Shine in the dark

Introducing Murano® Dark Armor, a bold statement in design. Conquer the city and beyond with a style that's equally striking and understated, featuring gloss black bumper accents and side moldings, a gloss black rear diffuser, 21" gloss black aluminum-alloy wheels with gloss black aero covers, and distinct Dark Armor badges. Murano Dark Armor screams confidence and still brings a sleekness that somehow never goes unnoticed.

Journey beyond, relax within

Step into your moment. Murano® leaves a lasting impression with a boldly stylish design that makes the ordinary become extraordinary. Sit back and savor luxurious massaging front seats,[1] and set the mood to your liking with 64 color choices of ambient lighting.[1] And with the expansive panoramic moonroof,[1] wherever your drive takes you, you have the sun, the moon, the stars, and a soft breeze.

You heard it here first. Bose, a leader in high-fidelity sound systems, designed an available highly customized listening experience for Murano. Based on proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.[1]

Instant connection

With up to three customizable displays, connecting has never felt more personal. A 12.3" digital dashboard and 12.3" touch-screen display create a seamless cinema-like display of information.[2, 6, 7] And with available Google built-in, Google Assistant and Google Maps help you find nearby restaurants and stores — no phone required.[2, 8, 9]

Hands-off, foot-off

With ProPILOT Assist 2.1, Murano® takes the edge off stop-and-go traffic. Just set it, and the system assists with steering, speed, and distance, letting you go hands-off and foot-off when the freeway allows and take charge of your commute with more confidence and focus.[1, 11]

Nissan Murano® Platinum shown in Boulder Gray Pearl / Super Black Two-tone with optional equipment.[4]

Forward-thinking tech

Murano's available Head-Up Display allows you to keep what's important right in your line of sight. This premium feature projects information, such as your current speed and the posted speed limit or currently playing song titles, right onto the front windshield for easy viewing.[1, 6, 10]

Murano® sees a lot of what you can't

3D Enhanced Intelligent Around View® Monitor Experience an enhanced view all around with Murano. Effortlessly rotate the virtual camera view to help you judge distances and spot obstacles, so you can maneuver with even more confidence when you need it.[1, 3, 12]

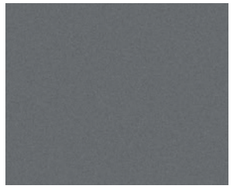

Invisible Hood View See what's ahead of you with clarity and focus. This available, innovative feature gives you a view through your front wheels and hood for even more precision and confidence when you need it most.[1, 3]
