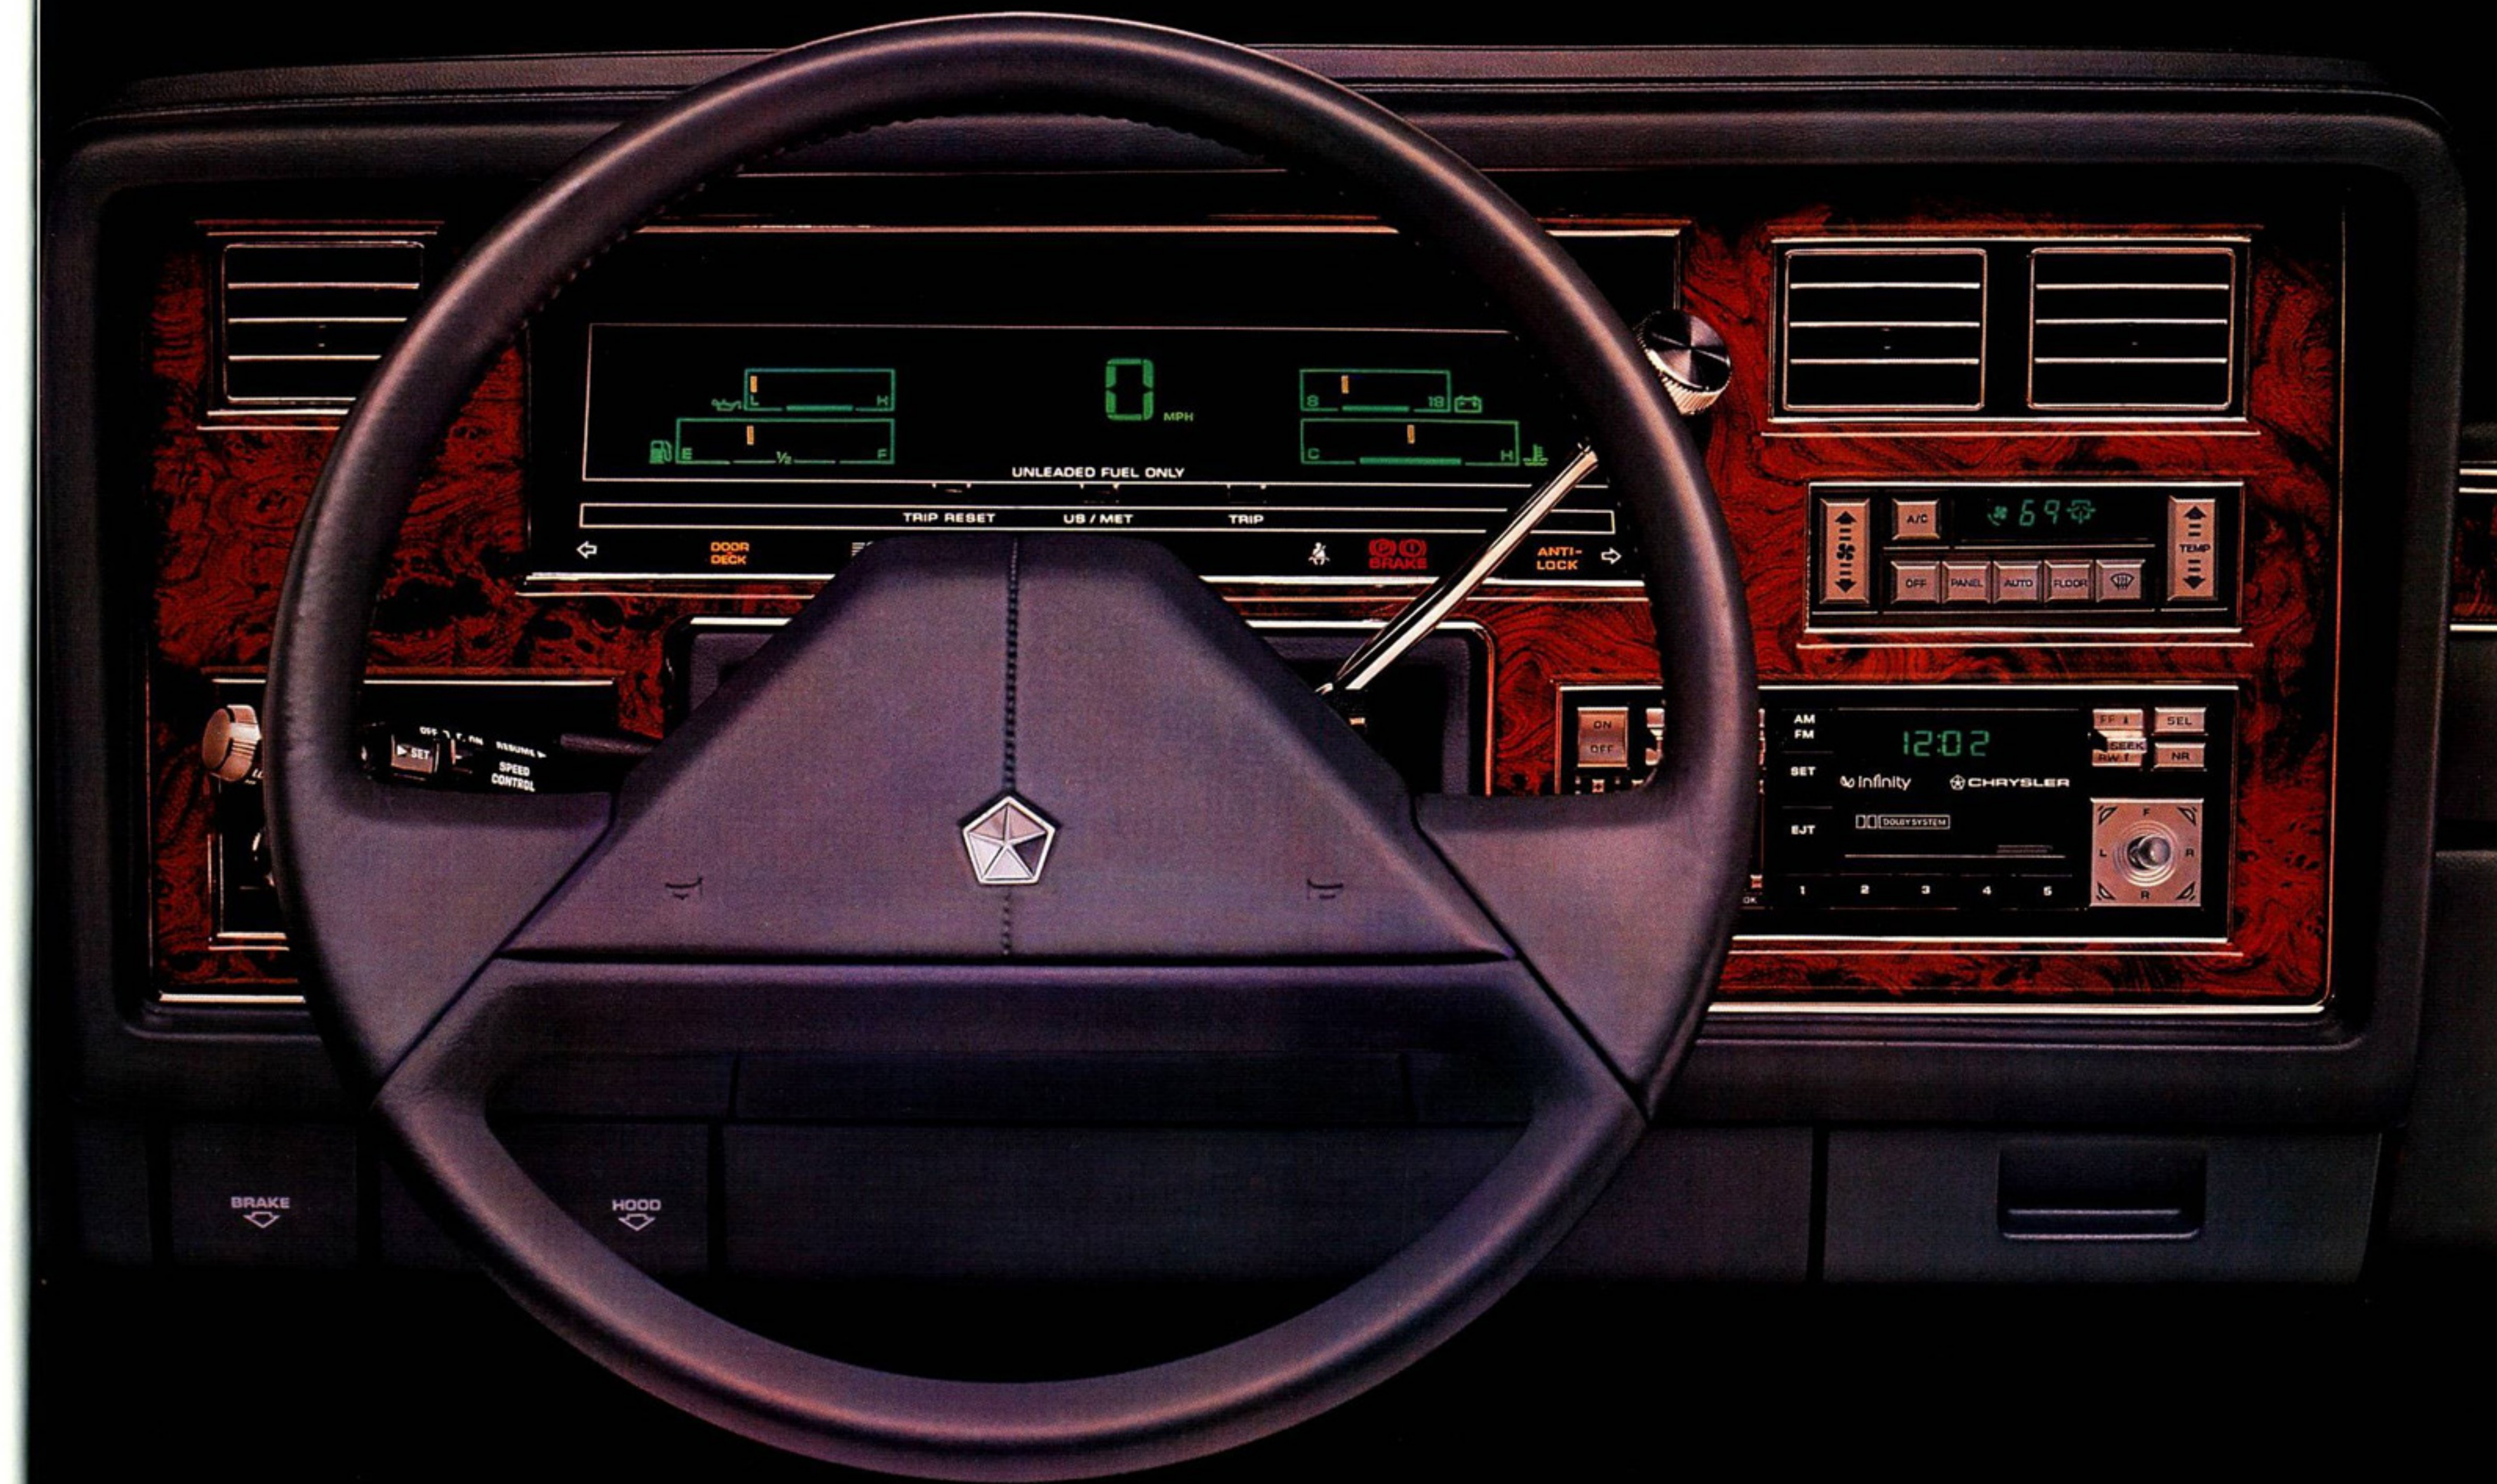

Overhead console.

tions involving key areas of *vehicle operation and maintenance* and *passenger convenience and safety*. New Yorker Landau also features a standard electronic instrument cluster, which is also available on New Yorker as part of the Luxury Equipment Discount Package. An analog instrument cluster is standard on New Yorker.

*Available only as part of the Luxury Equipment Discount Package on New Yorker Landau and as a separate, extra-cost option on New Yorker equipped with that package.

TECHNOLOGY...WITH A NEW SENSE OF DIRECTION.

Electronic instrument panel with Charcoal interior.

CHRYSLER NEW YORKER

New Yorker. All-new companion sedan to Landau — with advanced V-6* front-wheel-drive performance, remarkable roadability, and an outstanding offering of standard luxury. What's more, it has all the room that six adults need. By mounting the automatic shift controls on the steering column, the engineers left ample room for three up front. The sil-

