2027

CHEROKEE

BUYER'S GUIDE

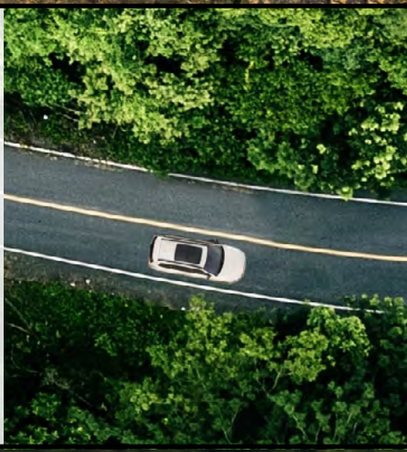

FRONT RUNNER

EARLY INFLUENCER Jeep® Cherokee holds the distinction of being America's Original Modern Sport Utility Vehicle,[1*] and for 2027, it continues to set the standard. Its updated exterior achieves forward-looking design while retaining classic Jeep Brand cues. Cherokee is highly efficient in every capacity, chalking up over 500 miles of total range[2] on a single tank of gas, while maximizing roominess with unsurpassed rear interior seat room.[3] This latest version of Cherokee re-emphasizes the "Sport" in Sport Utility Vehicle, providing the confidence that comes from advanced maneuverability features and over 140 standard and available safety and security features.

*A note about this Buyer's Guide: all disclosures can be found on the last page.

Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

INSTIGATOR

DEPENDABLY SPONTANEOUS Jeep® Cherokee always keeps things interesting with the capability to support just about any adventure you dream up. Driving it all is Cherokee's 1.6L I-4 Turbo engine, paired with an Electronic Variable Transmission (EVT). It delivers 210 horsepower and 230 lb-ft of torque from peak combined output, an unsurpassed towing capacity of 3,500 lb. and the Best-in-Class departure angle[3]. Cherokee takes on uncharted territory with the Jeep Active Drive I 4x4 System and the Trailhawk® model's Jeep Active Drive II System with Jeep Active Drive Lock. The Selec-Terrain® Traction Management System toggles between ideal settings for Sport, Auto, Snow and Sand/Mud conditions—plus an added Rock mode, exclusive to Trailhawk models.

OVERLAND® IN HYDRO BLUE PEARL

BEAUTIFUL VIEW The latest Jeep Cherokee exterior design inspires people to stop and take it all in. It incorporates sleek lines and signature accents that feel at home in the wilds of nature and city streets alike. Recent updates include a grille design with a Gloss Black surround and Dark Neutral Gray accents. Dramatic views span from the available Gloss Black painted roof to rugged Trailhawk features like off-road fascia, tow hooks, increased ride height and the signature Trail Rated® badge. Guiding light sources include unique U-shaped LED daytime running lamps (DRLs); an available Dual-Pane Panoramic Power Sunroof easily opens to the blue skies and starry heavens above.

SAFETY AND SECURITY Jeep Cherokee takes multiple measures (over 140 of them) to help keep you out of harm's way. Included in these features are nine advanced multistage air bags,[4] Advanced Brake Assist[5] with Full-Speed Forward Collision Warning Plus[5] (FSFCW+) and Pedestrian/Cyclist Emergency Braking.[5] The Cherokee Active Driving Assist System[6] features the Active Lane Management System,[7] Blind Spot Monitoring (BSM),[8] Rear Cross-Path Detection System,[9] and Adaptive Cruse Control (ACC) with Stop and Go.[6] Exclusive on Trailhawk models, Selec-Speed® Control assists with downhill descents and eliminates heavy braking. In the Advanced Pro Tech group, the 360° Surround-View Camera System[9] keeps you well-informed.

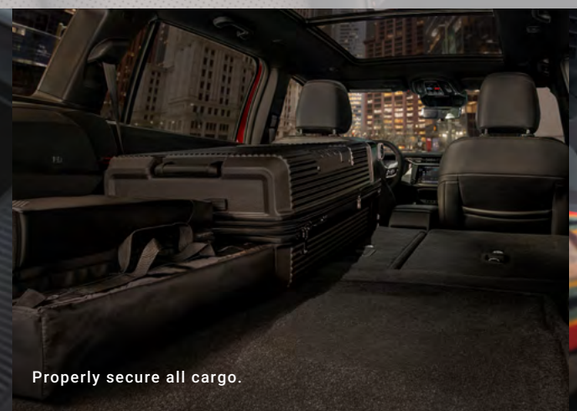

HIGH GROUND

LOFTY IDEALS From the very start, Jeep® Cherokee elevated the Four-Wheel Drive (4WD) experience with unprecedented interior refinements. For 2027, it continues to level-up travel with thoughtful designs and conveniences. Highlights include available cloth or leatherette seats that feature embossed or perforated designs, along with available heat and ventilation. A modern-design, premium-wrapped steering wheel offers mounted audio and cruise controls, available heat, and a view of the 10.25-inch digital, full-color Driver Information Display (DID). The standard Uconnect®5 system with available GPS Navigation,[10] an intuitive 12.3-inch touchscreen display and configurable screen allows for hands-free talk and text, and transitions easily to your preferred phone through wireless Apple CarPlay®[11] or Android Auto™[12] Find clever storage solutions in the front floor console, under the cargo area load floor and in all four door pockets—plus, there's an available wireless charging pad under the console lid.

(1) Based on historic engineering firsts including the first unibody frame in a compact SUV; solid front axle with Quadra-Link front suspension; shift-on-the-fly 4WD; 4-door models; and two distinct 4x4 drive systems. Based on the latest available competitive information. (2) Based on manufacturer's-estimated 37 combined MPG and 13.7-gallon fuel tank with 1.6L Turbo engine paired with automatic Electronic Variable Transmission. Range based on fully charged battery achievable under ideal driving conditions. Actual range may vary and depends on various factors, including but not limited to: weather conditions, traffic conditions, driving style, terrain, tire, wheel and additional accessories equipped on the vehicle. For more information, visit www.fueleconomy.gov or contact dealer for more details. (3) Class based on FCA US LLC Mid-Size Sport Utility Vehicle segmentation. Excludes ICE vehicle and other FCA US LLC vehicles. Based on the latest available competitive information. (4) Always sit properly in designated seating positions with seat belts securely fastened at all times. (5) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (6) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (7) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (8) Always check visually for vehicles prior to changing lanes. (9) Always check entire surroundings visually before proceeding. (10) This system is not intended to be used while vehicle is in motion. (11) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Apple terms of use and privacy statements apply. (12) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (13) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (14) All SiriusXM services require a subscription, sold separately by SiriusXM, after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (15) All vehicles properly equipped to receive connected services are eligible to purchase a subscription. If you elect to purchase a subscription at any time, your service will renew for the billing interval you have selected and each term thereafter. Your payment method on file will automatically be charged the then-current subscription rate plus applicable taxes & fees at the end of each billing period in accordance with the term of your Subscriber Agreement unless you cancel prior to the billing date. You may cancel your subscription at any time online or by calling 1-800-777-3600. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. Review the applicable terms of service for complete terms and conditions, including service limitations. (16) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of either the expiration of the trial period or usage of included 3GBs, the trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with Internet-enabled mobile device. Contact your dealer for details. Wi-Fi Hotspot functionality available in U.S. and Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (17) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (18) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (19) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (20) Always drive carefully, consistent with conditions. (21) Check state and local laws regarding the use of remote start systems. (22) Not compatible with all garage doors. (23) Vehicle must be locked and system activated for alarm to sound. (24) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (25) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. (26) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
