

ROGUE® HYBRID

2027

[1]Feature availability varies by vehicle model year, model, trim level, packaging and options. [2]Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent, or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings, and safely operate the vehicle. Read your vehicle's Owner's Manual for further information. [3]Extra cost option. [4]Fuel economy based on targeted 2027 EPA Fuel Economy Estimates. EPA data not available at time of publication. Targeted 2027 fuel economy 41 City MPG / 36 Highway MPG / 38 Combined MPG for Rogue Hybrid SR. Targeted 2027 fuel economy 41 City MPG / 35 Highway MPG / 37 Combined MPG for Rogue Hybrid SV and Platinum. Estimate based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions. Use for comparison only. [5]Zero Gravity seats for front and rear outboard passengers only. [6]Information displayed in image is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [7]Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information. [8]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [9]Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. [10]Feature availability varies by vehicle model year, model, trim level, packaging and options. **Consumer activation of a compatible NissanConnect Services package ("Package") required.** Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Google, Google Play and Google Maps are trademarks of Google LLC. For more information, see **NissanUSA.com/connect/legal.** [11]See **NissanUSA.com/connect/legal** for more NissanConnect features/services information. [12]Virtual composite 360° view. [13]Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. [14]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. [15]**Nissan vehicle with "SiriusXM with 360L" capability:** SiriusXM with 360L trial period is included with the purchase or lease of a new Nissan vehicle if: (i) vehicle is equipped with SiriusXM with 360L capability and (ii) vehicle is purchased or leased from new Nissan dealer stock. Trial period begins on the purchase or lease date of the qualifying new Nissan vehicle. SiriusXM with 360L is owned and operated by SiriusXM, use of SiriusXM account and its services and features are subject to the SiriusXM Customer Agreement and Privacy Policy available at **siriusxm.com**, and are not within Nissan's control. Should SiriusXM terminate, change, or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Nissan and its partners or agents are also not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Trial period is subject to change or early termination at any time without notice. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **SiriusXM and SiriusXM with 360L Trial Subscription:** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription package. All fees, content and features are subject to change. [16]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [17]Images shown for illustrative purposes only. For complete limited warranty details, see your Nissan dealer and read the vehicle's Warranty Information Booklet. [18]Images shown for illustrative purposes only. Yakima accessories shown are not genuine Nissan parts/accessories. Not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan limited warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any accessory or component. Contact your dealer for details. Yakima® is a registered trademark of Yakima Products, Inc. [19]Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. [20]Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. [21]Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. [22]Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. [23]Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. [24]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. [25]Vehicle must be on for the Easy-Fill Tire Alert to operate. [26]Roadside assistance coverage period varies by model year and model. Includes Trip Interruption benefits. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet. '27 Rogue Hybrid. 2712509796-N-10/26-55.3K-KSL

Quick response. Smooth delivery.

Even the numbers excite

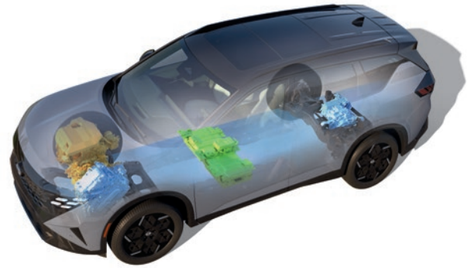

Up to **41** city mpg[4]

225 horsepower

Rogue Hybrid delivers the perfect combination of efficiency and exhilaration.[4] Instant torque and impressive horsepower allow for immediate acceleration, smooth power delivery without the feel of traditional transmission shifting, and pure enjoyment behind the wheel. Whether cruising town or out on the highway, incredible efficiency is yours when it counts.[4]

Gas-powered convenience. Electrifying response.

Rogue Hybrid runs on proven, efficient e-POWER hybrid technology for a totally dynamic driving experience.[4] A dedicated gas engine acts as a generator for the battery and electric motors which sends power directly to the wheels. This gives you instant response that's noticeably quiet and smooth. And most importantly, you never have to worry about plugging it in.