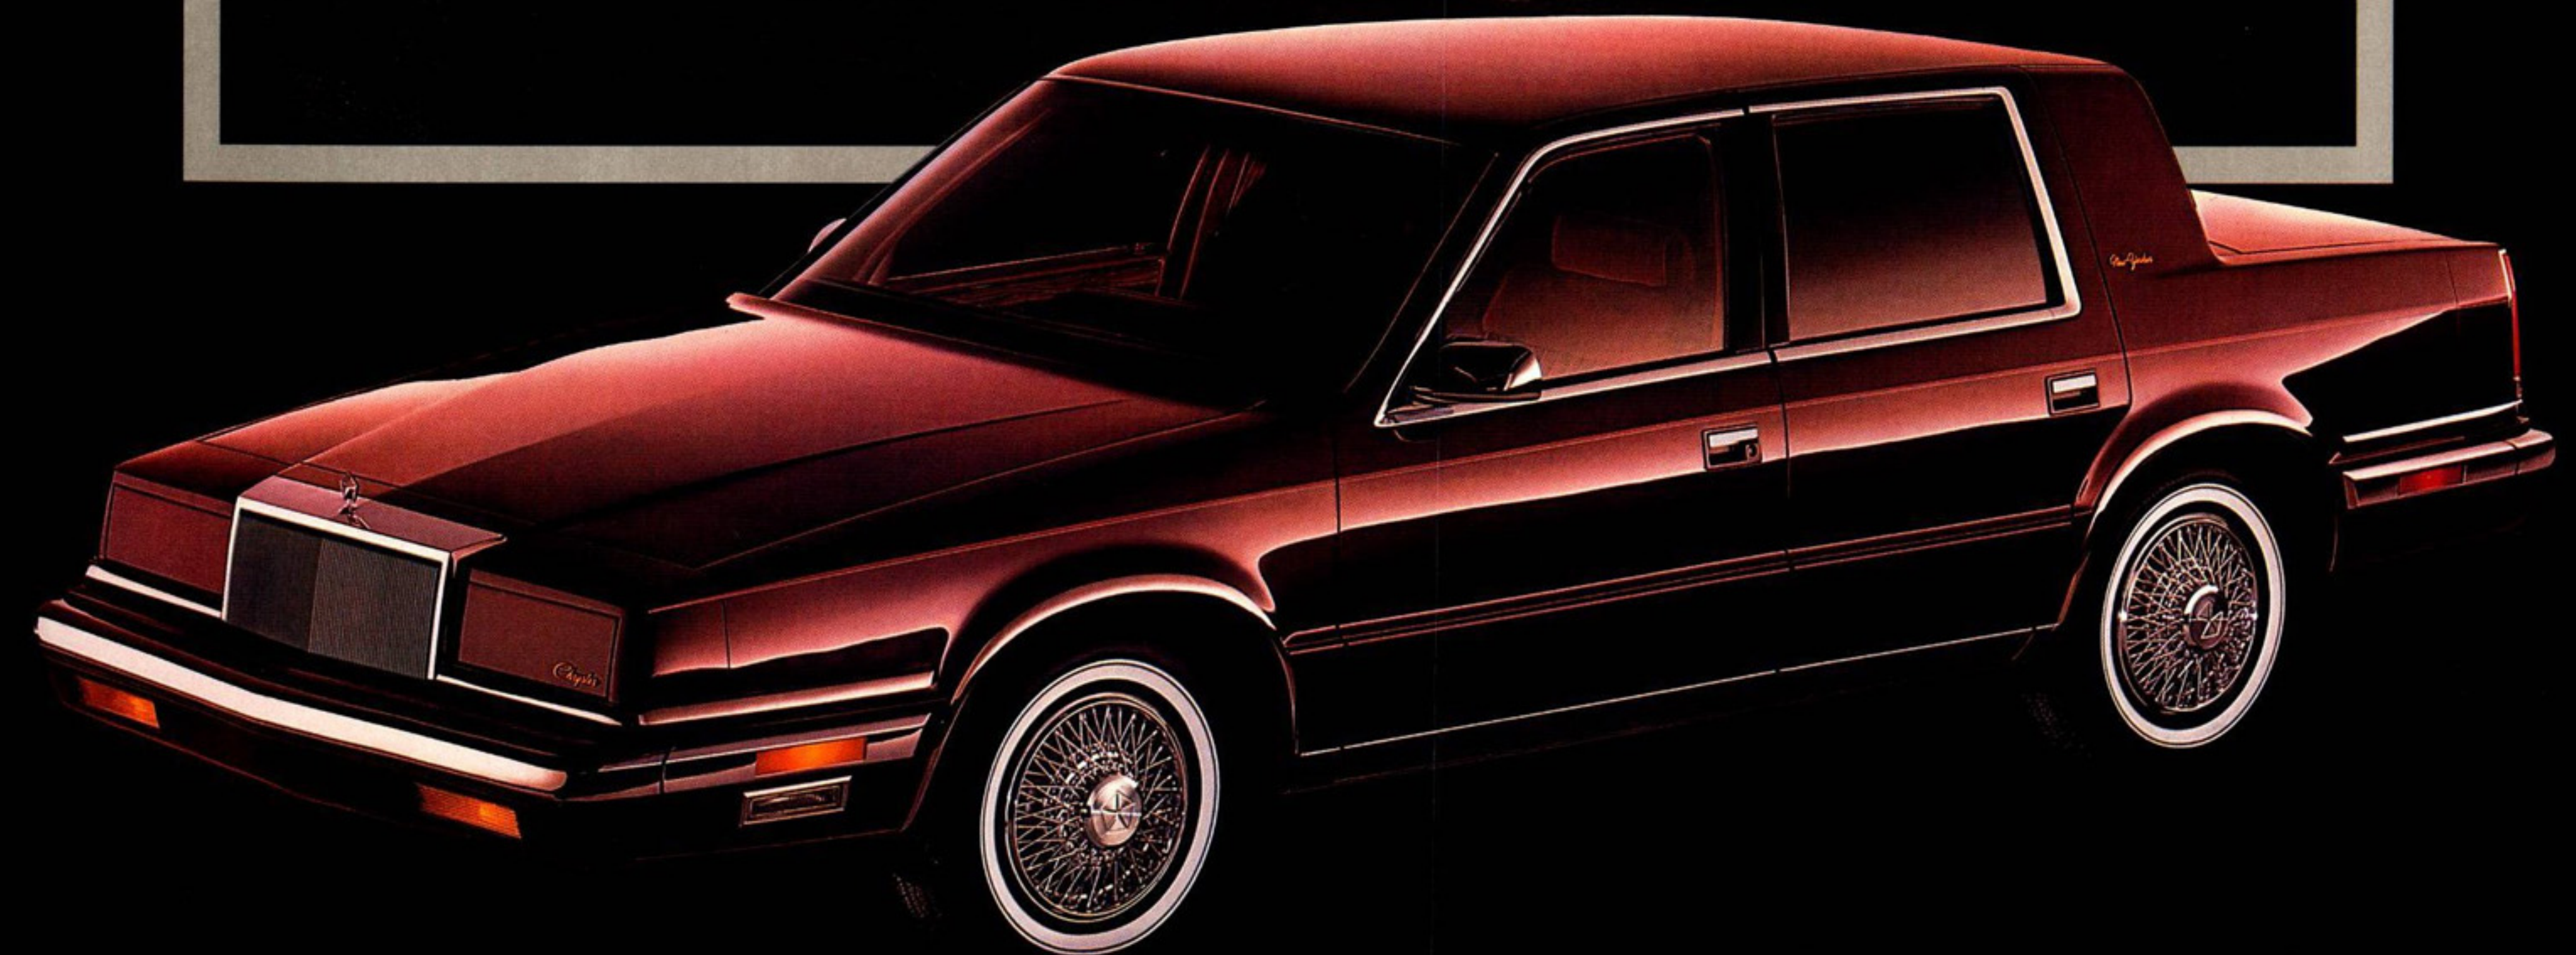

New Yorker interior shown in Bordeaux.

houette construction of the front seats provides expanded knee room in back. But when it comes to luxury, a controlled *ride* is as essential as a plush seat. The New Yorker's suspension is tuned to provide a smooth, comfortable ride. In addition, a variable front-strut damping system helps reduce the noise and jarring effects of road hazards. Comfort prevails.

*See Power Train chart, page 19.

COMFORT: THE ROOM AND THE RIDE.

New Yorker, shown in Black Cherry Pearl Coat.

THE STRENGTH OF NEW YORKER DESIGN

The integrity of New Yorker is the result of thoughtfully designed and meticulously engineered components, among them:

1. 3.0-liter V-6 standard engine* with multipoint electronic fuel injection offers 136 horsepower at 4,800 rpm and 168 pounds-foot of torque at 2,800 rpm. Smooth highway performance and plenty of passing power.

2. Load-leveling suspension automatically adjusts rear suspension system to accommodate additional weight and maintain a level ride. Standard on Landau, optional on New Yorker.

3. Stainless steel exhaust system provides long-lasting corrosion protection for muffler and exhaust pipes. Standard.

4. Antilock brakes achieve minimum stopping distance by automatically "pumping" the brakes. The electronically controlled system maintains stability on slippery surfaces and allows the driver to maintain steering control in extreme stopping conditions. Optional on both models.

5. The Crystal Clear paint process is an exclusive feature of New Yorker and New Yorker Landau. New techniques and a new process have resulted in a finish that is nearly equal in reflective readings to polished black glass.

*See Power Train chart, page 19.

NEW YORKER/NEW YORKER LANDAU STANDARD FEATURES

A high level of standard equipment separates the luxury car from the ordinary one. Among the standards that make New Yorker and New Yorker Landau stand out are these:

6. Tilt steering column. For the most comfortable driving position, the steering column adjusts to six positions. Standard on Landau.*

7. Power windows and door locks. Power windows are standard on both New Yorker models; power door locks are standard on New Yorker Landau, optional on New Yorker.

8. Automatic climate control provides the exact temperature you want and holds it automatically. Rate and direction of air flow can be precisely adjusted.

9. Concealed headlights. A smoothing touch of contemporary aerodynamic styling. Headlight doors open and close automatically with headlight switch. Cornering lights are also standard.

10. Electronic speed control precisely maintains selected speed within 0.5 mile per hour. Standard on Landau.*

11. Remote control outside mirrors. For appearance and safety, New Yorkers are equipped with heated power remote control mirrors on both driver and passenger sides.

*Available on New Yorker as part of the Deluxe Convenience Package only.

Not Rolls Royce. Not Mercedes. No other luxury sedan. Only the all-new Chrysler New Yorker protects the entire car for 5 years or 50,000 miles. Just take care of the normal upkeep. We cover the rest. No deductibles. No ifs, ands, or buts.

If the luxury sedan you own doesn't have Chrysler New Yorker's Crystal Key Program, you don't have everything.

INTRODUCING CHRYSLER NEW YORKER'S CRYSTAL KEY OWNER CARE PROGRAM.

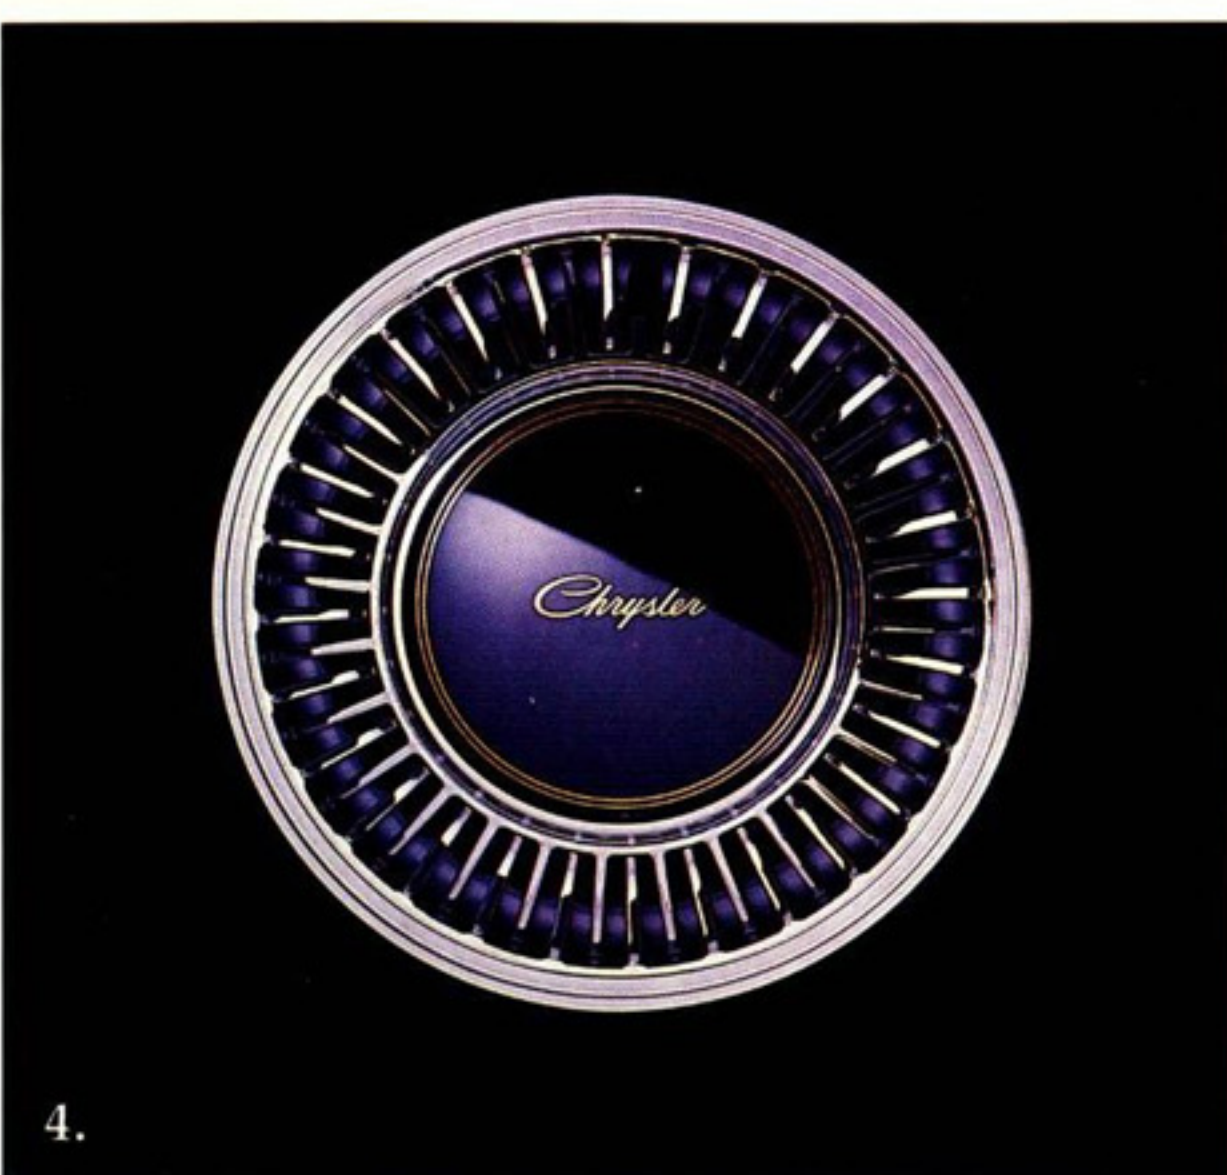

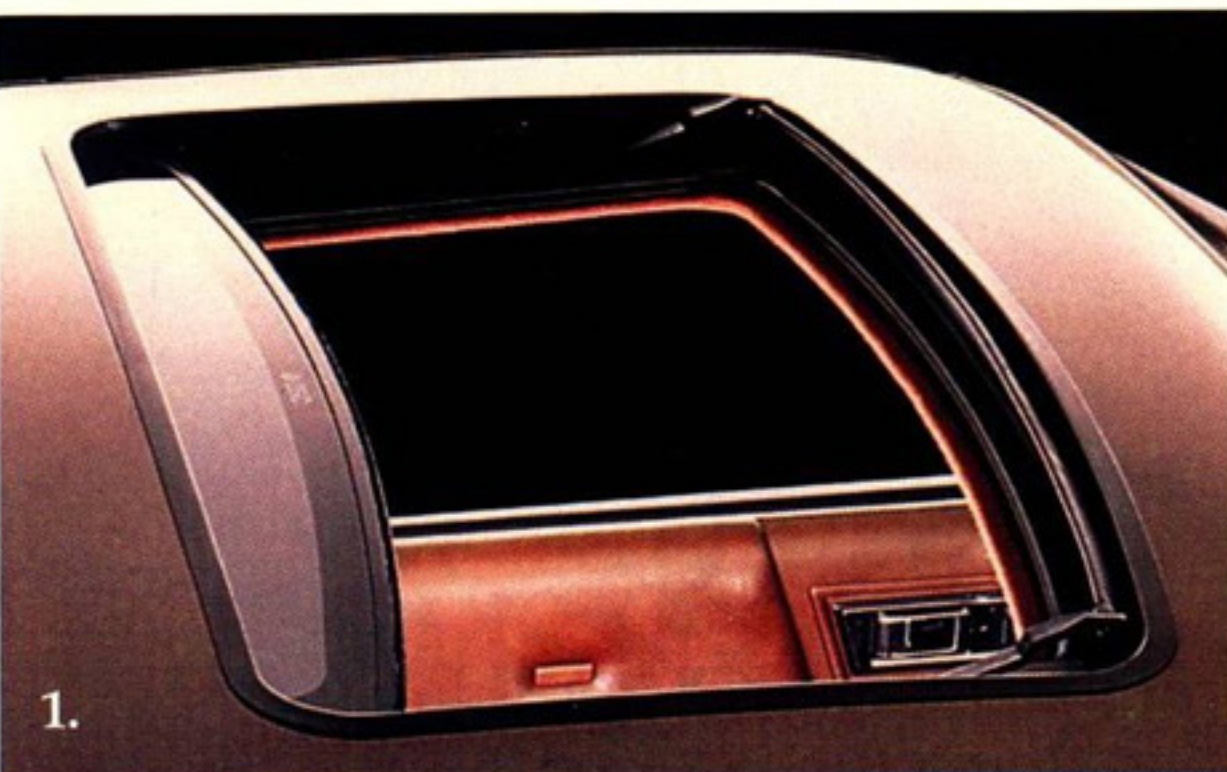

With Chrysler's new Crystal Key Owner Care Program, for five years or 50,000 miles,* all you do is take care of normal maintenance, adjustments and wear items. Chrysler takes care of everything else. Engine, power train, air conditioning, steering, electrical. Everything right down to the door handles. And you're still protected on the engine and power train for seven years or 70,000 miles and outer body rust-through for 100,000 miles.† And if you have a question or need assistance, there's a 24-hour toll-free hotline.

How does the competition stack up? They *don't*—as the comparison chart at the left shows!

The program includes: **Five-Year or 50,000-Mile Complete Car Warranty.*** Extends the basic car warranty, including major components, from one year or 12,000 miles to a full five years or 50,000 miles, whichever comes first. **Seven-Year or 70,000-Mile Protection Plan.†** Covers engine and power train. And seven-year or 100,000-mile protection against outer body rust-through. (See page 59 for details.) **Customer Hotline.** An "800" number to call 24 hours a day provides you with product information, dealer locations, warranty and towing information.

*See copy of limited warranty at dealer, restrictions apply. Excludes Turbo model.

†See copy of limited warranty at dealer, restrictions apply.

NEW YORKER/ NEW YORKER LANDAU FEATURES, OPTIONS AND SPECIFICATIONS

1. **Power sun roof**, with sliding sunshade. When opened, the sun roof panel is concealed beneath the roof and an air deflector rises to reduce wind noise. (Extra-cost option. Late availability.)

2. **Chrysler Infinity II Sound System**. AM stereo*/FM stereo electronically tuned radio with a number of sophisticated features including: Infinity equalized eight-speaker system, cassette tape player with automatic reverse, Dolby B[†] Noise Reduction, and five-band electronic graphic equalizer; integral digital clock. (Late availability, and available as part of the Chrysler Infinity II Sound System Package only.)

