2027

[1]Feature availability varies by vehicle model year, model, trim level, packaging and options. [2]Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent, or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings, and safely operate the vehicle. Read your vehicle's Owner's Manual for further information. [3]Extra cost option. [4]See **NissanUSA.com/connect/legal** for more NissanConnect features/services information. [5]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [6]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [7]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. [8]188 hp and 180 lb-ft of torque on FWD models. 182 hp and 178 lb-ft of torque on AWD models. [9]2027 EPA Fuel Economy Estimates. 26 City MPG / 36 Highway MPG / 30 Combined MPG for Altima® SV and SR FWD. 25 City MPG / 33 Highway MPG / 28 Combined MPG for Altima SR AWD. [10]Available on AWD models and SV FWD with Premium Package. [11]Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. [12]Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. [13]Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [14]Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. [15]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. [16]Vehicle must be on for the Easy-Fill Tire Alert to operate. [17]FWD models only. [18]For complete limited warranty details, see your Nissan dealer and read the vehicle's Warranty Information Booklet. [19]Only front kick plates illuminate. [20]Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. [21]Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. [22]AWD models only. [23]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. [24]Roadside assistance coverage period varies by model year/model. Accelerate towards extraordinary

The 2027 Nissan Altima® is here, with exhilarating performance, connective tech,[4] and styling that turns heads. An available Intelligent All-Wheel Drive system provides enhanced handling and traction in poor weather conditions to deliver added confidence on the journey ahead.[2]

Nissan Altima® SR shown in Pearl White TriCoat / Super Black Two-tone with Splash Guards and optional equipment.[3]

Take command

Behind the wheel of the Altima,® it's all about you. Ergonomically designed switches and steering wheel controls put everything you need right where you need them. The large, bright 12.3-inch center display brings important data into clear focus.[1, 4] Messaging, mapping, and music are all at your fingertips. And the 7" Advanced Drive Assist® Display shows your vehicle status information including safety functions, tire pressure, and more.[1, 4, 5, 6, 7]

More convenience, less clutter

Ditch the cords. Altima's available wireless charging and standard smartphone integration keep you connected and powered up, hassle-free. Once paired, enjoy a simple and seamless connection.[4, 7]

Wireless charging Simply place your compatible smartphone on the charging pad, and you'll stay powered up without having to plug in.[1]

Wireless Apple CarPlay® integration Connect your compatible iPhone® to your Altima without cables for a clutter-free cabin space. Access apps, navigation, calls, music, and more on your car's display or with Siri® voice control.[1, 4, 5, 7]

Wireless Android Auto™ compatibility No cords, no hassle. Wirelessly connect your compatible Android™ phone to map routes, send texts, jam out, and more, all with the power of your voice.[1, 4, 5, 6, 7]

Intelligent All-Wheel Drive[1, 2]

Snow day? No problem! Available Intelligent All-Wheel Drive continuously monitors road conditions and responds in an instant, sending power to the wheels that need it most.[2]

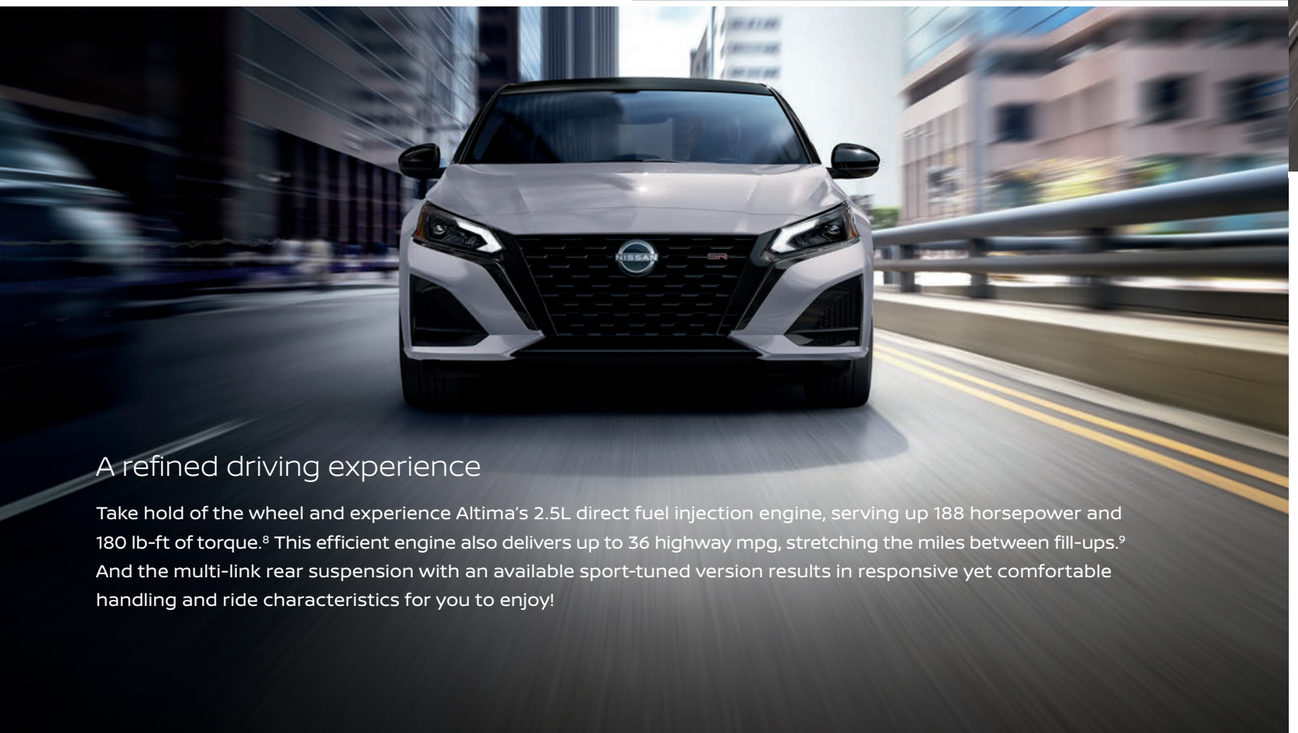

Nissan Safety Shield® 360

Safety Shield 360 includes features that can help you see more, sense more, and can give you an assist when you need it. The following features are standard on every 2027 Nissan Altima.[2]

Automatic Emergency Braking with Pedestrian Detection[2] | Rear Automatic Braking[2] | Blind Spot Warning[2] | Rear Cross Traffic Alert[2] | Lane Departure Warning[2] | High Beam Assist

A refined driving experience

Take hold of the wheel and experience Altima's 2.5L direct fuel injection engine, serving up 188 horsepower and 180 lb-ft of torque.[8] This efficient engine also delivers up to 36 highway mpg, stretching the miles between fill-ups.[9] And the multi-link rear suspension with an available sport-tuned version results in responsive yet comfortable handling and ride characteristics for you to enjoy!

ProPILOT Assist

Suddenly traffic doesn't seem quite as tedious. With the innovative ProPILOT Assist, your Altima® helps keep you centered in your lane and following the car ahead at a preset distance. It can even bring your Altima to a full stop based on the highway traffic flow and can bring you back up to speed when traffic starts moving again.[1, 2]