A mode for any mood

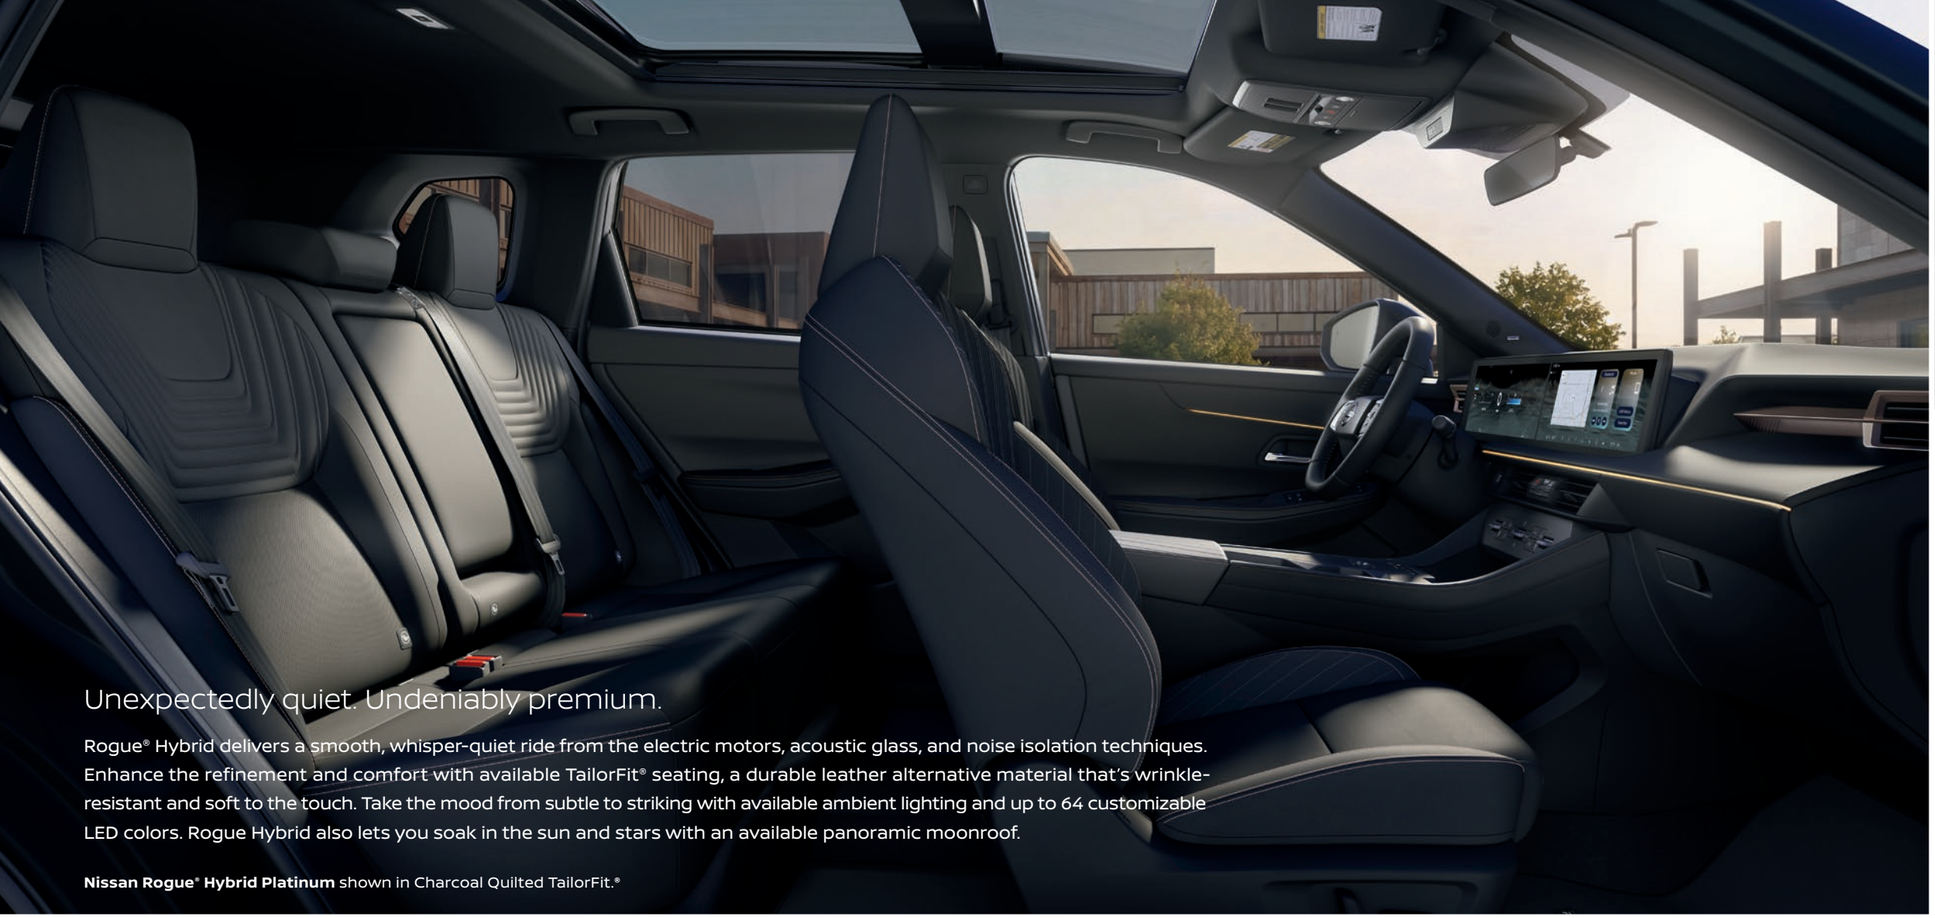

Rogue® Hybrid offers six different drive modes to help navigate the situation you're in. Snow Mode helps you feel more in control on slippery roads and surfaces. Choose Sport Mode to deliver a tighter feel and greater responsiveness. Want to maximize efficiency? Eco Mode helps deliver it.[4] And Personal Mode offers complete customization to suit your style of driving.