3. **Illuminated visor vanity mirrors** for driver and passenger. (Available as part of the Interior Illumination Package only.)

4. **Standard luxury wheel covers** dress up New Yorker Landau.

5. **Travel trip computer** includes digital readouts for trip odometer, miles accumulated, average miles per gallon, present miles per gallon, distance to empty, and elapsed travel time. Standard on Landau.‡

6. **Rear seat headphone jack**. When headphones are plugged into jack, rear speakers cut out, permitting private listening for rear seat passenger.‡

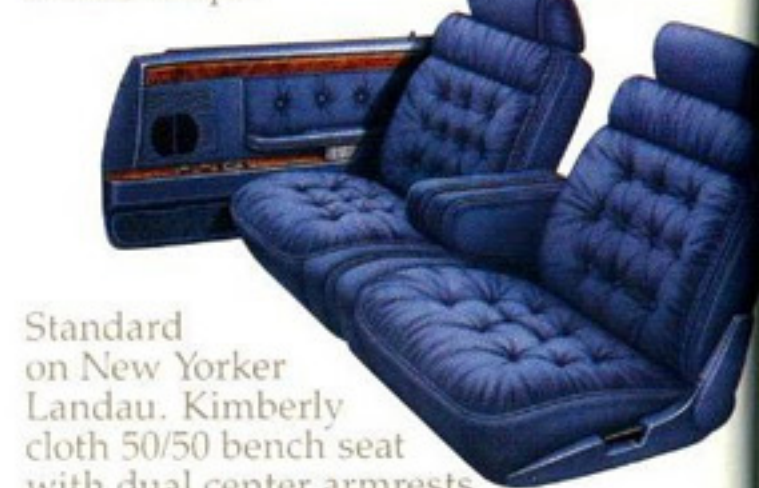

7. **Cast aluminum road wheels**. The beauty of New Yorker on the open road is enhanced by a set of cast aluminum road wheels. A separate option for Landau.§

*Some AM stereo broadcasting may not be compatible with this radio. †Dolby B is a trademark of Dolby Laboratories. ‡Available on New Yorker as part of the Luxury Equipment Discount Package only. §Available as part of either the Chrysler Infinity I or the Chrysler Infinity II Sound System Package only. §Available as an extra-cost option on New Yorker when equipped with the Luxury Equipment Discount Package.

NEW YORKER TURBO

Even when you're sitting in the lap of luxury, you're still in the driver's seat. New Yorker Turbo. A brand of luxury backed by the superb technology that offers the ultimate driving experience. Its size and shape are efficiently contemporary. Its feel and ride and room are technologically advanced: front-wheel drive for better traction and stability (and

more room inside); the smoothly dependable power of a 2.2-liter EFI engine (and a turbocharged boost for the passing lane); positive response suspension for control of the road (and rear load-leveling suspension* that automatically adjusts to additional weight.) New Yorker Turbo. Technologically advanced. Luxuriously contemporary.

*Available as part of the Luxury Equipment Discount Package only.

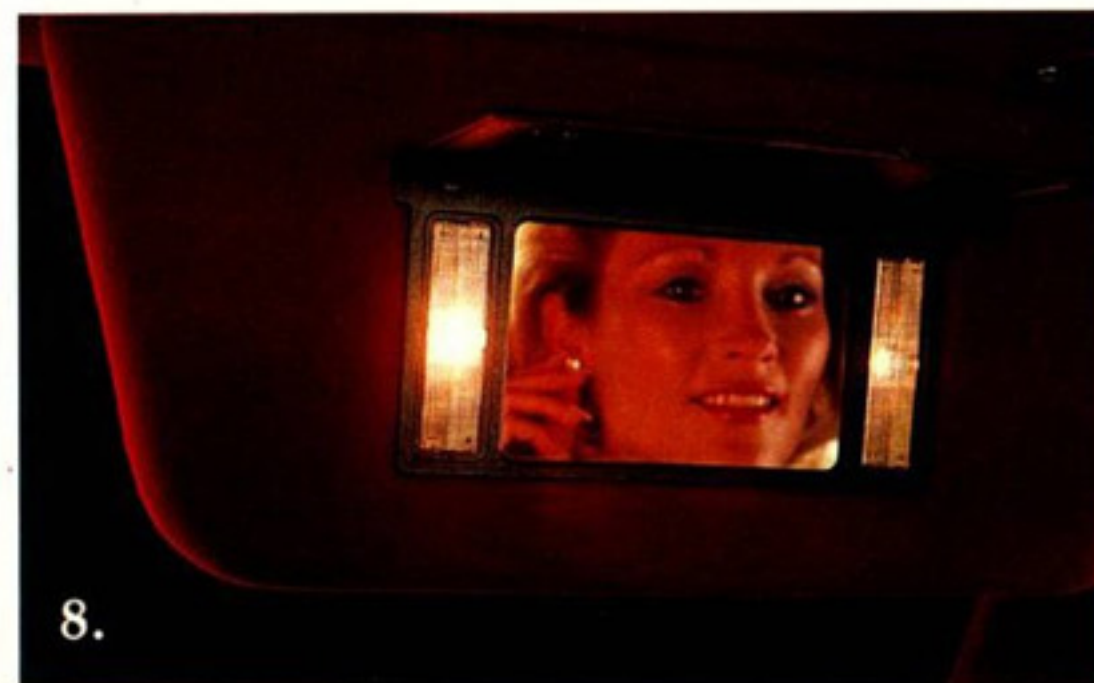

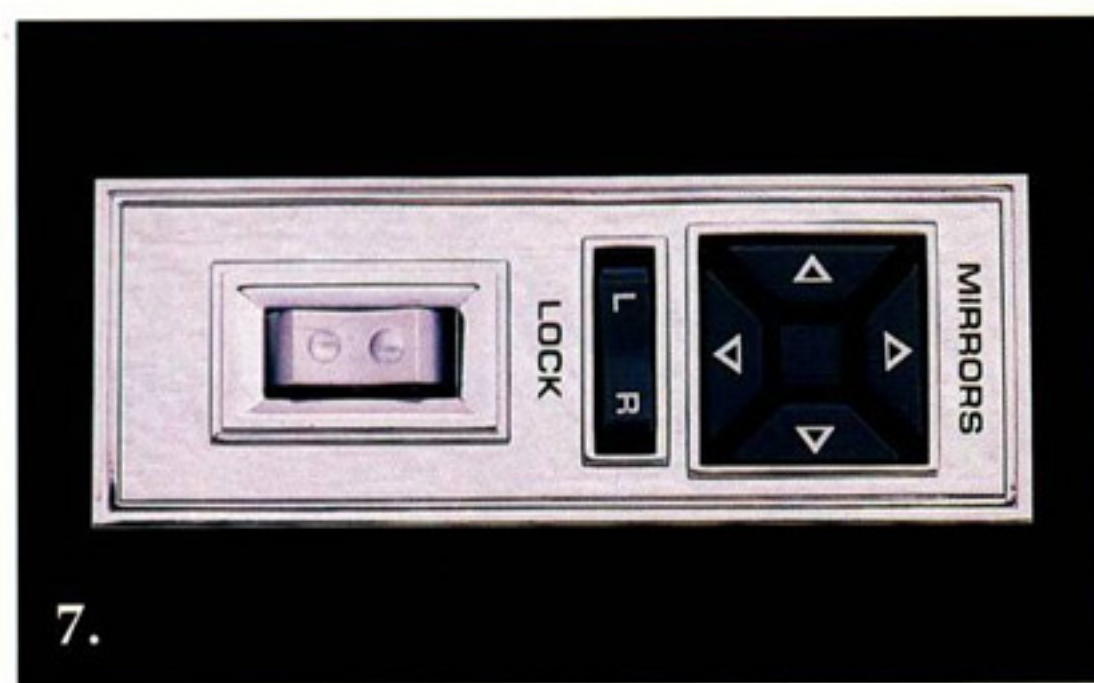

New Yorker Turbo, shown in Light Rosewood Mist Pearl Coat.

IN THE LAP OF LUXURY...WITH TURBOCHARGED POWER.

New Yorker Turbo, shown in Dark Cordovan Pearl Coat.

NEW YORKER TURBO FEATURES, OPTIONS AND SPECIFICATIONS

1. Electronic instrumentation includes a six-function electronic monitoring system, a message center to warn of open doors or low fluids, and a trip computer that calculates fuel consumption, trip time and distance, miles to empty, and much more. Standard.

2. Tilt steering column adjusts to any one of six positions. Standard.

3. Corinthian leather 50/50 seats are individually adjustable (six-way power adjustments included), with four-way adjustable head restraints, dual folding center armrests, and reclining seatbacks. Both front seatbacks and seat cushion facings have pockets. Rear seat has integral headrests and folding center armrest. Available in Twilight Blue, Charcoal, Cordovan.*

4. Electronic speed control precisely maintains selected speed within 0.5 mile per hour. Standard.

5. Chrysler Infinity II Sound System†. Optional AM stereo/FM stereo electronically tuned radio with a number of sophisticated features including: Infinity equalized eight-speaker system, automatic reverse, Dolby B‡ Noise Reduction, and five-band electronic graphic equalizer; integral digital clock.

6. Bi-level air conditioning provides fast warm-up or cool-down for a perfectly comfortable environment in any season. Standard.

7. Power mirrors and door locks. Dual outside power-adjustable mirrors and power door locks for convenience and safety. Standard.

8. Illuminated vanity mirrors are concealed on the backs of both the driver's and passenger's sun visors.*

INTERIOR TRIM

Available in Luxury Equipment Discount Package only. Corinthian leather individually adjustable pillow-style 50/50 seats with four-way adjustable head restraints, dual folding center armrests, and reclining seatbacks. Both front seatbacks and seat cushion facings have pockets. Rear seat has integral headrests and folding center armrest. Available in Twilight Blue, Charcoal, Cordovan.

Standard. Velvet cloth individually adjustable pillow-style 50/50 seats with four-way adjustable head restraints, dual folding center armrests, and reclining seatbacks. Both front seatbacks and seat cushion facings have pockets. Rear seat has integral headrests and folding center armrest. Available in Twilight Blue, Charcoal, Cordovan.

CHRYSLER FIFTH AVENUE

A brilliant expression of what a true luxury car should be. Timeless styling. Classic lines and character. Enduring quality and value. Solid, substantial, superbly engineered. A car that continually rewards its owner with a sense of presence and prideful satisfaction wherever it travels. Far more than mere transportation, Fifth Avenue is a most gratifying ownership experience.

And it begins with full-sized luxury seating for six. Commanding computerized V-8 power that delivers

responsive, satin-smooth performance through a wide-ratio automatic TorqueFlight transmission. A long wheelbase and gas-charged shock absorbers in the rear suspension system to cushion and insulate passengers from the road. Elegant appointments

Fifth Avenue shown in Twilight Blue Pearl Coat.

and thoughtful conveniences all around. An impressive list of over 50 standard luxuries, including air conditioning with automatic temperature control, electronically tuned stereo sound system, dual power outside rearview mirrors, power windows, and power-assisted steering and brakes, to name a few. All this plus the added luxury of Chrysler's 7/70 limited warranty (see page 59 for more details).

Fifth Avenue just may be the best luxury car value in America today!

WHILE OTHER LUXURY CARS BECOME MORE ALIKE, FIFTH AVENUE STANDS OUT AS A RARE VALUE.

Fifth Avenue shown in Twilight Blue Pearl Coat.

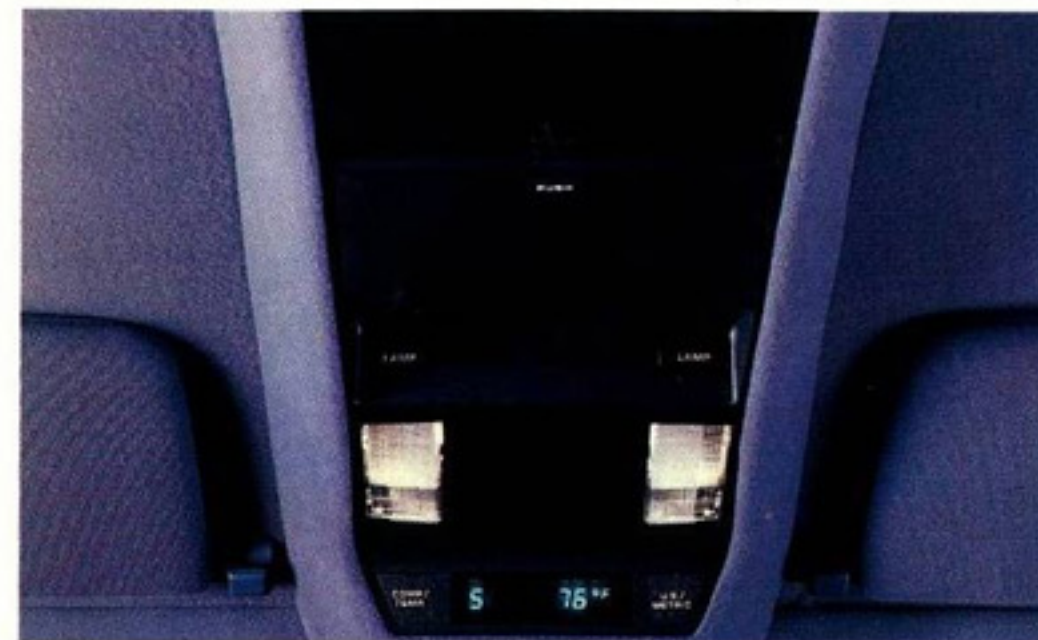

CHRYSLER FIFTH AVENUE

You sense it the moment you enter this remarkable automobile. You're enveloped in an environment of total luxury, created carefully, thoughtfully... your own quiet retreat of plush-pillowed comfort.

Fifth Avenue's soft, deep-tufted seat coverings come to you in a choice of two rich trim materials: velvet-like Kimberly cloth, standard; or supple Corinthian leather, available with the

Luxury Equipment Discount Package. Each is handsomely tailored and meticulously sewn.

Fifth Avenue's many thoughtful amenities reflect its single-purpose intention for *personal* luxury. They include such conveniences as dual seat-

Top: Available overhead console.
Above: Available Corinthian leather interior in Twilight Blue.

back recliners, fold-down center armrest, passenger assist straps, and generous courtesy lighting throughout the car. New for 1988 is an overhead console with twin map reading lamps, compass, outside temperature readout, and storage for sunglasses and garage door opener. (Available with the Luxury Equipment Discount Package.)

Fifth Avenue. For everyone who has a dream of owning the very best.

A QUIET WORLD OF ELEGANCE.

Available Corinthian leather interior in Twilight Blue.

FIFTH AVENUE FEATURES, OPTIONS, AND SPECIFICATIONS.

Fifth Avenue simplifies your options choices because it's so luxuriously equipped to begin with. Here are some highlights of its standard features, along with available options that have been carefully selected and packaged to enhance your Fifth Avenue experience.

1. Padded Vinyl Landau Roof crowns Fifth Avenue's classic, formal lines. Distinctive electroluminescent opera lights in the roof molding add a prestigious look and set it apart from the crowd, day or night. For 1988, new styling refinements and new laurel-crested medallion adorning the rear pillars are featured.

2. Optional Premium Stereo Sound System has electronically tuned AM stereo*/FM stereo receiver with memory scan, up-and-down seek-and-scan, Dynamic Noise Reduction†; electronic cassette tape player with automatic reverse, true fast-forward and rewind, tape program music search, integral digital clock—and more.

3. Illuminated Vanity Mirrors concealed on the backs of both driver's and passenger's sun visors make cosmetic touch-ups easy anytime. Available only with Luxury Equipment Discount Package.

4. Electrically Powered Glass Sun Roof lets you add another luxury dimension to your Fifth Avenue. Retractable see-through glass panel glides open or

closed smoothly, silently, with the touch of the power control. Also includes an additional manually adjusted sunshade panel to block out unwanted sun rays when glass panel is closed. (Luxury Equipment Discount Package required.)‡

5. Optional Wire Wheel Covers with locks. A set of four premium style 15-inch wheel covers is standard.

6. V-8 Power and advanced technology are as much a part of Fifth Avenue's luxury as its elegant appointments. Its 5.2-liter power plant is designed with an onboard computer that monitors and controls numerous key engine functions simultaneously for quietly efficient and brilliantly responsive performance.

7. Luxury Leather-Wrapped Steering Wheel, available with the optional Luxury Equipment Discount Package, provides a rich feel and comfortable grip. And it's color-keyed to compliment your interior selection. On the instrument panel, dark woodtone applique and accents surround gauges, warning lights, speedometer/odometer and switches.

Other available options include conventional spare tire, heavy-duty suspension, undercoating...plus Equipment Packages described on pages 56-57.

*Some AM stereo broadcasting may not be compatible with this radio.
†Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.
‡Overhead console deleted from Luxury Equipment Discount Package when sunroof is ordered.

STANDARD AND OPTIONAL EQUIPMENT

Air Conditioning/Heater—Automatic temperature control; bi-level ventilation	S
Alternator—90-ampere	S
Antenna—Stainless steel, fixed mast	S
Ash Receivers—Front: instrument panel; rear: dual	S
Assist Handles—Rear: dual	S
Battery—500-ampere, maintenance-free, heavy-duty; low-profile	S
Bezel—Deck, lower center: black and brushed finish with bright "Chrysler" block letters	S
Brakes—Vented front disc; rear drum: power-assisted	S
Bumper Fillers—Front: end sections; rear: center and end sections	S
Bumper Guards—Front and rear: black	S
Bumper Protective Rub Strips—Front and rear: black	S
Carpeting—Passenger compartment: premium color-keyed cut pile plush	S
Chimes—Reminder: headlights on, key in ignition, seat belt unfastened	S
Cigar Lighter	S
Coat Hooks—Rear	S
Coolant Overflow Reservoir	S
Corrosion Protection—Urethane protective coating on lower body panels; extensive use of galvanized steel	S

CHRYSLER LE BARON CONVERTIBLE

Brilliantly responsive. Beautifully designed. That's the 1988 Chrysler LeBaron Convertible. A sophisticated driving machine that balances lessons of the past with innovations of today. The wind-slippery LeBaron Convertible's aerodynamically engineered shape has been molded and smoothed with rounded corners, concealed halogen headlights, and flush window and door treatments to overcome wind resistance

and take command of the road.

Designed as a convertible from the very beginning, its reinforced frame-work and body structure are engineered to provide a flexible yet solid ride. And because it's built like no other, it's backed like no other—with Chrysler's 7/70 limited warranty (see page 59 for more details). The LeBaron Convertible. Top up or top down, a most satisfying driving experience.

LeBaron Premium Convertible, shown in Radiant Silver Clear Coat.

ITS POWER WILL MOVE YOU. ITS BEAUTY WILL STOP YOU.

LeBaron Premium Convertible, shown in Flash Red Clear Coat.

CHRYSLER

LE BARON CONVERTIBLE

No longer must you choose between luxury and exhilarating performance. The LeBaron Convertible is rich in both.

When you slip behind the wheel luxury envelopes you. It can be measured in the comfort of the ride...the elegance of the appointments. From the low-back reclining front bucket seats to the snug-fitting power roof with full inside cloth headliner to the well-positioned instrumentation, everything is built to serve you comfortably...conveniently.

Turn the key and the Convertible's high-torque 2.5-liter EFI balance-shaft engine roars to life. There's also an available 2.2-liter multipoint EFI turbocharged engine. Crisp cornering...responsive handling...and remarkable solidity are ensured with the stability of front-wheel drive, tight road touring suspension, and power-assisted rack-and-pinion steering. It all adds up to wind-in-your-hair driving excitement.

LeBaron Highline Convertible, shown in Twilight Blue Pearl Coat.

THE SKY'S THE LIMIT.

LeBaron Premium Convertible with available Corinthian leather, shown in Charcoal.

CHRYSLER LE BARON COUPE

Into the refined world of luxury cars
breathes a passion for driving...
the 1988 Chrysler LeBaron Coupe.

From its clean, wedge-like shape
that moves nimbly over highways to its
carefully designed interior, endowed
with sophistication, the LeBaron
Coupe responds to the needs of the
driving enthusiast. Beneath
its sleek, aerodynamic hood is

a smooth 2.5-liter EFI balance-shaft engine.
A 2.2-liter multipoint EFI turbocharged
version is also available for the performance
driver. Road-touring suspension,
power-assisted rack-and-pinion steering,
and power-assisted front disc brakes
are finely tuned for tight cornering
and precision handling.
The LeBaron Coupe. Drive it.
Experience it.

LeBaron Premium Coupe, shown in Light Pewter Pearl Coat/Dark Pewter Pearl Coat.

BEAUTY...WITH A PASSION FOR DRIVING.

LeBaron Premium Coupe, shown in Black Clear Coat.

LE BARON COUPE AND CONVERTIBLE STANDARD FEATURES AND OPTIONS

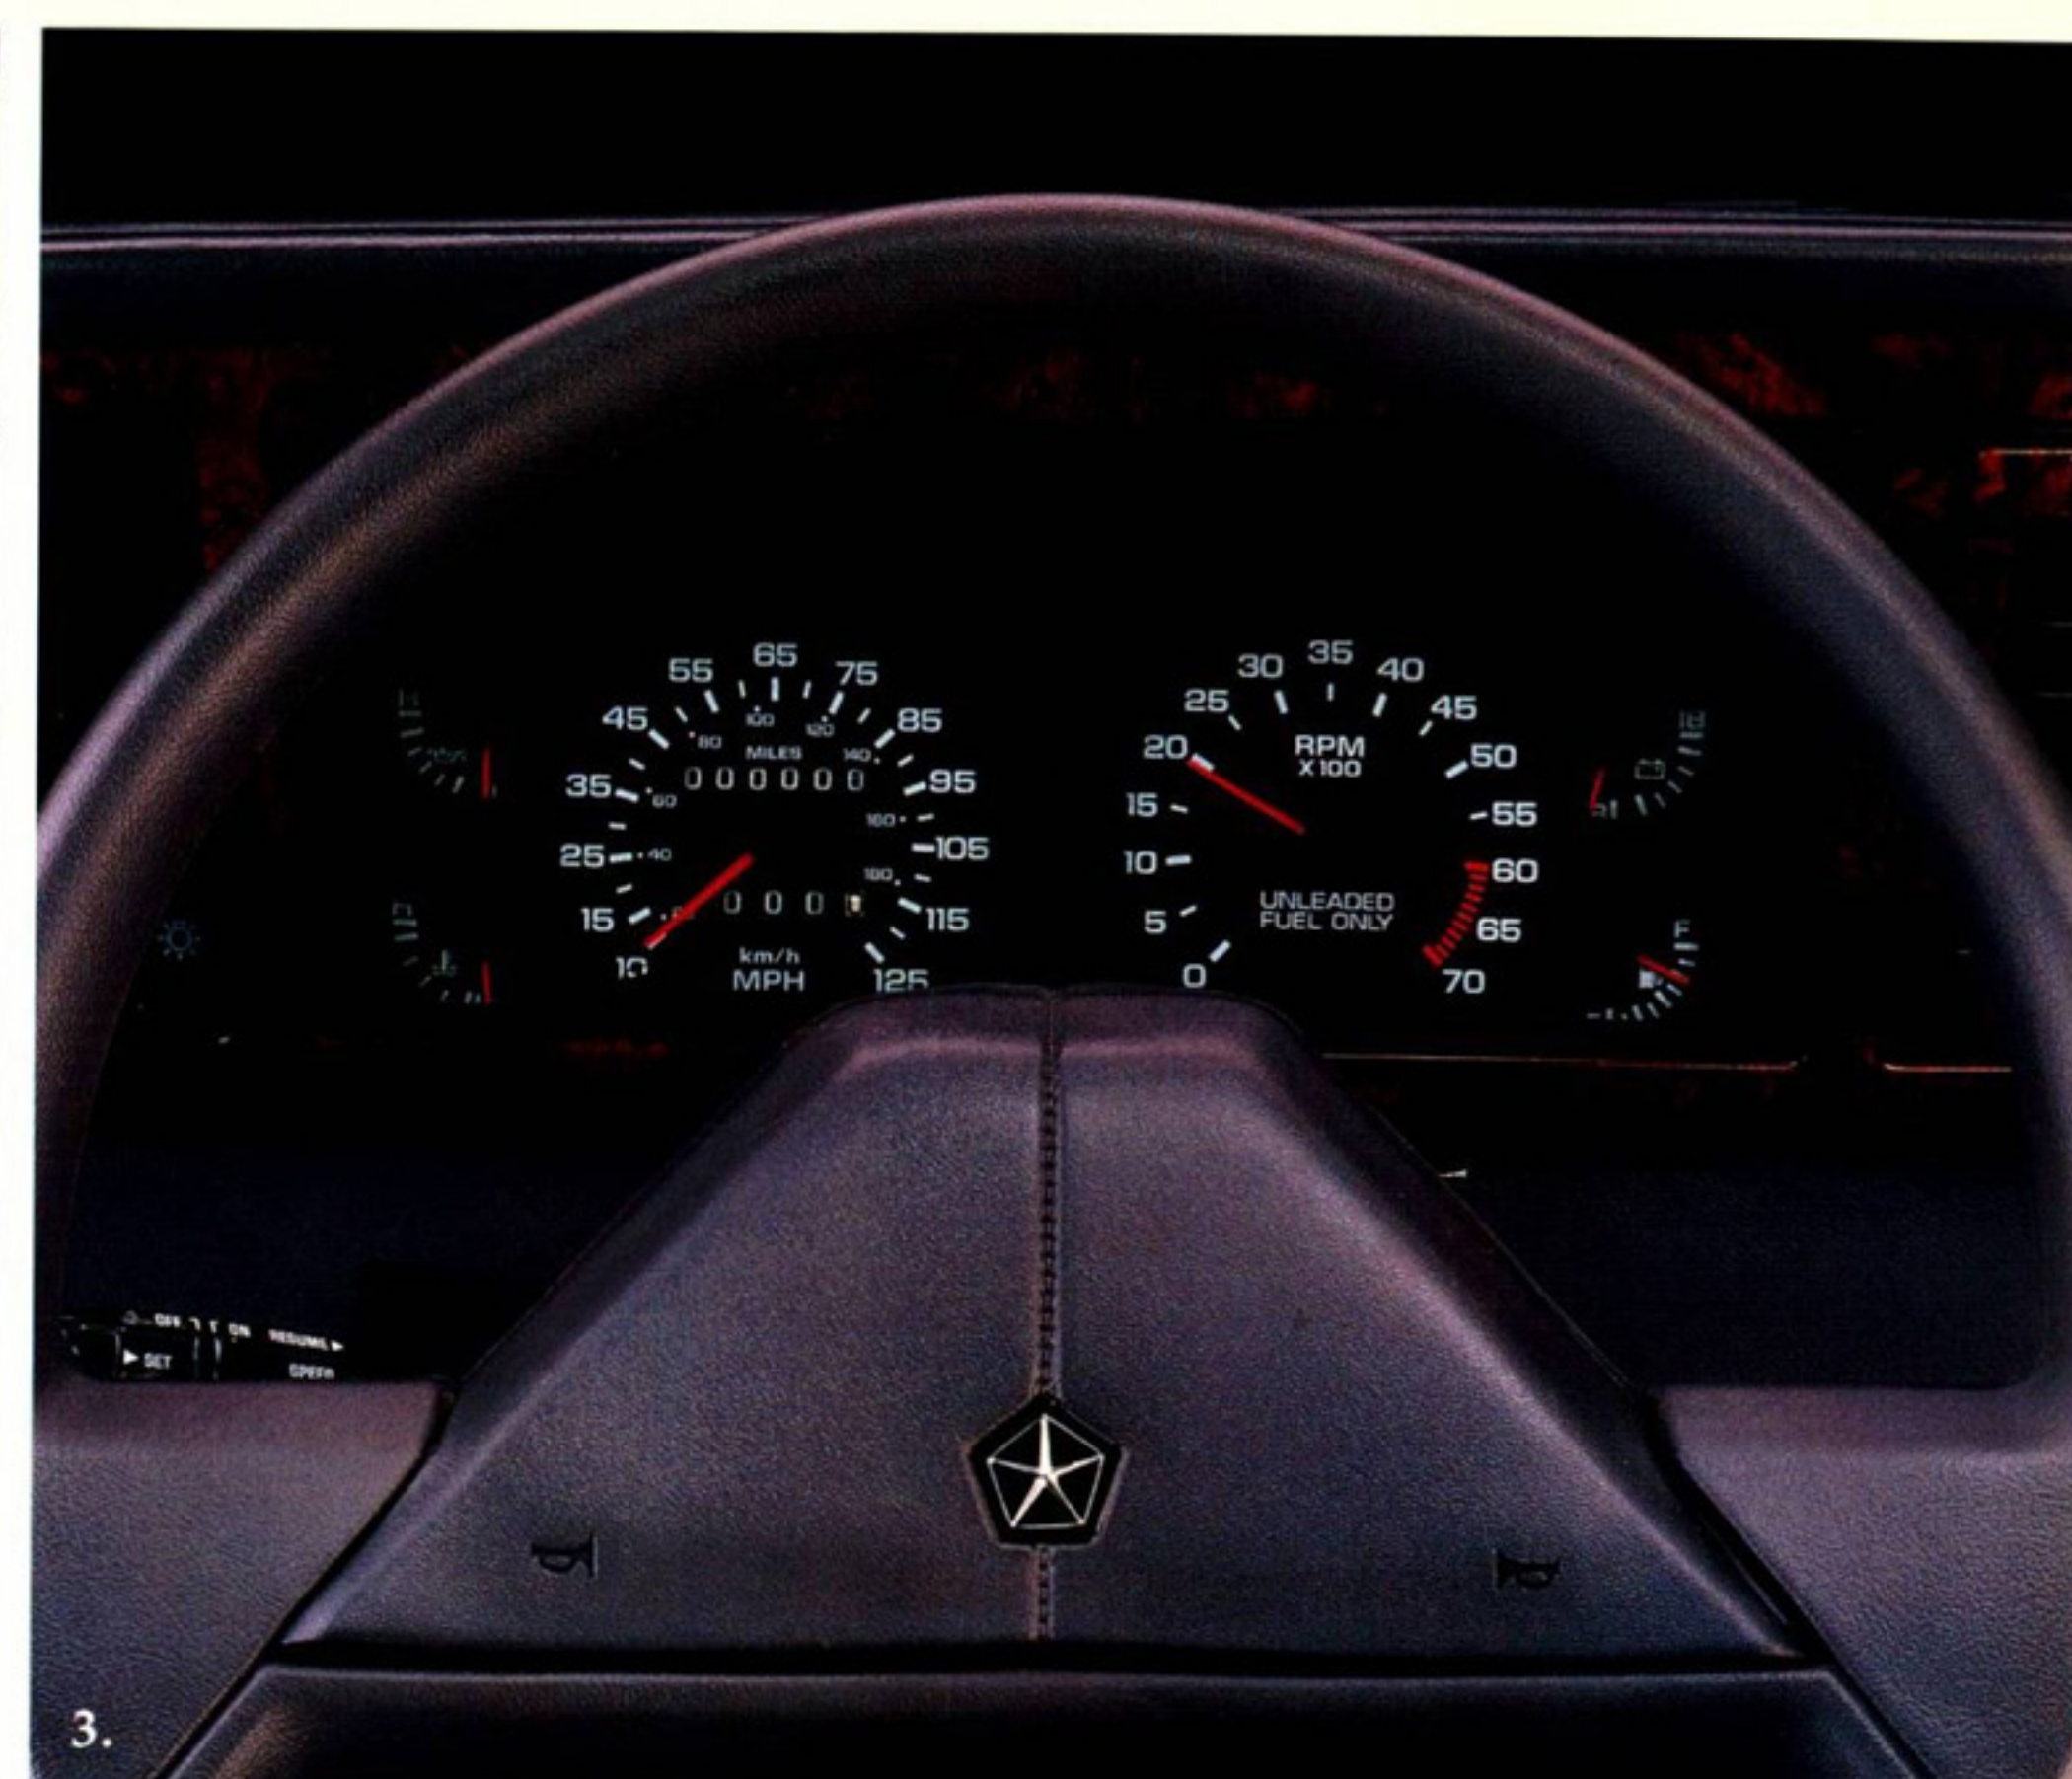

Personalize your Chrysler LeBaron Coupe or Convertible by combining impressive standard features with your favorite optional equipment. Among them (opposite page):