Efficiency down to the pedal

e-Pedal brings one-pedal driving to the Rogue Hybrid. Efficient in stop-and-go driving, this revolutionary system allows you to stop and start with just one pedal for smoother acceleration and greater control. Easing off the pedal brings the car to a full stop smoothly, and increases regenerative braking which recharges the battery while you drive.[2]

Command the conditions

Take on the elements with confidence. The standard Dual Motor All-Wheel Drive will precisely distribute power to each individual wheel for added confidence when accelerating, cornering, and maneuvering through snow, wet roads, and loose terrain.[2]

Unexpectedly quiet. Undeniably premium.

Rogue® Hybrid delivers a smooth, whisper-quiet ride from the electric motors, acoustic glass, and noise isolation techniques. Enhance the refinement and comfort with available TailorFit® seating, a durable leather alternative material that's wrinkle-resistant and soft to the touch. Take the mood from subtle to striking with available ambient lighting and up to 64 customizable LED colors. Rogue Hybrid also lets you soak in the sun and stars with an available panoramic moonroof.

Nissan Rogue® Hybrid Platinum shown in Charcoal Quilted TailorFit.®

Store it. Hide it. Load 'em up.

Center Console Pass-Thru Storage With a wide opening for easy accessibility, this is the perfect place to store smaller items like water bottles, key cards, and sunglasses.

90° Opening Rear Doors The rear doors open nearly 90 degrees to allow for easier access inside, especially for larger items like child seats.

Available Bose Premium Audio System Elevate your listening experience with an available custom-tuned 10-speaker premium Bose sound system. Each speaker is strategically placed throughout the cabin to deliver a balanced, immersive soundstage designed to help prevent distortion and maximize clarity.

Heated/Ventilated Seats The available ventilated seats allow you to stay cool and comfortable, regardless of the weather outside.

Zero Gravity Seats These road trip-ready seats can help reduce fatigue on long getaways.[5]

Your world on full display

Rogue® Hybrid offers a clean, modern dash layout with up to three customizable displays. A monolith display creates a seamless cinema-like show of information, while the Head-Up Display shows turn-by-turn directions and speed limits.[6, 7, 8, 9] With available Google built-in, Google Gemini and Google Maps help you find nearby restaurants and stores — no phone required.[1, 8, 10, 11]

Qi2® wireless charging Rogue Hybrid has wireless chargers up front that can charge up to two compatible phones, with a built-in cooling fan and a magnetic surface to hold the phones in place while charging.[1]

3D Enhanced Intelligent Around View® Monitor Updated camera displays provide a variety of helpful views, including a 3D spin, overhead bird's-eye view, and even views that help you see under the vehicle.[1, 2, 12]

Traffic made relaxing

ProPILOT Assist with Hands-off Traffic Jam Support takes the edge off stop-and-go traffic. Just set it, and the system assists with steering, changing lanes and adjusting speed on upcoming curves. At low speeds in heavy traffic, it allows you to go hands-off and foot-off when traffic permits. Now you can take charge of your commute with more confidence and focus.[1, 2]

Safety Shield® 360 Feel confident knowing that Rogue Hybrid offers an available suite of advanced safety features that give you added peace of mind. It includes six features that monitor in front of you, behind you, and on either side and can step in to help keep you safe.[2]

NISSAN ROGUE® HYBRID ACCESSORIES

Turn brand-new into all you

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is also backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase.[17] Affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan Limited Warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan-affiliated accessory or component. Contact your dealer for details.[18]

For more information and to shop online for Rogue Hybrid Genuine Nissan Accessories, scan the code.

Nissan Rogue® Hybrid SR shown in Horizon Blue Pearl Metallic / Super Black Two-tone[3] with 19" Gloss Black Aluminum-Alloy Wheels, Exterior Ground Lighting w/ Logo, Front Underbody Trim, Hood Wind Deflector, Roof Rail Crossbars,[16, 19] Affiliated: Yakima® LoadWarrior — Cargo Basket,[16, 18] and Splash Guards (4-piece set).

CHOOSE YOUR ACCESSORIES

A. **Interior Accent Lighting**
Enjoy a soft glow in the front and rear footwells, front cupholders, and door pockets.

B. **Panoramic Illuminated Headliner**
Frame the panoramic moonroof and set the mood with hidden white LEDs.