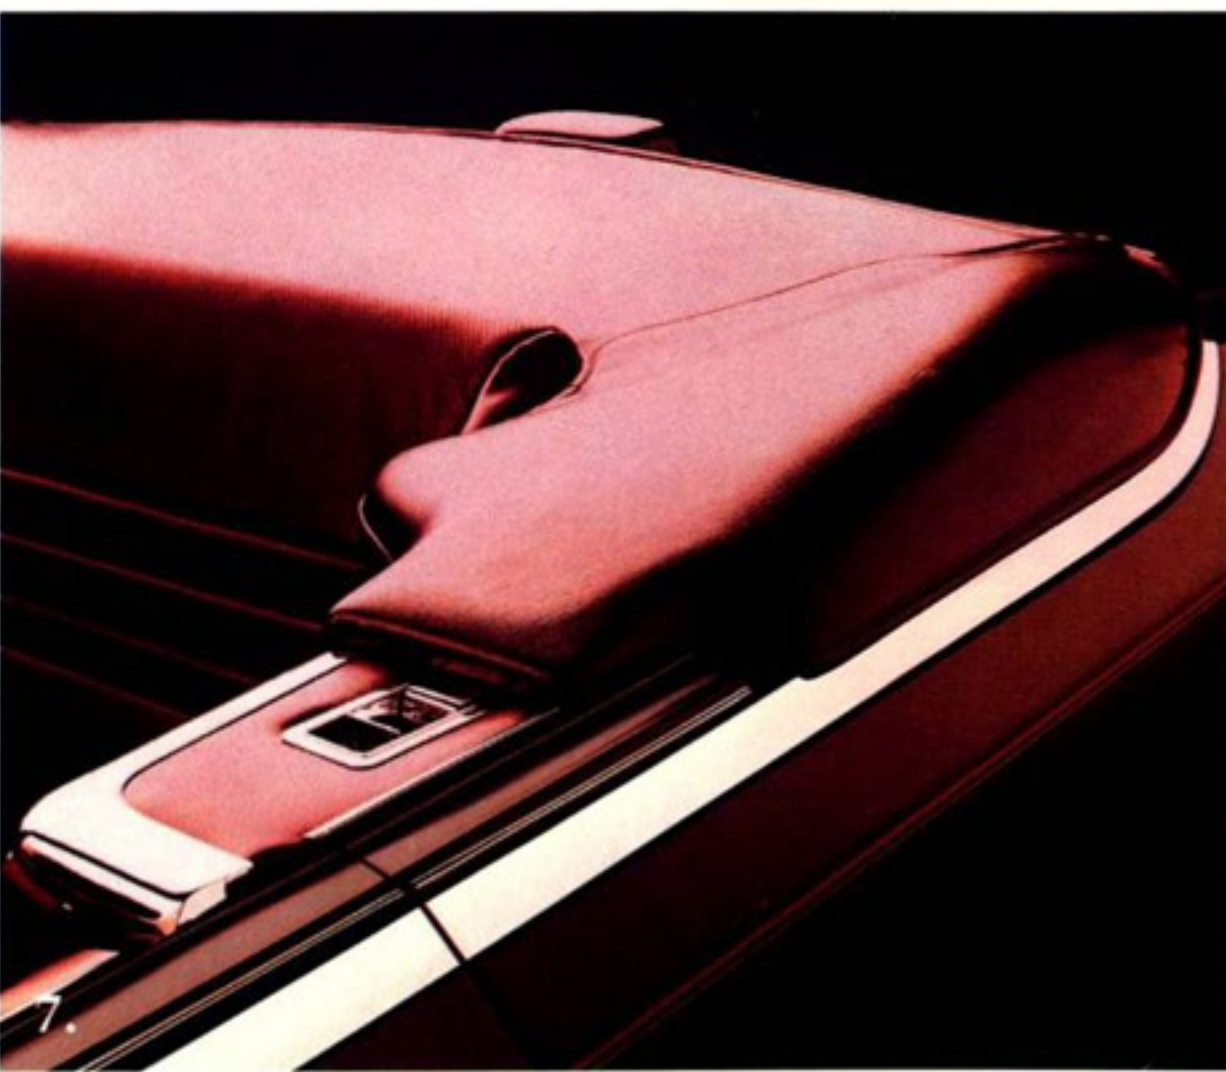

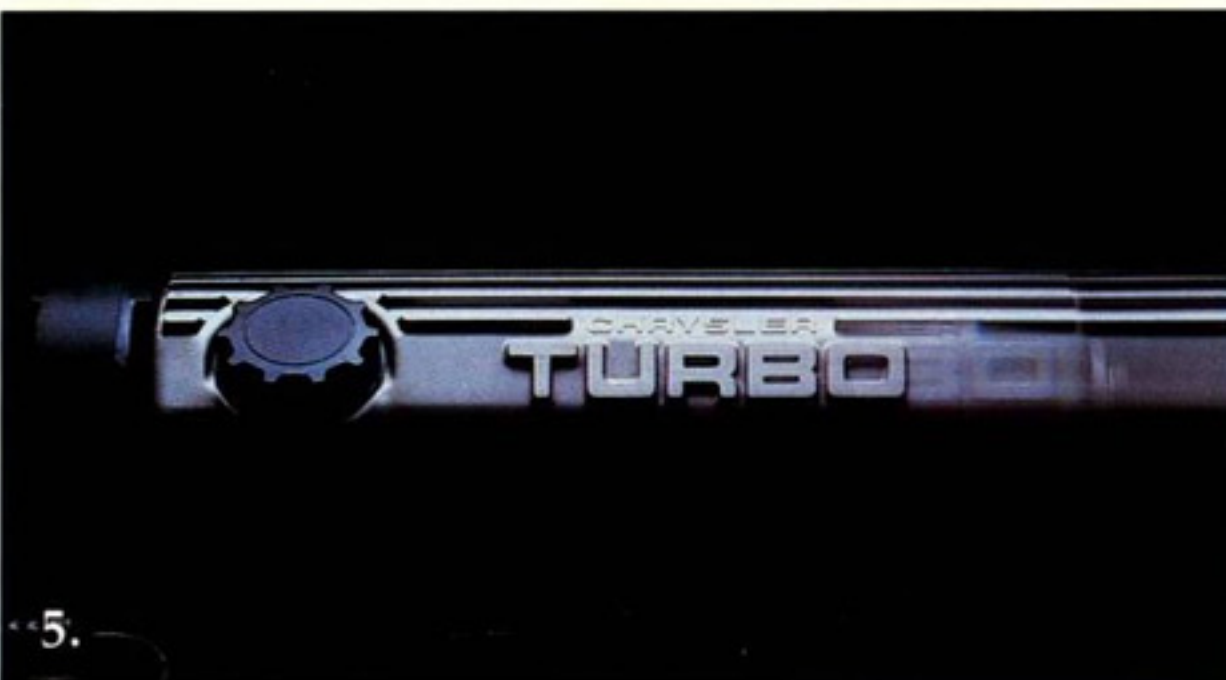

1. Passive Restraint System. All Coupe models have a passive restraint system of automatic torso belts and a modified seat belt for driver and front passenger safety.

2. Concealed Quad Halogen Headlights. This standard feature offers brighter illumination for safer night driving. A convenient switch on the instrument panel controls headlights on and the opening and closing of headlight doors.

3. Electromechanical Instrument Cluster. Features include electronically driven speedometer/odometer, tachometer, and trip odometer; and magnetic gauges for electrical system voltage, engine coolant temperature, fuel level, and engine oil pressure. Each dial is carefully positioned within your line of vision for correct, confident readings. Standard on Highline only.

4. 40/60 Split Fold-Down Rear Seat. The Premium Coupe model offers expanded cargo capacity and convenient "pass through" loading with the standard fold-down rear seat. This is also available on the Highline with the Turbo Coupe Discount Package.

LE BARON CONVERTIBLE AND COUPE STANDARD FEATURES AND OPTIONS

1. Standard road-touring suspension system features gas-charged front Iso-Struts and gas-charged rear shocks, tuned to keep you in touch with the road.

2. Chrysler Infinity II Sound System*. Optional AM stereo†/FM stereo electronically tuned radio with a number of sophisticated features including: Equalized eight-speaker system, tape player with automatic reverse, Dolby B† Noise Reduction and five-band electronic graphic equalizer; integral digital clock.

3. Compact Disc Player. Automatic slot-in power loading, fast-forward/reverse, program selected tracks, sequential program scan, all-program repeat, and more.

4. Power Convertible Top with Heated Rear Window. Full interior cloth headliner sports a hard-top look and is color coordinated to provide a rich appearance and improved sound insulation. A rear window defroster is standard.

5. 2.2-Liter Multipoint EFI Turbo I Engine. There's 146 horsepower to improve acceleration, passing power and overall performance.

6. Automatic Temperature Control. Provides fast warmup and cooldown of passenger compartment, actuated by a microprocessor.

7. Molded Vinyl Dust Boot Cover. The Convertible's standard boot system was designed with channels that guide the boot hold-down latches into place without snaps or zippers.

8. Power-Adjustable Heated Mirrors. Both driver and passenger sides are remote control.

INTERIOR TRIM

Optional leather interior on LeBaron Premium Convertible. Available on Premium Coupe (in Luxury Equipment Discount Package) or LeBaron Highline Convertible and Coupe in Turbo Convertible—Coupe Discount Package only. Corinthian leather, low-back premium front bucket seats with four-way adjustable head restraints, and reclining seatbacks. Driver's six-way power seat (required option). Available in Bordeaux, Twilight Blue, Charcoal, Taupe.

Standard on LeBaron Highline. All-vinyl low-back front bucket seats with four-way adjustable head restraints and reclining seatbacks. Available in Taupe, Twilight Blue, Charcoal, Bordeaux.

Standard on LeBaron Premium Coupe. Available on LeBaron Highline Coupe and Turbo Coupe Discount Package only. Cloth low-back premium front bucket seats with four-way adjustable head restraints, and reclining seatbacks. Rear seat includes 40/60 split fold-down seatback with locks, and two-way adjustable headrests. Available in Bordeaux, Taupe, Twilight Blue, Charcoal.

Standard on LeBaron Highline Coupe. Cloth low-back front bucket seats with four-way adjustable head restraints and reclining seatbacks. Available in Bordeaux, Twilight Blue, Charcoal, Taupe.

*Late availability. See your dealer for details.

LE BARON GTS

You'll love the way the LeBaron GTS goes. Fast and agile. You'll love the way the LeBaron GTS stops. Quick and confident. You'll love the way the LeBaron GTS looks. Clean and sophisticated. And you'll love the way the LeBaron GTS is priced. Affordable...simply affordable.

The 1988 Chrysler LeBaron GTS. With numerous luxury and performance features including power-assisted steering, gas shocks and antisway bars, and optional turbo power...this most impressive sport sedan takes on new challenges with every turn of the key.

LeBaron GTS Premium, shown in Black Clear Coat.

AMERICA'S LUXURY PERFORMANCE SEDAN WITHOUT THE LUXURY PRICE.

LeBaron GTS Premium, shown in Black Clear Coat.

CHRYSLER
LE BARON GTS

Once inside the LeBaron GTS, your senses are heightened to the purpose of sport driving. Everything is precisely as it should be. From the close-ratio, power-assisted steering to the fingertip controls to the clean, sensible instrumentation...it's all carefully positioned for maximum efficiency and convenience.

But LeBaron's attention to performance does not compromise touches of luxury and personal comfort. Such as seating for up to five. Or versatile passenger and cargo room. Or even special sound deadeners that keep all that comfort blissfully quiet.

LeBaron GTS Premium standard electronic instrument cluster.

SPIRITED PERFORMANCE...SPACIOUS COMFORT.

Optional Charcoal Corinthian leather interior, available only on Premium model.

C H R Y S L E R
LE BARON GTS

Make no mistake. The LeBaron GTS is a precision performance machine that challenges every twist...every turn...in its path.

But it takes more than a pulse-quickenning EFI engine (2.2-liter for Highline and 2.5-liter for Premium), and the confident, smooth-shifting five-speed manual transaxle (or available three-speed automatic transaxle) to create this instrument of agile transportation.

It takes clean, functional styling, molded smooth to slice the wind. The LeBaron GTS achieves this in its six-window design with flush-mounted windshield and liftback glass.

All this for pure, unencumbered control.

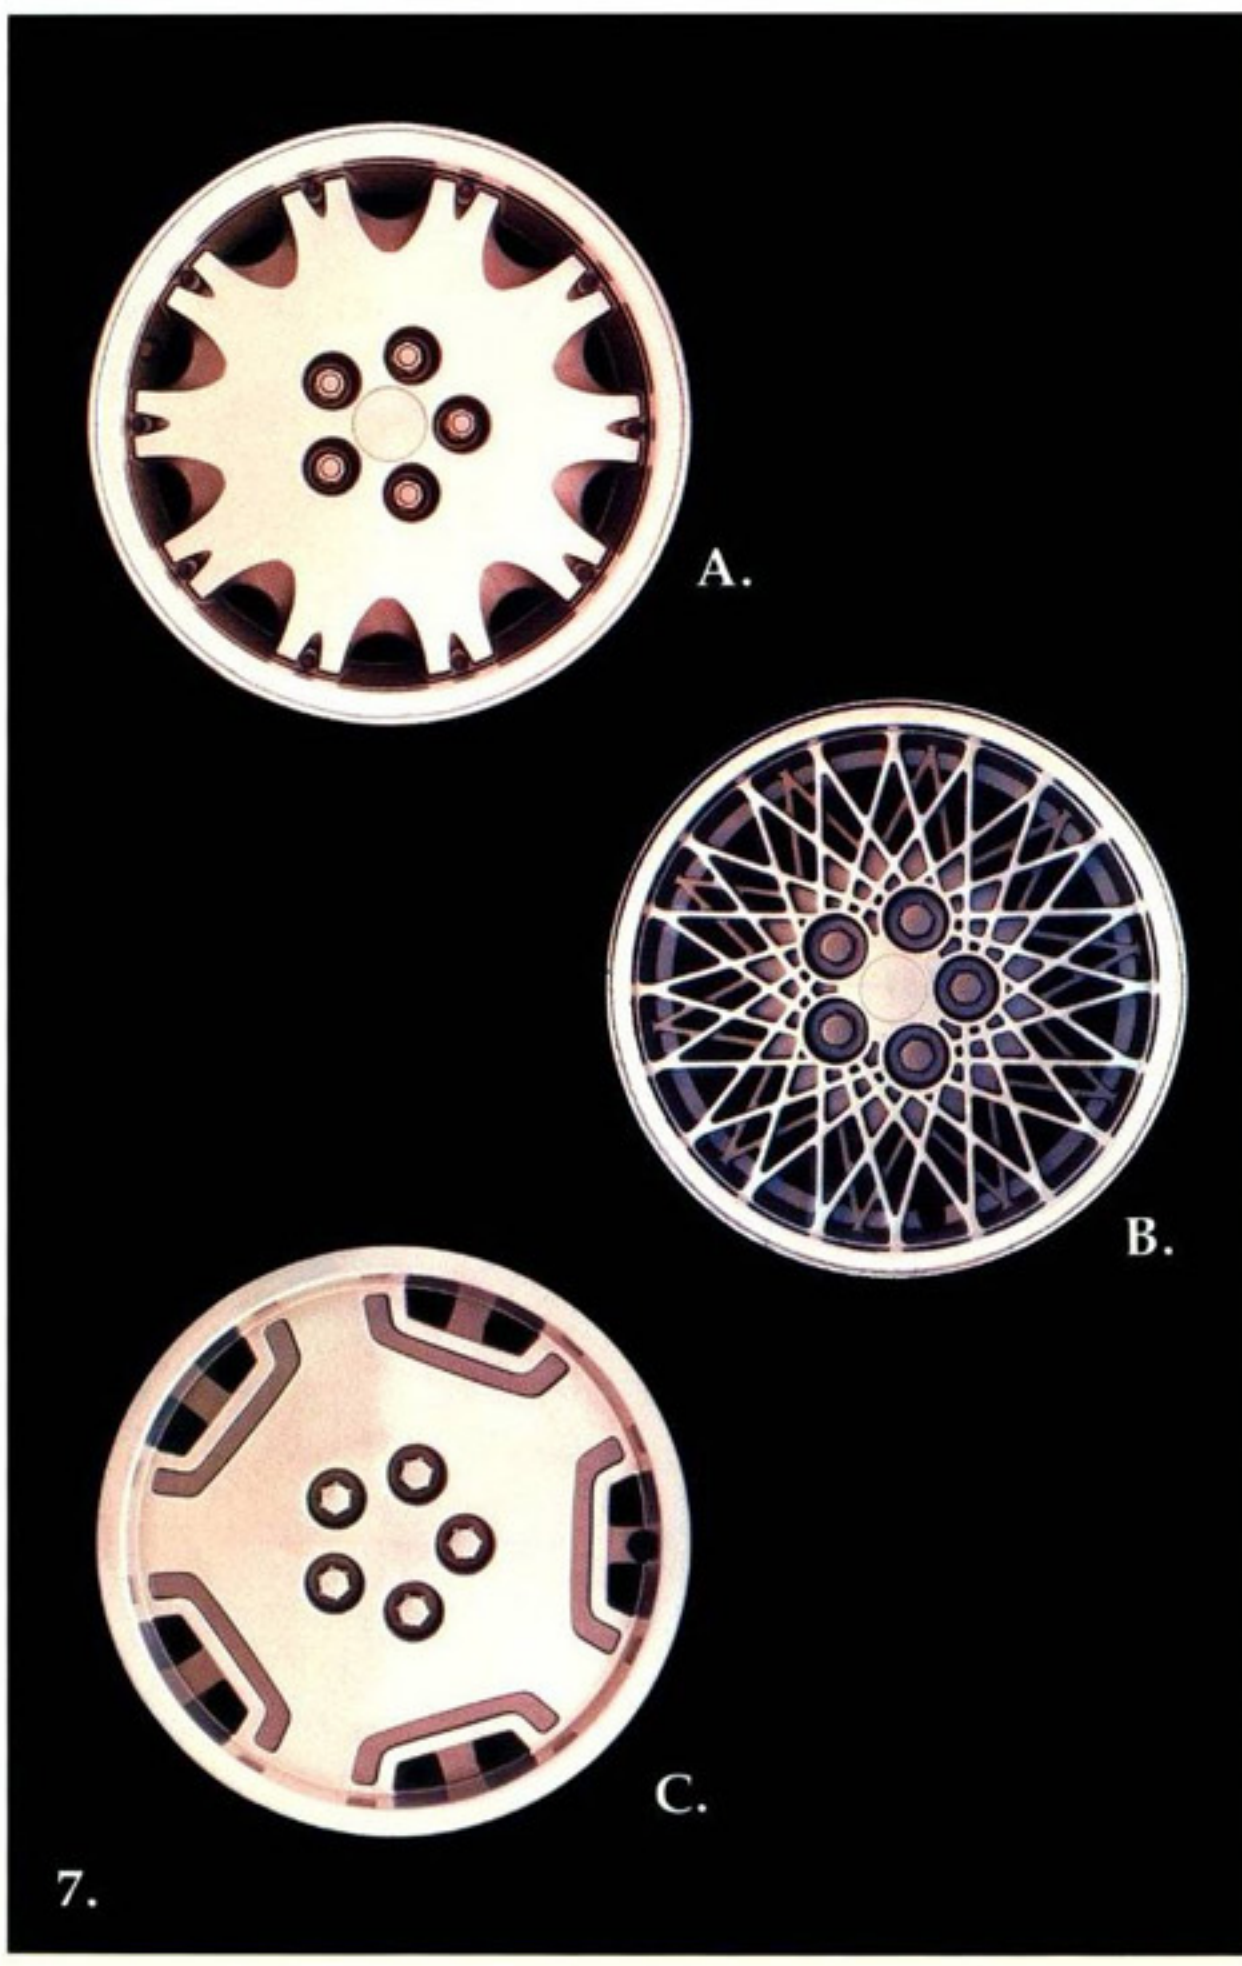

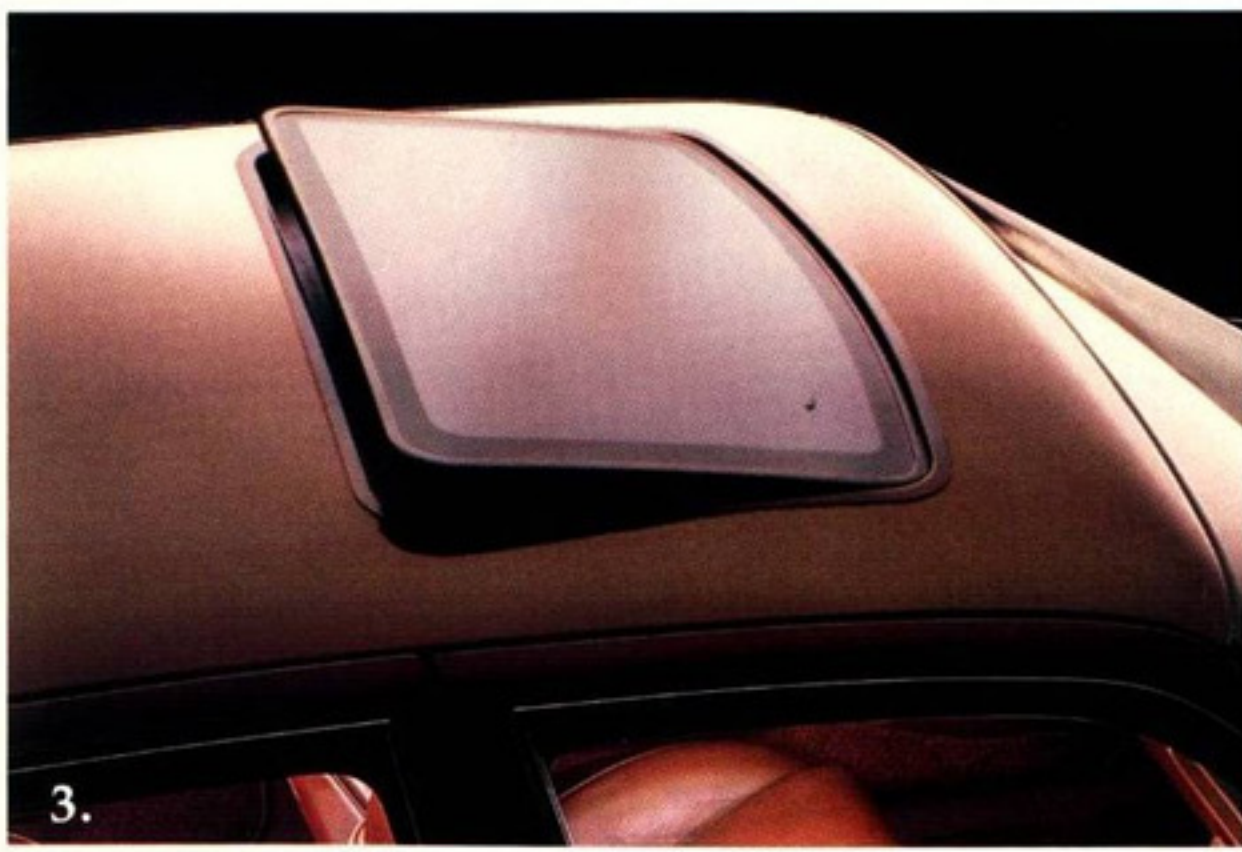

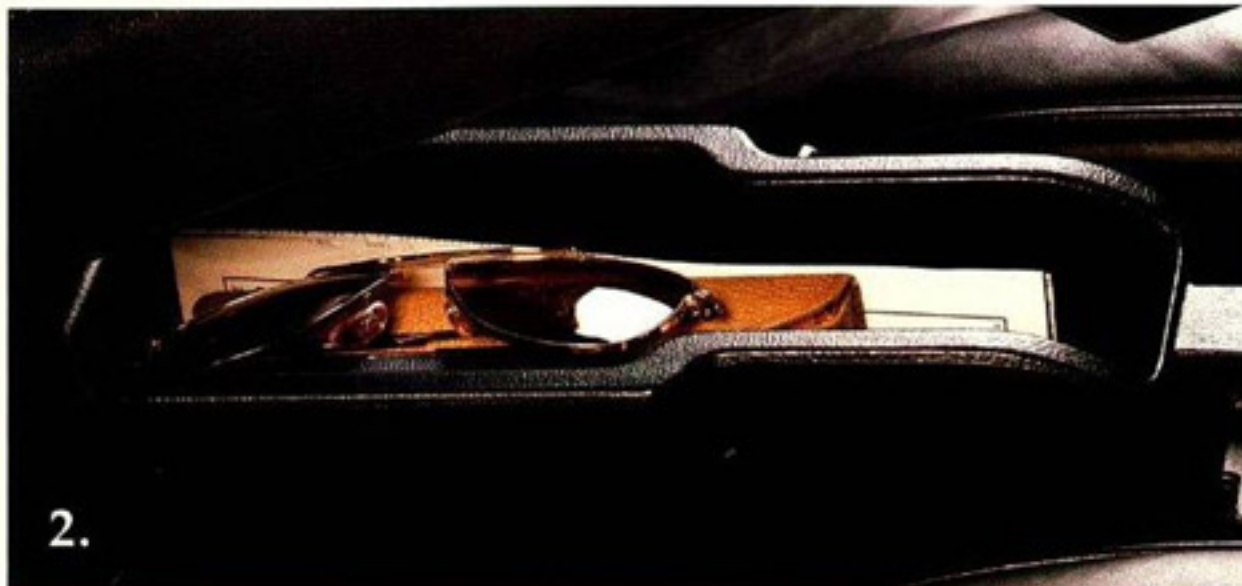

LeBaron GTS Highline's versatile standard liftback, shown in Claret Red Pearl Coat.

IT MOVES LIKE THE WIND...AND CAN STOP ON A DIME.

LeBaron GTS Highline, shown in Claret Red Pearl Coat.

LE BARON GTS STANDARD FEATURES, OPTIONS AND SPECIFICATIONS

The LeBaron GTS offers standard features and options that combine to create a sophisticated touring sedan. Among them:

1. The 2.5-liter multipoint EFI engine is standard on Premium models. Or choose the available 2.2-liter EFI Turbo I engine.

2. Center console armrest with illuminated storage bin. Convenient storage is enhanced by illumination. (Standard on Premium model and available on Highline in Basic Equipment Discount Package.)

3. Tinted power sun roof. When the sun roof panel is retracted, it is concealed between the roof and interior headliner, and the spring-loaded air deflector pops up to reduce wind noise. There's also a power tip-up feature for improved interior ventilation. (Luxury Equipment Package required when ordering this option for Highline.)

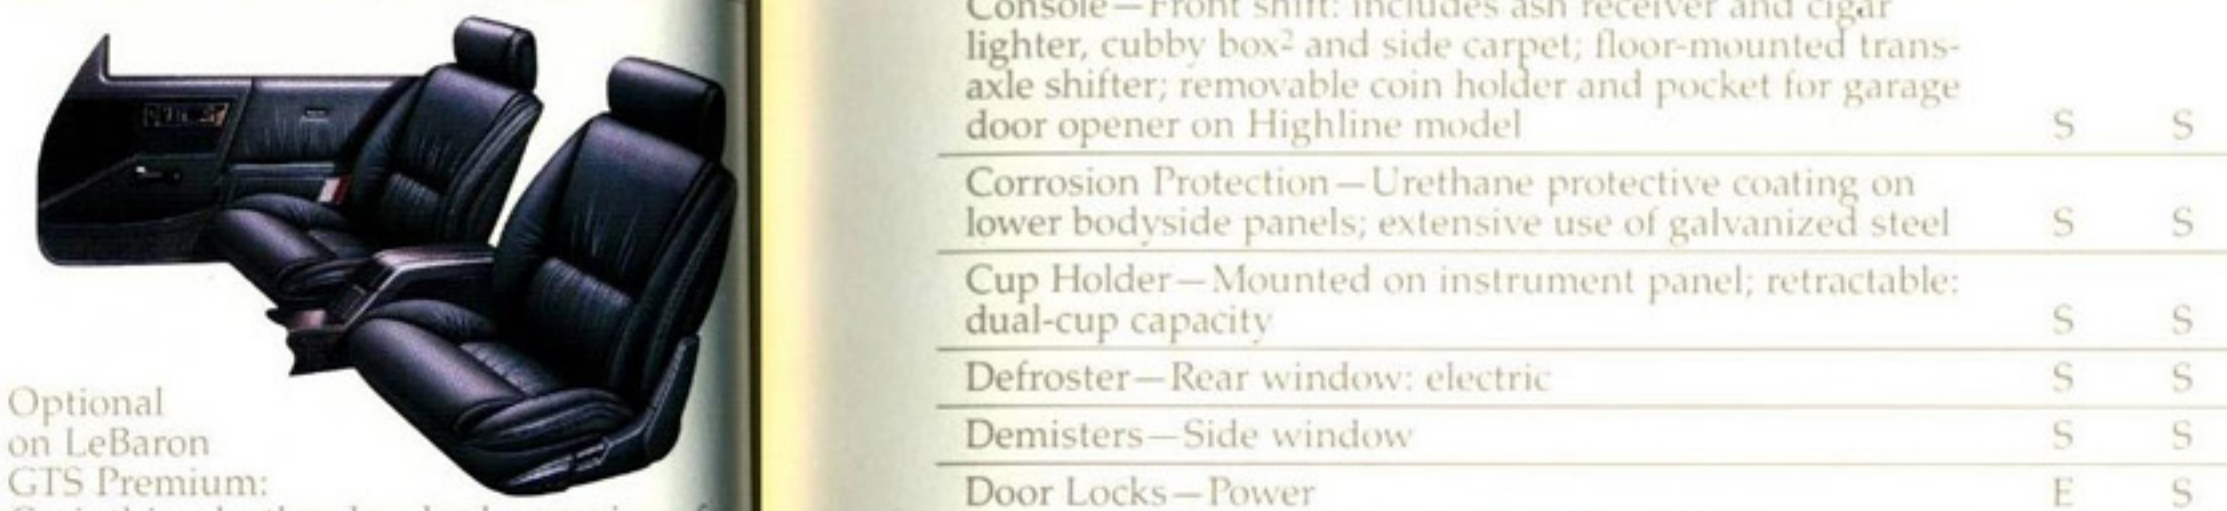

4. Chrysler Infinity II Sound System. Optional AM stereo*/FM stereo electronically tuned radio with a number of sophisticated features including: Infinity equalized eight-speaker system, tape player with automatic reverse, Dolby B† Noise Reduction and five-band electronic graphic equalizer; integral digital clock. (Available on Premium model only.)‡

5. Electronic speed control. This optional feature (available as part of the Deluxe Convenience Package) enables you to maintain a constant highway cruising speed for improved fuel efficiency and driver comfort.

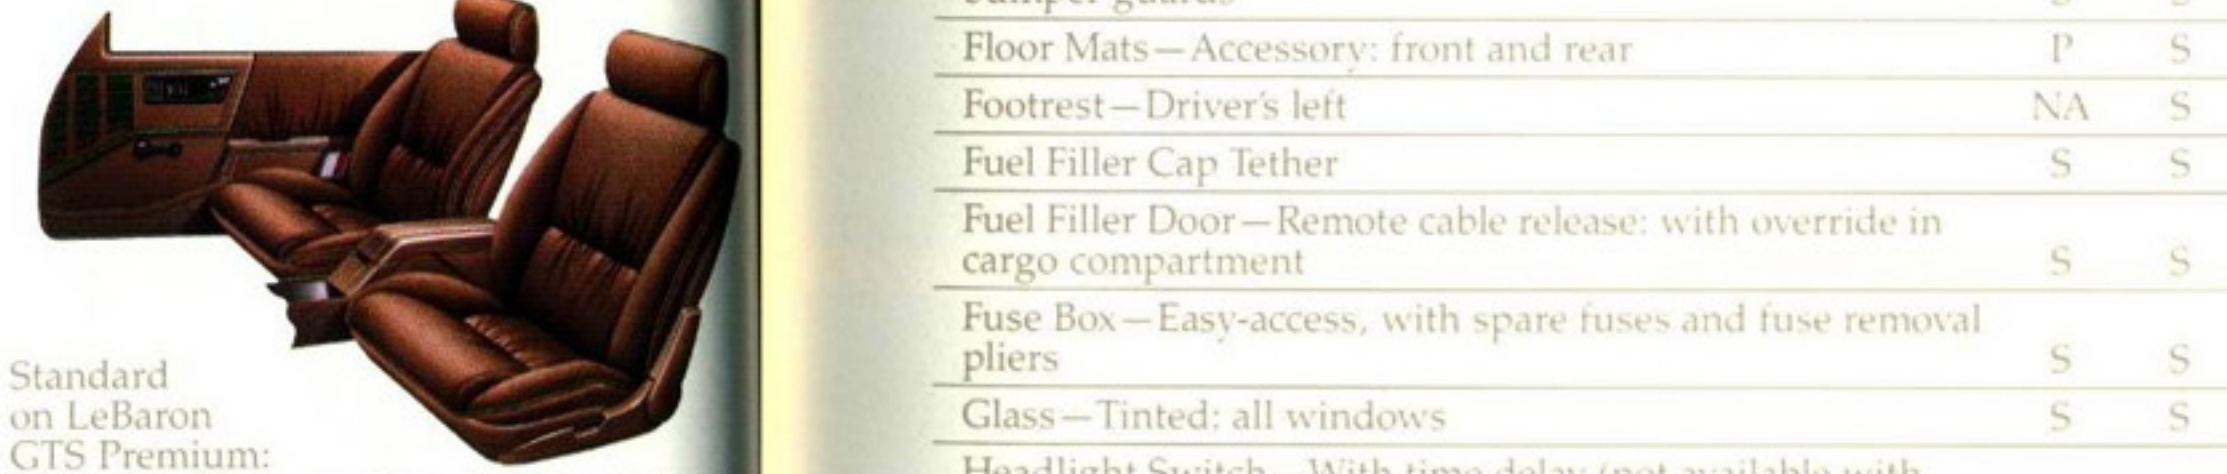

6. Electric rear window defroster. The standard electric rear window defroster includes a heating element grid on the rear window to keep it free of mist, snow and ice for clear views.

7. Wheels and wheel covers. A. Optional 15-inch cast aluminum road wheels with five-stud mounting (set of four) are available in the Road Wheel/Tire Package (Premium model only). B. Fourteen-inch lace wheel covers (set of four) are standard. C. Optional 15-inch luxury wheel covers (set of four) are available in the Wheel Cover/Tire Package.

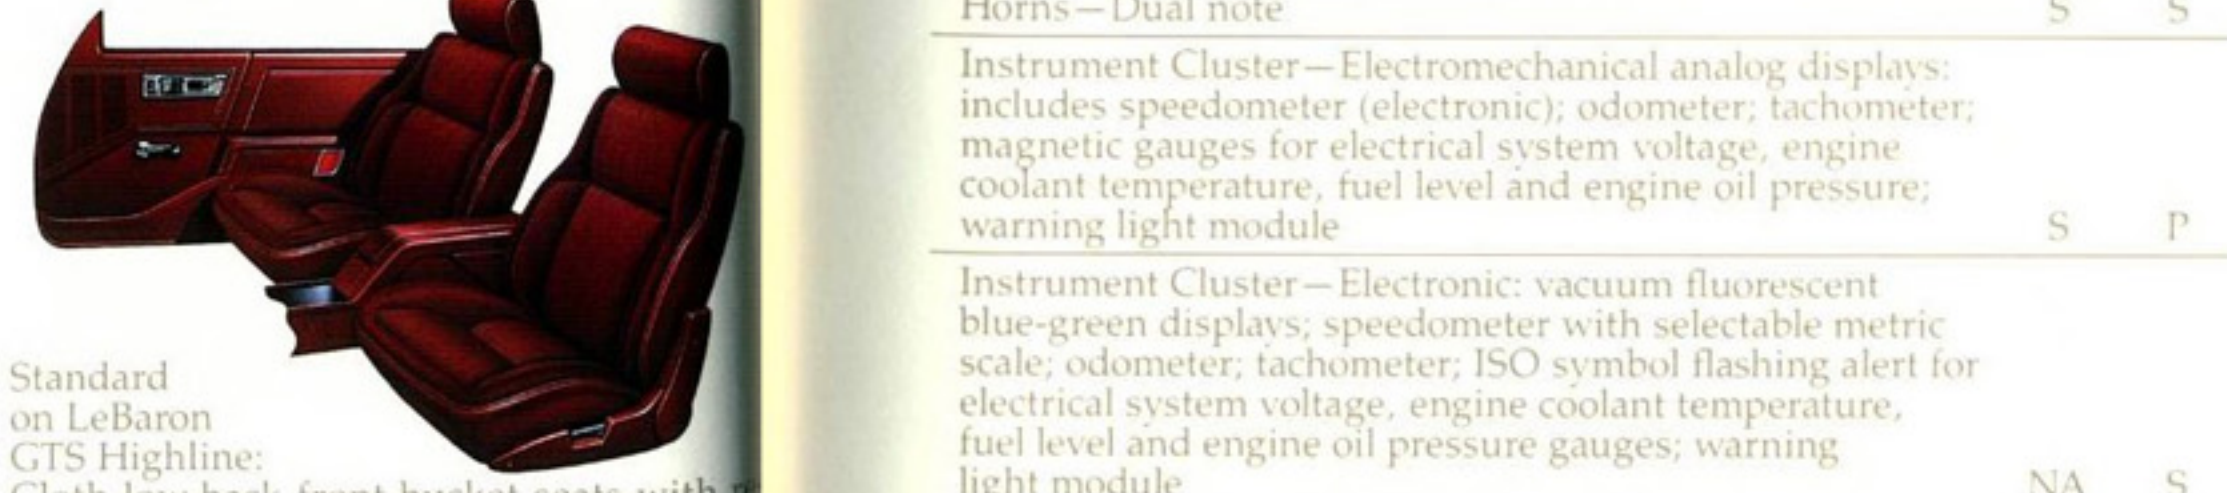

INTERIOR TRIM

Optional on LeBaron GTS Premium: Corinthian leather low-back premium front bucket seats with increased lateral support, reclining seatbacks and four-way adjustable head restraints; 40/60 split rear folding seatbacks with integral headrests; sport leather-wrapped steering wheel. Available in Charcoal, Twilight Blue, Bordeaux, Taupe.

Standard on LeBaron GTS Premium: Cloth low-back premium front bucket seats with increased lateral support, reclining seatbacks, four-way adjustable head restraints; 40/60 split rear folding seatbacks with integral headrests. Available in Charcoal, Twilight Blue, Bordeaux, Taupe.

Standard on LeBaron GTS Highline: Cloth low-back front bucket seats with reclining seatbacks, two-way adjustable head restraints; 40/60 split rear folding seatbacks with integral headrests. Available in Charcoal, Twilight Blue, Bordeaux, Taupe.

LE BARON FOUR-DOOR SEDAN

*There is a quiet elegance that bespeaks the quality
of the 1988 Chrysler LeBaron four-door sedan. It is distinctive
yet spirited. Classic yet contemporary.*

*But LeBaron is more than clean, fluid lines. It is an
example of Chrysler's unswerving commitment to building the finest
automobiles available to today's American family. Pure and simple.*

*The LeBaron lives up to this commitment with its
responsive 2.2-liter EFI engine...sure-gripping front-wheel drive...
and power-assisted rack-and-pinion steering.*

Because you want a vehicle you can count on. Time after time.

You want the 1988 LeBaron four-door sedan.

LeBaron four-door sedan, shown in Radiant Silver Clear Coat.

THE DEFINITIVE, TRADITIONALLY STYLED FAMILY SEDAN.

LeBaron four-door sedan, shown in Radiant Silver Clear Coat.

CHRYSLER
LE BARON FOUR-DOOR SEDAN

Clearly, LeBaron's commitment to quality family transportation extends to its luxurious interior.

Inside, LeBaron luxury takes many forms. It is full-sized roominess for up to six passengers. It is thoughtfully orchestrated instrumentation for split-second readings. It is unique sound deadeners for extreme quiet. And it is quality that's carefully built in and backed by Chrysler's exclusive 7/70 limited warranty (see page 59 for more details).

In short, the LeBaron four-door sedan is an open invitation to sit back...relax...and enjoy the ride.

LeBaron four-door sedan standard electronic instrument cluster.

THE FAMILY ROOM WAS NEVER SO COMFORTABLE.

LeBaron four-door sedan available cloth interior, shown in Charcoal.

CHRYSLER
TOWN & COUNTRY WAGON

*An intelligent blend of distinguished
good looks...self-indulgent interior appointments...
and no-nonsense wagon features.*

*The Town & Country wagon makes luxury a standard with
rich wood-like styling accents, premium wheel covers,
and electronic instrumentation.*

*But it's more than luxury. It's performance. The powerful 2.5-liter
EFI balance-shaft engine teams with a smooth three-speed automatic
transaxle and decisive front-wheel drive for a sedan-like ride.*

The 1988 Town & Country wagon.

For today's versatile lifestyles.

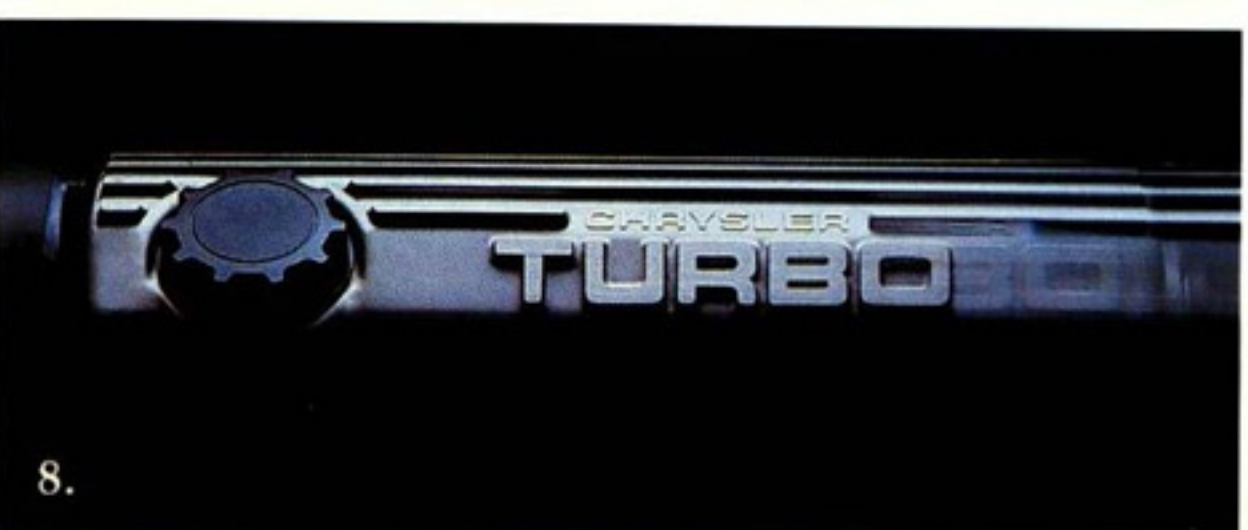

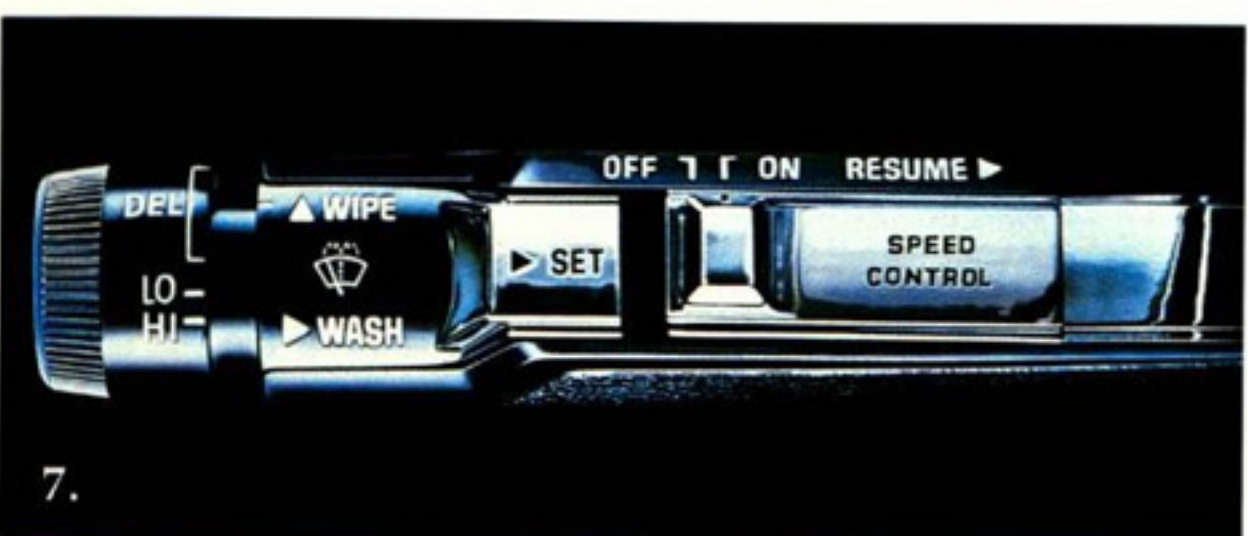

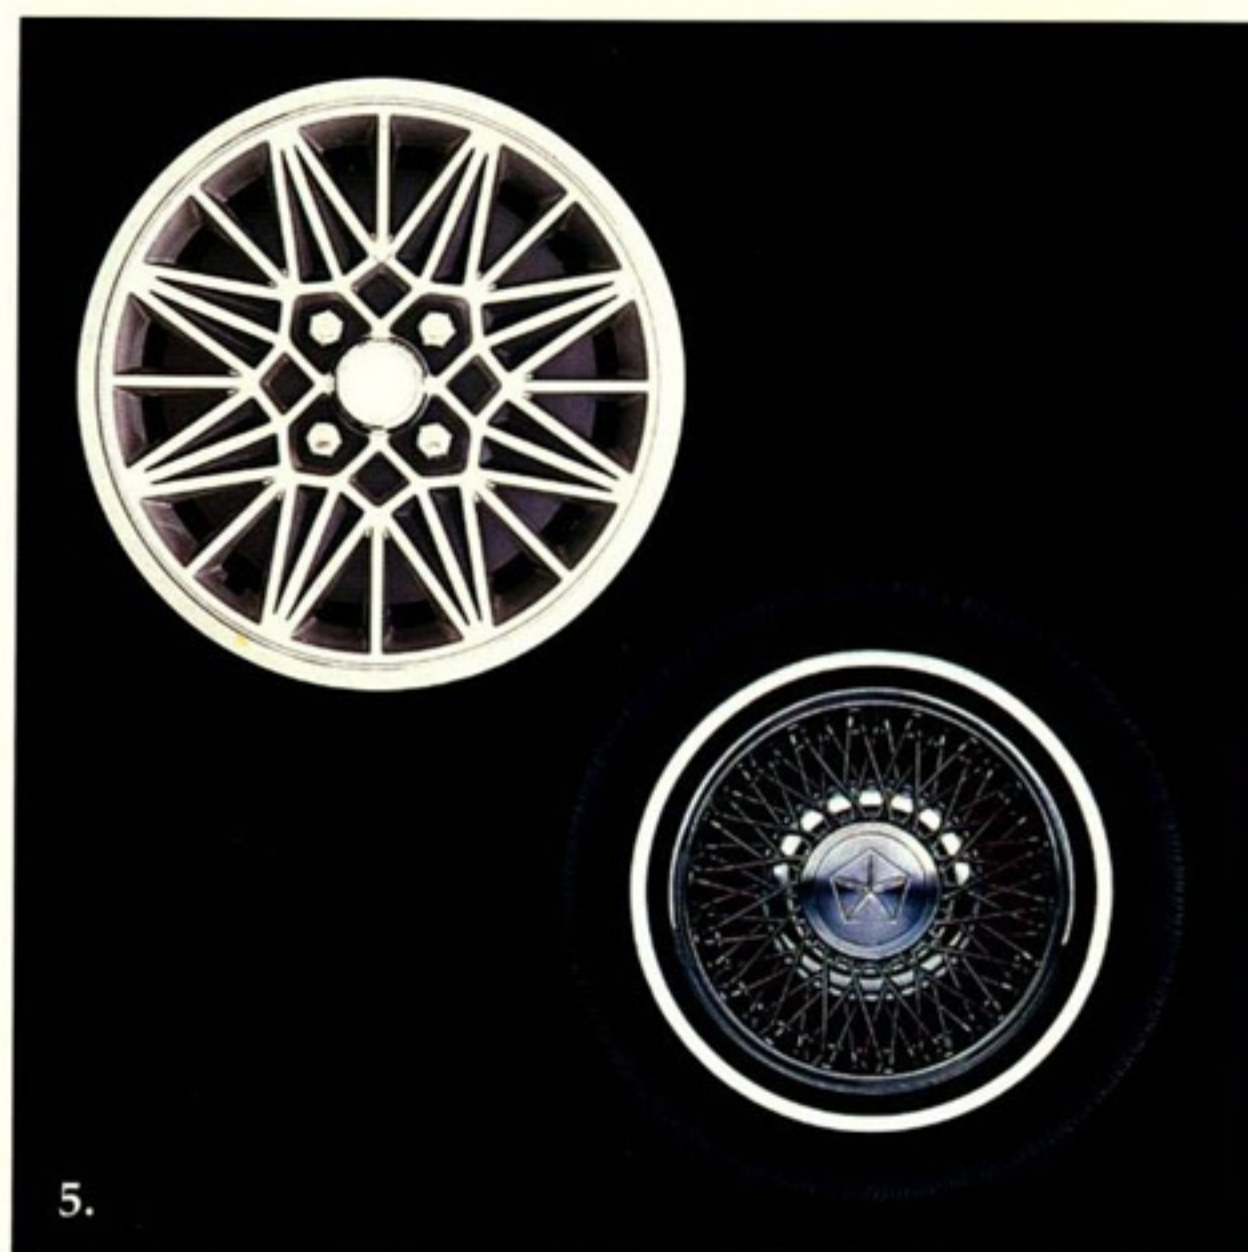

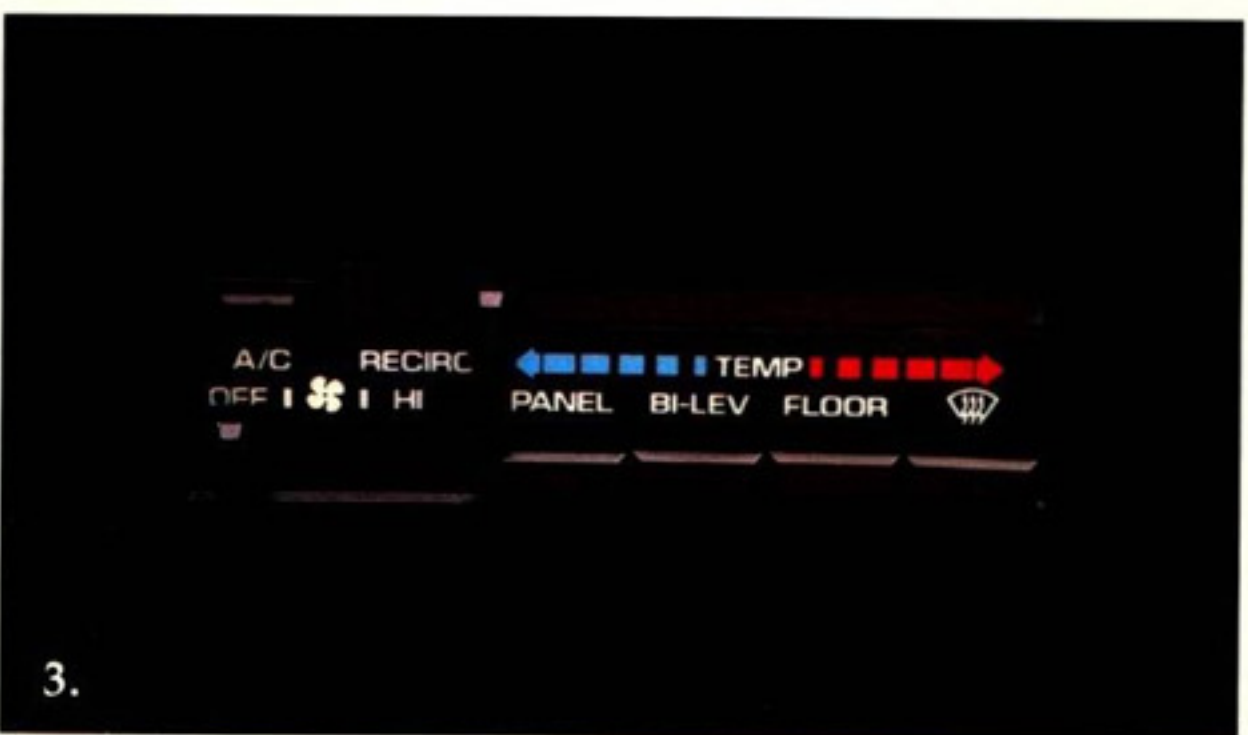

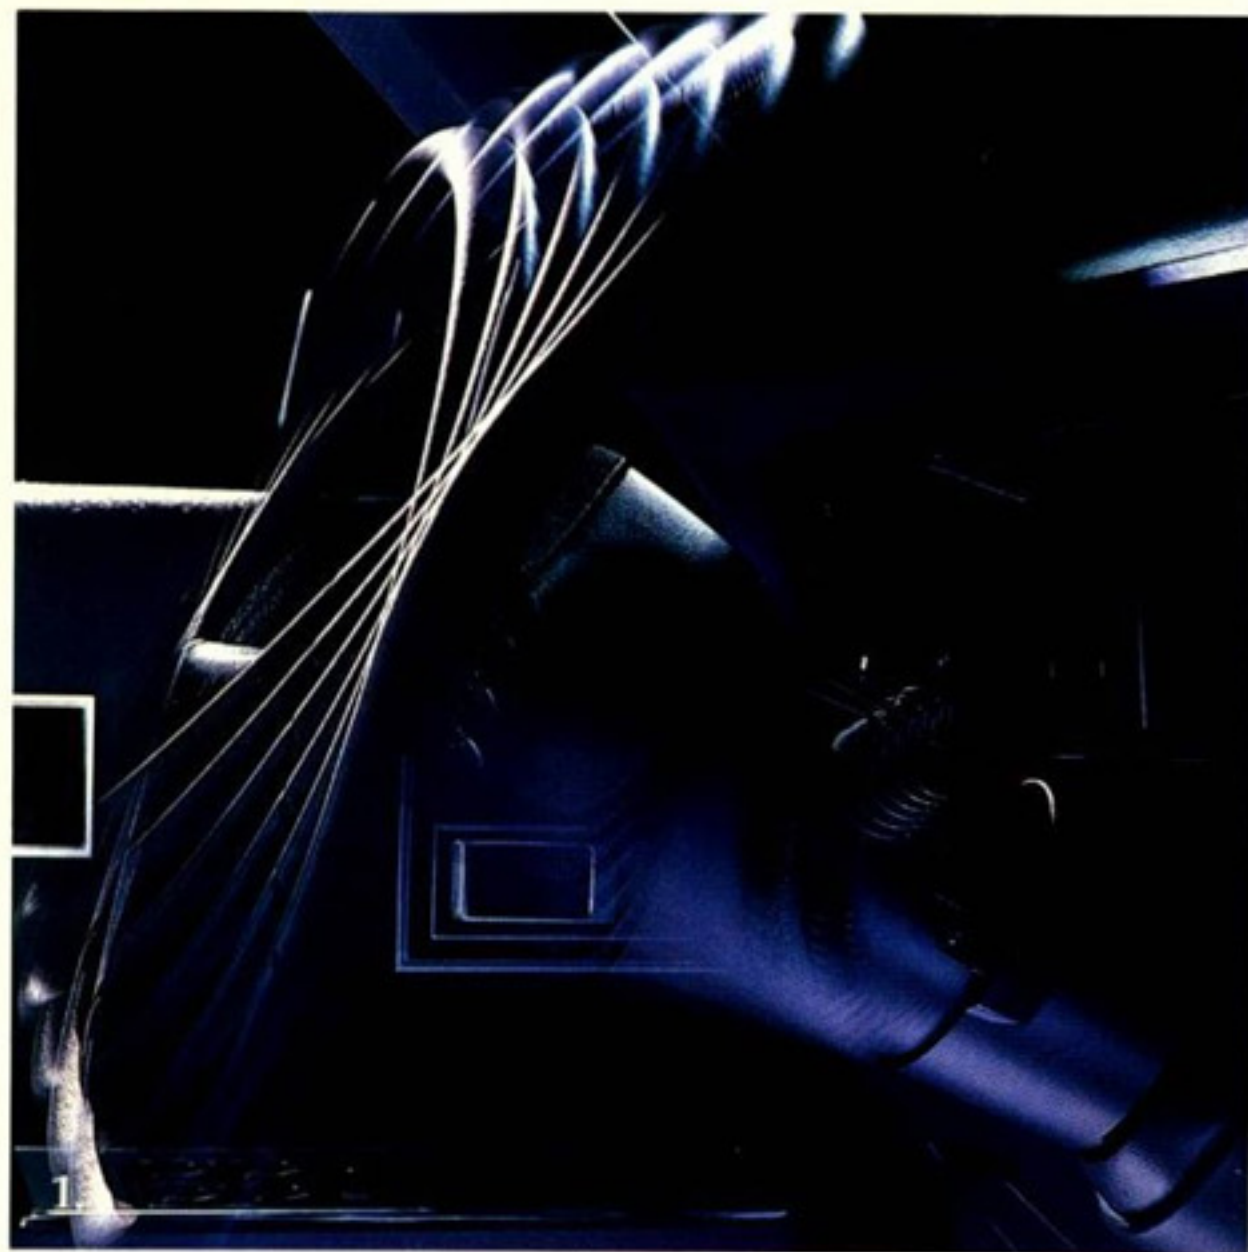

Town & Country wagon available Mark Cross leather, shown in Almond/Cream.

FOR THOSE WHO APPRECIATE GRACIOUS WAGON LIVING.

Town & Country wagon, shown in Bright White Clear Coat.

LE BARON FOUR-DOOR SEDAN AND TOWN & COUNTRY WAGON STANDARD FEATURES, OPTIONS AND SPECIFICATIONS

The LeBaron four-door sedan and Town & Country wagon boast a number of features—standard and optional—that make driving pure pleasure.

1. **Tilt steering column**, available in the Popular and Luxury Equipment Discount Packages, allows the driver to select one of six steering wheel positions for increased comfort.

2. **Premium AM stereo*/FM stereo radio** with electronic tuning, integral digital clock, cassette tape player with automatic reverse, Dynamic Noise Reduction† and four speakers is optional.

3. **Optional air conditioning** is integrated into the bi-level ventilation to improve air circulation and help reduce cold spots.‡

4. **Spacious cargo capacity** extends to 67.1 cubic feet with rear seat-back folded down. Protective skid strips and rear automatic load leveling and height control are standard.

5. **Wheels and wheel covers**. Choose the standard premium road wheels or optional locking wire wheel covers (set of four).

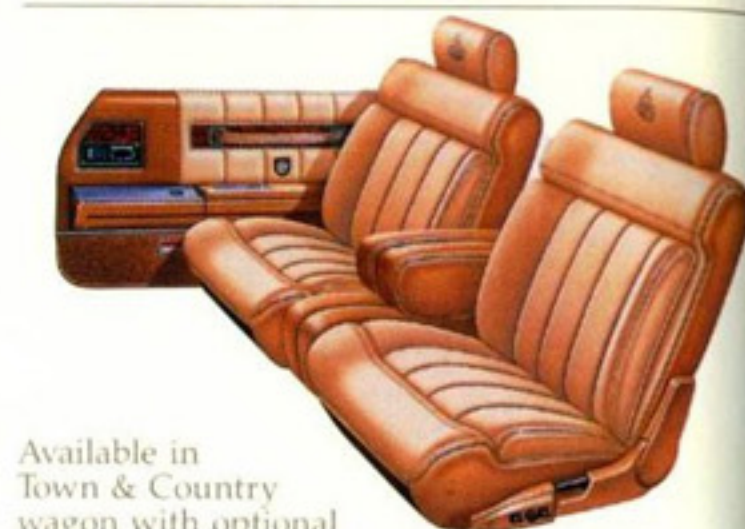

6. **2.5-liter EFI balance-shaft engine** (standard on Town & Country station wagon and an option on the four-door sedan) offers increased low-end torque and exceptionally smooth performance in all speed ranges.

7. **Electronic speed control** provides accurate fingertip control of highway cruising and helps increase fuel efficiency by enabling you to drive at a constant speed. Available in Popular Equipment or Luxury Equipment Discount Package only.

8. **Optional 2.2-liter multipoint EFI turbocharged engine** has 146 horsepower for outstanding performance.

*Some AM stereo broadcasting may not be compatible with this radio.
†Dynamic Noise Reduction is a trademark of the National Semiconductor Corporation.
‡There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

INTERIOR TRIM

Available in Town & Country wagon with optional Mark Cross Package only. Mark Cross leather 50/50 individually adjustable front seats with adjustable head restraints, dual folding center armrests, and reclining seatbacks. Both front seatbacks have rear pockets. Matching rear folding bench seat. Available in Almond/Cream.

Optional on LeBaron four-door sedan. Cloth front high-back bucket seats with integral head restraints and reclining seatbacks. Matching rear bench seat. Includes Center Console Package with freestanding front center armrest and full-length forward console housing ash receiver, center and rear open storage bins, coin holder, cup holder (replaced by cassette tape holder when cassette tape player is ordered), floor-mounted shift lever, forward storage bin with latching door. Available in Twilight Blue, Charcoal, Cordovan.

Standard on LeBaron four-door sedan and Town & Country wagon. Cloth front bench seat with folding center armrest and adjustable head restraints. Matching rear bench seat. Available in Twilight Blue (not available on wagon), Charcoal, Cordovan, Almond (not available on four-door sedan).

No-cost option on Town & Country wagon. All-vinyl front low-back bucket seats with adjustable head restraints and reclining seatbacks. Matching rear bench seat. Center Console Package (described above) is included. Available in Cordovan, Almond.

Clear Coat finish is standard on every 1988 passenger car built by Chrysler Motors.

STANDARD SAFETY FEATURES

All 1988 Chrysler Division cars are equipped with the following standard safety features for added protection and peace of mind...

- Antitheft ignition and steering column lock
- Antitheft trunk lock
- Backup lights
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Center high-mounted supplemental stoplight
- Combination lap-shoulder belts for driver and right front passenger; lap belts for all other passengers
- Double ball-joint rearview mirror mount
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Dual throttle return springs
- Electric windshield washers and wipers
- Energy-absorbing front seatbacks
- Energy-absorbing instrument panel
- Energy-absorbing steering wheel
- Fade-resistant front disc brakes
- Fasten seat belt reminder
- Front seat head restraints
- Glare reduction measures for instrument panel, steering wheel, and windshield wipers
- Hazard warning flasher system
- Headlight and wiper circuit breakers with automatic reset
- Inside and outside rearview mirrors
- Inside hood release
- Interlocking door latches
- Key left in ignition warning
- Non-override door locks*

- Shatter-resistant glass
- Side door beams
- Side marker lights and reflectors
- Turn signals with lane-change feature

*On all doors on new 1988 New Yorker and New Yorker Landau; on all doors, except driver's door, on all other models.

All product illustrations and specifications are based on authorized information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

STAINLESS STEEL EXHAUST SYSTEM

On all Chrysler Motors cars and trucks, all components of the exhaust system employ corrosion-resistant steel, which has superior resistance to rust and fatigue caused by high heat. This system provides longer life than do conventional exhaust systems. Chrysler Motors provides the stainless steel exhaust system on *all* its 1988 cars and trucks both domestic and import.

CONSIDER LEASING

More consumers are considering leasing as an alternative to buying. Leasing a new Chrysler vehicle usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

OPTIONAL SERVICE CONTRACT COVERAGE

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler

Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

7/70 POWER TRAIN LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles, whichever comes first. A deductible applies. See your dealer for a copy of the warranty. Law enforcement, limousine, taxi and export vehicles excluded.

7/100 ANTICORROSION LIMITED WARRANTY

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles, whichever comes first. See your dealer for a copy of the warranty.

MOPAR parts are engineered by Chrysler Motors for use in your new Chrysler vehicle. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

CHRYSLER PURCHASE ASSISTANCE PROGRAM FOR THE PHYSICALLY CHALLENGED

Cash rebates up to \$500 are available for qualified adaptive driving devices on 1988 Chrysler Motors cars and trucks. For further information, contact your dealer or the Physically Challenged Resource Center at 800-255-9877.

Buckle up for safety.

CHRYSLER. DRIVING TO BE THE BEST.

*At Chrysler, our goal is to provide
the best in engineering, quality,
luxury and prestige.*

*Whether it's an elegant luxury sedan
or powerful road car, each
fine Chrysler automobile is carefully
crafted to be the best.*
